Ramayana: The Game of Life - Book 5: Radiate Confidence Shubha Vilas, 2019-11-19 Being Patient and Finding Success THE RAMAYANA IS NOT A STORY IT IS A WAY OF LIFE IT IS THE GAME OF LIFE How one expands one s scope of action with confidence and calm under extremely challenging circumstances is what separates the extraordinary from the ordinary just like Hanuman did His selfless determination to stay the course with steadfast focus and faith to accomplish his mission makes him a worthy and inspiring protagonist Here are some invaluable lessons from his life on overcoming obstacles Be confident With unwavering faith in himself Hanuman jumped across the ocean to find Sita in an unfamiliar land Say no to distractions Absolute focus helped him prioritize his course of action Know your rivals Competing with Surasa would be futile so he realized that it was wiser to take on a humbler approach Are you confident and fearless enough to achieve your goals RADIATE CONFIDENCE is the fifth book in Ramayana The Game of Life series A modern retelling of the Sundara Kanda of Valmiki s epic this book highlights Hanuman s devotion and heroics Replete with lessons on faithfulness loyalty self confidence self belief fearlessness and all the attributes that help counter challenges and find success the author Shubha Vilas illuminates the path to success A spiritual seeker and motivational speaker SHUBHA VILAS helps people in dealing with modernday life situations through the teachings of the Bhagavad Gita Ramayana and other dharmic traditions He conducts leadership seminars in premier institutes across the world The Magámát of Badí' al-Zamán al-Hamadhání W.J. Prendergast, 2015-10-14 The triple aim of Hamadh n in this work first translated into English in 1915 appears to have been to amuse to interest and to instruct and this explains why in spite of the inherent difficulty of a work of this kind composed primarily with a view to the rhetorical effect upon the learned and the great there is scarcely a dull chapter in the fifty one mag m t or discourses The author essayed throughout these dramatic discourses to illustrate the life and language both of the denizens of the desert and the dwellers in towns and to give examples of the jargon and slang of thieves and robbers as well as the lucubrations of the learned and the conversations of the cultured Lost Airmen Charles E. Stanley, 2022-03-15 Late in 1944 thirteen USB 24 bomber crews bailed from their cabins over the Yugoslavian wilderness Bloodied and disoriented after a harrowing strike against the Third Reich the pilots took refugee with the Partisan underground But the Americans were far from safety Holed up in a village barely able to feed its citizens encircled by Nazis and left abandoned after a team of British secret agents failed to secure their escape the airmen were left with little choice It was either flee or be killed In The Lost Airmen Charles Stanely Jr unveils the shocking true story of his father Charles Stanely and the eighteen brave soldiers he journeyed with for the first time Drawing on over twenty years of research dozens of interviews and previously unpublished letters diaries and memoirs written by the airmen Stanley recounts the deadly journey across the blizzard swept Dinaric Alps during the worst winter of the Twentieth Century and the heroic men who fought impossible odds to keep their brothers in arms alive The Inter-Galactic Playground Farah Mendlesohn, 2009-07-15
