McMillen, 2014-12-30 In the rotunda of the nation s Capital a statue pays homage to three famous nineteenth century American women suffragists Elizabeth Cady Stanton Susan B Anthony and Lucretia Mott Historically the inscription beneath the marble statue notes these three stand unique and peerless In fact the statue has a glaring omission Lucy Stone A pivotal leader in the fight for both abolition and gender equality her achievements marked the beginning of the women s rights movement and helped to lay the groundwork for the eventual winning of women s suffrage Yet today most Americans have never heard of Lucy Stone Sally McMillen sets out to address this significant historical oversight in this engaging biography Exploring her extraordinary life and the role she played in crafting a more just society McMillen restores Lucy Stone to her rightful place at the center of the nineteenth century women s rights movement Raised in a middle class Massachusetts farm family Stone became convinced at an early age that education was key to women s independence and selfhood and went on to attend the Oberlin Collegiate Institute When she graduated in 1847 as one of the first women in the US to earn a college degree she was drawn into the public sector as an activist and quickly became one of the most famous orators of her day Lecturing on anti slavery and women s rights she was instrumental in organizing and speaking at several annual national woman s rights conventions throughout the 1850s She played a critical role in the organization and leadership of the American Equal Rights Association during the Civil War and in 1869 cofounded the American Woman Suffrage Association one of two national women s rights organizations that fought for women s right to vote Encompassing Stone s marriage to Henry Blackwell and the birth of their daughter Alice as well as her significant friendships with Frederick Douglass Susan B Anthony and others McMillen s biography paints a complete picture of Stone s influential and eminently important life and

work Self effacing until the end of her life Stone did not relish the limelight the way Elizabeth Cady Stanton did nor did she gain the many followers whom Susan B Anthony attracted through her extensive travels and years of dedicated work Yet her contributions to the woman s rights movement were no less significant or revolutionary than those of her more widely lauded peers In this accessible readable and historically grounded work Lucy Stone is finally given the standing she deserves **I Loved Lucy** Lee Tannen,2002-10-25 Few people knew Lucille Ball the way Lee Tannen did Lee first met Lucy as a child but their close and enduring relationship began almost twenty five years later Now Tannen gives us an intimate portrait of the lost Lucy years from what life was like in her Beverly Hills and Palm Springs hideaways to how she traveled what she ate and how she entertained I Loved Lucy reveals for the first time the private face of a beloved star whose public persona is the most famous in television history *Lucy J.* Jan Sparkman,2011-01-26 **The Great Wall of Lucy Wu** Wendy Wan Long Shang,2011 In this humorous and heartfelt debut about a split cultural identity nothing goes according to plan for sixth grader Lucy Wu Her plans are shattered when she learns that her great aunt from China will be visiting for several months But maybe Lucy can create something even better **Looking at Early Years Education and Care** Rose Drury,Robin Campbell,Linda Miller,2013-07-04 First published in 2000 This book will serve as a reader for students on early childhood courses and reflective practitioners working with or for young children in a range of early years settings It provides an introduction to current research and thinking in early years curriculum health issues special educational needs bilingualism the role of adults working with young children and the role of parents in young children s development and learning It takes account of the new curriculum framework and Foundation Stage for early years recognising the demands of the National Literacy and Numeracy Strategies The contributors wide range of backgrounds in early years health and education ensures that the text will meet the needs of students on HNC D and BA degree courses in Early Childhood Studies and those taking BEd courses for Primary Early Years teachers **Lucy, the Sold Orphan.
