Following Jesus Blake Ferriss, 2019-05-15 Jesus spoke to the people once more and said I am the light of the world If you follow me you won't have to walk in darkness because you will have the light that leads to life John 8:12 NLT Following Jesus An Approach to Christian Spirituality provides a basis for understanding how the Lordship of Christ is the essential criterion for determining how Christianity functions as a relational experience with God With that relational experience for the believer in Christ being the product of supernatural experience with the Holy Spirit The book functions as an organizing tool to be used for a conscientious inquiry into how a Christian worldview operates in four relational categories of experience With these relational categories act as a basis for understanding how our choices affect our lives and our futures both now and in life and eternally and how it is that God loves us and will give our lives the meaning and purpose that we all long for

Healing Fractures in Contemporary Theology Peter John McGregor, Tracey Rowland, 2022-01-20 Since Vatican II the key question that has developed in Catholic theology often unstated or unrecognized is what is theology The thesis presented here is that contemporary theologizing is fractured in many places and to varying degrees These fractures can vary in seriousness between theologians and a particular theologian may suffer from some fractures but not others The fractures addressed here are between theology and spirituality theology and philosophy theology and liturgy the literal and spiritual senses of sacred scripture theology preaching and apologetics theology and ethics theology and social theory dogmatic and pastoral theology theology and the koinonial Christian life theologians and non theologians the generation gap between Gen X and Millennial Post Millennial Catholics and theology and the Magisterium For each of these an attempt is made to examine the symptoms give a diagnosis and write a prescription *Talks to My Patients* Rachel Brooks Gleason, 1882

Wallace, 2016-03-28 Confronting Religious Violence Christian Humanism and the Moral Imagination tells the tale of Christian theocracy in the West Who converted whom was never entirely clear the empire did stop feeding people to the lions for public entertainment but Christianity was theologically corrupted by its official role in legitimating empire as usual That theological corruption led to crusades inquisitions torture and so forth And it leaves us with a major question is God violent

More dangerously yet is violence our only option in response to wrongdoing Are we morally obligated to injure those who have injured others to kill those who have killed others If theocracy is a terrible idea what is the proper relationship between church and state We can't say that the state is never morally accountable at all Furthermore despite constitutional separation of church and state hard right Christian fundamentalism continues to play a culturally significant role in advocating military action abroad and supporting state violence at home There is a lot at stake in reclaiming the systematic nonviolence and moral imagination of Jesus of Nazareth
