# Loyalists And Revolutionaries Political Leaders Compared

**Christopher Dunn**

## **Loyalists And Revolutionaries Political Leaders Compared:**

**Loyalists and Revolutionaries** Mostafa Rejai, Kay Phillips, 1988-04-21 What motivates political leaders to seek office What social backgrounds do political leaders exhibit Are all leaders fundamentally alike or do we find important differences between them These and related questions concerning political leadership are examined in this unique new work The authors concentrate on two principal types of political leaders Loyalists those who seek office through peaceful processes whether appointive or elective and Revolutionaries those who seize power in violent ways By systematically comparing the similarities and differences between these two groups Rejai and Phillips find that Loyalists and Revolutionaries are basically the same type of person However their most significant differences lie in their relative access to positions of power and authority within their respective societies

**King of the Mountain** Arnold M. Ludwig, 2013-07-24 People may choose to ignore their animal heritage by interpreting their behavior as divinely inspired socially purposeful or even self serving all of which they attribute to being human but they masticate fornicate and procreate much as chimps and apes do so they should have little cause to get upset if they learn that they act like other primates when they politically agitate debate abdicate placate and administrate too King of the Mountain presents the startling findings of Arnold M Ludwig s eighteen year investigation into why people want to rule The answer may seem obvious power privilege and perks but any adequate answer also needs to explain why so many rulers cling to power even when they are miserable trust nobody feel besieged and face almost certain death Ludwig s results suggest that leaders of nations tend to act remarkably like monkeys and apes in the way they come to power govern and rule Profiling every ruler of a recognized country in the twentieth century over 1 900 people in all Ludwig establishes how rulers came to power how they lost power the dangers they faced and the odds of their being assassinated committing suicide or dying a natural death Then concentrating on a smaller sub set of 377 rulers for whom more extensive personal information was available he compares six different kinds of leaders examining their characteristics their childhoods and their mental stability or instability to identify the main predictors of later political success Ludwig s penetrating observations though presented in a lighthearted and entertaining way offer important insight into why humans have engaged in war throughout recorded history as well as suggesting how they might live together in peace

**Political Leadership and the Northern Ireland Peace Process** C. Gormley-Heenan, 2006-11-14 By providing a critical interpretation of political leadership during the Northern Ireland peace process Gormley Heenan shows the leadership lens offers insights not offered by conventional analyses of peacemaking processes The book discusses the confusions contradictions and chameleonic nature of leadership and its role capacity and effect

**Modern Latin American Revolutions** Eric Selbin, 2018-02-07 In contrast to previous studies that have centered on the institutionalization of revolution in Latin America and the Caribbean Modern Latin American Revolutions Second Edition introduces the concept of consolidation of the revolutionary process the efforts of revolutionary leaders to transform society and the acceptance by a significant majority of the population of the core

of the social revolutionary project As a result the spotlight is on people not structures and transformation not simply revolutionary transition The second edition of this acclaimed book has been revised to include new information on the cases of Bolivia Cuba Nicaragua and Grenada assessing the extent to which each revolution was both institutionalized and consolidated This edition also boasts expanded coverage on Che Guevara's visionary leadership and an all new section that addresses the future of revolution in Latin America and the Caribbean Dr Selbin argues that there is a strong link between organizational leadership and the institutionalization process on the one hand and visionary leadership and the consolidation process on the other Particular attention is given to the ongoing revolutionary process in Nicaragua with an emphasis on the implications and ramifications of the 1990 electoral process A final chapter includes brief analyses of the still unfolding revolutionary processes in El Salvador and Peru

### **Revolutionary Movements in World History** James

DeFronzo, 2006-07-20 This groundbreaking three volume encyclopedia is the first to focus exclusively on the revolutionary movements that have changed the course of history from the American and French Revolutions to the present ABC CLIO is proud to present an encyclopedia that reaches around the globe to explore the most momentous and impactful political revolutions of the last two and a half centuries exploring their origins courses consequences and influences on subsequent individuals and groups seeking to change their own governments and societies In three volumes Revolutionary Movements in World History covers 79 revolutions from the American and French uprisings of the late 18th century to the rise of communism Nazism and fascism from Ho Chi Minh and Fidel Castro to the Ayatollah al Qaeda and the fall of the Berlin wall Written by leading experts from a number of nations this insightful cutting edge work combines detailed portrayals of specific revolutions with essays on important overarching themes Full of revealing insights compelling personalities and some of the most remarkable moments in the world's human drama Revolutionary Movements in World History offers a new way of looking at how societies reinvent themselves

### When the Romance Ended

Katherine Hite, 1999-12-31 The unanticipated arrest of General Augusto Pinochet in London on October 16 1998 served to punctuate the twenty fifth anniversary of the most cataclysmic event in Chilean history a violent coup d'etat that abruptly ended decades of democratic rule A steadily increasing series of explorations interviews and images in the popular press and

media has begun to unearth the horrors of the dictatorship and its defenders and to reevaluate the stories of the democratically elected Allendists the coup had brutally purged Based on interviews and analysis of a generation of young leaders of the Chilean political elite who came to power with Allende s election in 1970 *When the Romance Ended* focuses on how Allende s followers conceptualize and justify their political objectives and programs through the course of their political victory violent defeat and gradual return to politics during Chile s redemocraticization process Examining the 1960s generation s program of revolutionary social transformation as well as the integral role the group played in the return to democracy in Chile Hite explores what happens to the political identities of leaders such as these in a context of traumatic political upheaval and change

Japanese Diplomacy H. D. P. Envall,2015-02-17 Groundbreaking study demonstrating how Japan s leaders play an important role in diplomacy A political leader is most often a nation s most high profile foreign policy figure its chief diplomat But how do individual leadership styles personalities perceptions or beliefs shape diplomacy In *Japanese Diplomacy* the question of what role leadership plays in diplomacy is applied to Japan a country where the individual is often viewed as being at the mercy of the group and where prime ministers have been largely thought of as reactive and weak In challenging earlier simplified ideas of Japanese political leadership H D P Envall argues that Japan s leaders from early Cold War figures such as Yoshida Shigeru to the charismatic and innovative Koizumi Jun ichir to the present leadership of Abe Shinz have pursued leadership strategies of varying coherence and rationality often independent of their political environment He also finds that different Japanese leaders have shaped Japanese diplomacy in some important and underappreciated ways In certain environments individual difference has played a significant role in determining Japan s diplomacy both in terms of the country s strategic identity and summit diplomacy What emerges from *Japanese Diplomacy* therefore is a more nuanced overall picture of Japanese leadership in foreign affairs

Concepts of Leadership in Western Political Thought Mostafa Rejai,Kay Philips,2002-07-30 Rejai emeritus political science Miami U Ohio and Phillips sociology gerontology and anthropology Miami U present a companion work to their 1997 work *Leaders and Leadership An Appraisal of Theory and Research* in which they looked at concepts of leadership in the post World War II period Here they trace the development of concepts of leadership through the lens of political theory and psychology from Plato to Sigmund Freud and Erik Erikson Separate chapters look at various philosophies takes on leadership with treatments of natural law theory Christianity Machiavelli social contract theory Thomas Carlyle Friedrich Nietzsche Weberian sociology Freud and Erikson Annotation copyrighted by Book News Inc Portland OR

**Leaders and Leadership** Mostafa Rejai,Kay Philips,1997-07-16 Defining the concept of leadership this study examines the relationship between leaders and followers and the prerequisite skills of leaders Other chapters explore women as leaders military leaders transactional leaders and the motivations and functions of leaders

*Explanations and Predictions of Political Success of the Heads of Government Since 1945* Meeyoung Ju,1994

*Digitally Enabled Social Change* Jennifer Earl,Katrina Kimport,2011-03-04 An investigation into how specific Web

technologies can change the dynamics of organizing and participating in political and social protest Much attention has been paid in recent years to the emergence of Internet activism but scholars and pundits disagree about whether online political activity is different in kind from more traditional forms of activism Does the global reach and blazing speed of the Internet affect the essential character or dynamics of online political protest In *Digitally Enabled Social Change* Jennifer Earl and Katrina Kimport examine key characteristics of web activism and investigate their impacts on organizing and participation Earl and Kimport argue that the web offers two key affordances relevant to activism sharply reduced costs for creating organizing and participating in protest and the decreased need for activists to be physically together in order to act together Drawing on evidence from samples of online petitions boycotts and letter writing and e mailing campaigns Earl and Kimport show that the more these affordances are leveraged the more transformative the changes to organizing and participating in protest [Journal of International Affairs](#) ,1986

**The Sources of Social Power** Michael Mann,1986 Distinguishing four sources of power in human societies ideological economic military and political The Sources of Social Power traces their interrelations throughout human history Volume 2 deals with power relations between the Industrial Revolution and the First World War [Provinces](#) Christopher Dunn,2016-01-01 Provinces is now established as the most comprehensive yet accessible exploration of Canadian provincial politics and government The authors of each chapter draw on their particular expertise to examine themes and issues pertaining to all the provinces from a comparative perspective The book is organized into four major sections political landscapes the state of democracy in the provinces political structures and processes and provincial public policy The third edition features eleven new chapters including province building provincial constitutions provincial judicial systems plurality voting in the provinces voting patterns in the provinces provincial public service provincial party financing provincial health policy social policy climate change and labour market policy All other chapters have been thoroughly revised and updated

*Loyalist Literature* Robert S. Allen,1982-01-01 This highly readable guide is more than a bibliography Written in a narrative style it is as well a short history of the Loyalists who they were why they left where they settled and what their legacy is [The World of the American Revolution](#) Merril D. Smith,2015-08-28 This two volume set brings to life the daily thoughts and routines of men and women rich and poor of various cultures religions races and beliefs during a time of great political social economic and legal turmoil What was life really like for ordinary people during the American Revolution What did they eat wear believe in and think about What did they do for fun This encyclopedia explores the lives of men women and children of European Native American and African descent through the window of social cultural and material history The two volume set spans the period from 1774 to 1800 drawing on the most current research to illuminate people s emotional lives interactions opinions views beliefs and intimate relationships as well as connections between the individual and the greater world The encyclopedia features more than 200 entries divided into topical sections each dealing with a different aspect of cultural life for example Arts Food and Drink and Politics and Warfare

Each section opens with an introductory essay followed by A Z entries on various aspects of the subject area Sidebars and primary documents enhance the learning experience Targeting high school and college students the title supports the American history core curriculum and the current emphasis on social history Most importantly its focus on the realities of daily life rather than on dates and battles will help students identify with and learn about this formative period of American history

**Leadership in the Cuban Revolution** Antoni Kapcia,2014-09-11 Most conventional readings of the Cuban Revolution have seemed mesmerised by the personality and role of Fidel Castro often missing a deeper political understanding of the Revolution s underlying structures bases of popular loyalty and ethos of participation In this ground breaking work Antoni Kapcia focuses instead on a wider cast of characters Along with the more obvious albeit often misunderstood contributions from Che Guevara and Ra l Castro Kapcia looks at the many others who over the decades have been involved in decision making and have often made a significant difference He interprets their various roles within a wider process of nation building demonstrating that Cuba has undergone an unusual if not unique process of change Essential reading for anyone interested in Cuba s history and its future *United States Political Science Documents* ,1990

**The Loyalists of Massachusetts and the Other Side of the American Revolution** James Henry Stark,1907
