**God Loved Her with High Heels** Varsha Pratap,2015-04-02 This book is inspired by my deep interaction with Buddhist monk from South East Asia and by the right seeds of spirituality sown in me by my Guru This story is an attempt to bring to light the energies and wisdoms of our soul that leads us to the divine master within us which unites us with the powers of the universe Laila was a child reared with wisdom imparted to her by her wise German mother Andrea and her worldly wise businessman father Anand Mallya of Chennai The duality of her parenting led to the crisis within her which the proceeding chapters unravel telling the tale of compulsion that led her to seek the truth of her own existence and to change luck on lifes path The crises of her soul began in her as a medical student where she lost her serenity and soulfulness to the books that were never meant for her but was making long silent promises of a bright future This by the grace of her soul led her to find temporary solace in the glamorous high heels which brought her unfelt joy Material as the unwise believes is not the domain of all souls and that a soul is meant to be above the material pleasures of the world This is true only for the advanced souls the ones who have experienced the pleasures of the world that a advancing soul was meant to experience in the realm of this world in a lifetime As time rolled on she realised that this wasnt enough of a measure to provide her with the keys of the door that her advanced soul was meant to unlock as she has soaked in the material pleasures
