

A person is silhouetted against a night sky, standing on a dark, grassy hill. They are looking up at the Milky Way galaxy, which is visible as a bright, pinkish-purple band of stars stretching across the dark blue and black sky. The person's legs and feet are visible, and they appear to be holding a small object, possibly a telescope or a camera, up to their eye. The overall scene is serene and contemplative.

People feel at home with

scruples that put them off.
