**The 5 Love Languages of Children/The 5 Love Languages of Teenagers** Set Gary Chapman, Ross Campbell, 2016-04-15 This set includes The 5 Love Languages of Children and The 5 Love Languages of Teenagers. In The 5 Love Languages of Children the author examines the different languages your children speak. Sometimes they waver for your attention and other times they ignore you completely. Sometimes they are filled with gratitude and affection and other times they seem totally indifferent. Attitude, Behavior, Development. Everything depends on the love relationship between you and your child. When children feel loved they do their best. But how can you make sure your child feels loved? Since 1992 Dr. Gary Chapman's best-selling book The Five Love Languages has helped more than 300 000 couples develop stronger, more fulfilling relationships by teaching them to speak each other's love language. Each child too expresses and receives love through one of five different communication styles. And your love language may be totally different from that of your child. While you are doing all you can to show your child love, he may be hearing it as something completely opposite. Discover your child's primary language and learn what you can do to effectively convey unconditional feelings of respect, affection, and commitment that will resonate in your child's emotions and behavior. In The 5 Love Languages of Teenagers Dr. Gary Chapman explores the world in which teenagers live, explains the developmental changes and gives tools to help you identify and appropriately communicate in your teen's love language. Socially, mentally, and spiritually teenagers face a variety of pressures and stresses each day. Despite these peer pressures, it is still parents who can influence teens the most. Are you equipped to love your teenager effectively? Get practical tips on loving your teen effectively and explore key issues in your teen's life including anger and independence. Finally learn how to set boundaries that are enforced with discipline and consequences and discover useful ways for the difficult task of loving when your teen fails. *Love's Touch* Anit Arca, 2022-04-10 Is the world an illusion Is our Universe a hologram This is a magical world All there Is is you you are the magnificent reflection of All That Is in the world of Existence and three dimensions Let us wake up from this illusion We have to realize we will leave this body one day we have to realize all of our possessions will be left behind as we depart for our next new adventure This is not a book of divine informative revelation These words do not come from heaven These writings knowledge arose in the Heart through Universal Intuition and were written from Oneself to oneself without the interference of the author s personal thoughts ego What you call I is your identity Bonding yourself with your identity creates the I am ego personality This identity of yours is not actually you it is an illusory state of what you are not In Reality you are not your ego identity The external world and its social parameters play a big role in forming this ego identity You do not own anything no name no form or any image that you can call I You have not

constructed or created these You do not own anything you think you can control or possess When you identify yourself with these things the things that you are not or do not own you are creating a self imposed prison for yourself and living inside of it In other words you create your ego personality In this case we have to ask the following question who am I Really Are you really all that you claim to own names forms and images Are you only made up of body and mind When you identify with these beliefs and those of the collective world consciousness you get lost and break away from your true Reality When you claim ownership of these names forms and images you create your ego personality Whenever you say I am this or that you are identifying with that thing which you now claim as your own and you unify yourself with that thing If you do not identify with anything if you do not claim ownership of anything the I ceases to exist Removing the I dissolving it is the ultimate freedom we seek The walls of the self imposed prison of ego personality you possessively created will fall away Here in this liberated state of being the necessity for choice or decision falls away too You act just as is needed in each moment of life as it arises in the Now Thoughts of should I have done this or that will disappear The mind is like software running on a computer The virus that corrupts the software is the ego It is this ego personality that creates erroneous beliefs and then claims ownership of them Only when this virus is removed by an antivirus program Mind reveals itself in its full capacity With this cleaning up process human minds become increasingly liberated and expansively intelligent In this Book knowledge of advanced life is being released into the public publishing domain for the first time This life can be described with concepts of Absolute Human Birth of Absolute Humanity Experiencing Non Existence and Beyond Non Existence We believe through our life experience that the only way to change our individual and collective point of view is to know NON EXISTENCE The will behind the writing and publishing of this knowledge in the Book arose in servitude The Alpha Series John Glenn,2006-10 On a scale of 1 to 10 with 1 being sinful and worthless and 10 being absolutely perfect and righteous how do you rate yourself really On that same scale how does God rate you The Alpha Series is a systematic study of all that God has done to make you a 10 and a course on how you can begin to see yourself the way God sees you Knowing what God thinks about us gives us a choice in what we are going to believe about ourselves Believing what God says he made us to be allows us the hope we need to cope with life The joyful confident expectation about our own future gives us the liberty to care about others The Alpha Series may be used as a counseling model a discipleship course a faith based recovery tool and a training curriculum Along with the companion workbook it is suitable as basic curricula for all types of study groups and recovery programs *Emotionally Intelligent* Melissa Hall,2023-05-05 Emotional Intelligence Life Skills is designed with the educator counselor therapist parent youth minister and younger generation in mind This book begins by introducing the reader to the importance of understanding the brain and the way it affects behavior It also stresses the importance of teaching young people how the brain can grow and learn through neurons Additionally this book explores mindfulness and encourages the adult to teach and practice mindfulness techniques and scripture meditation with the young person s This resource is

equipped with opening statements that are to be used for the individual or group settings A list of rules that identify how to work on the coping skills social skills and behavior skills daily is provided There are questions within the activities to engage the individuals as well as follow up questions to evaluate how well the individual has learned the information If the individual has not grasped the content adequately there are enough activities to allow continued expansion on the topic on different days The discussion engages the young person from the age of five up through the age of twenty three Included in this book is an outlined dialogue that can be used to communicate with parents to assist the young person and parent Many times children are taught skills to assist them in being successful in life but when they go home they are exposed to a different standard of being This can hinder growth Therefore this book makes sure that the information being taught to the young person is reinforced by the parent through what their role is in growth and development for each topic The hope for this workbook is to assist even the least creative educator therapist counselor parent and youth minister in effectively reaching out and making an impact in the minds and lives of the younger generations
