**United States. Bureau of the Census**

## **Ludlow In The 1960s:**

**Ludlow in the 1960s** David Trumper,2004-04-15 Ludlow is a fine old town with over 900 years of history We can still see much of its historic character today in the magnificent castle and church and in the wide variety of architecture of its beautiful buildings This book looks at the town as it was at the beginning of the 1960s 1955-1960 United States. National Labor Relations Board,1985

**New Zealand, Britain, and European Integration Since 1960** Hamish McDougall,2023-12-26 This book explores how New Zealand a small country almost as far from Western Europe as it is possible to be assumed political importance in Britain s accession to the European Community vastly out of proportion to its size proximity and strategic position At several points in accession negotiations the issue of New Zealand s continued trade with Britain threatened to derail UK Government attempts to join the Community This issue also interacted with the broader context of the Cold War economic shocks and decolonisation materially affecting the terms of entry into the European Community and altering Britain s relations with its European partners and the British public s perceptions of British membership After entry New Zealand continued to resurface as a continued source of tension between Britain and an integrating Europe The role that New Zealand played sheds light on Britain s attempts to retain global influence after the demise of its formal empire Contributing to a growing body of research which challenges the traditional historical narratives of British decline and colonial independence in the second half of the twentieth century this book fills an important gap in the historiography of Britain following the 1973 enlargement of the European Communities

**The Encyclopedia of Northern Kentucky** Paul A. Tenkotte,James C. Claypool,2014-10-17 The Encyclopedia of Northern Kentucky is the authoritative reference on the people places history and rich heritage of the Northern Kentucky region The encyclopedia defines an overlooked region of more than 450 000 residents and celebrates its contributions to agriculture art architecture commerce education entertainment literature medicine military science and sports Often referred to as one of the points of the Golden Triangle because of its proximity to Lexington and Louisville Northern Kentucky is made up of eleven counties along the Ohio River Boone Bracken Campbell Carroll Gallatin Grant Kenton Mason Owen Pendleton and Robertson With more than 2 000 entries 170 images and 13 maps this encyclopedia will help readers appreciate the region s unique history and culture as well as the role of Northern Kentucky in the larger history of the Commonwealth of Kentucky and the nation Describes the Golden Triangle of Kentucky an economically prosperous area with high employment investment and job creation rates Contains entries on institutions of higher learning including Northern Kentucky University Thomas More College and three community and technical colleges Details the historic cities of Covington Newport Bellevue Dayton and Ludlow and their renaissance along the shore of the Ohio River Illustrates the importance of the Cincinnati Northern Kentucky International Airport as well as major corporations such as Ashland Fidelity Investments Omnicare Toyota North America and United States Playing Card

*Areas of Vermont: 1960 ,1967* *Caught in the Middle East* Peter L. Hahn,2006-02-01 Postwar

American officials desired in principle to promote Arab Israeli peace in order to stabilize the Middle East This book shows how during the Truman and Eisenhower administrations the desire for peace was not always an American priority Instead they consistently gave more weight to their determination to contain the Soviet Union

**Strain of Violence** Richard Maxwell Brown,1975-01-02 These essays written by leading historian of violence and Presidential Commission consultant Richard Maxwell Brown consider the challenges posed to American society by the criminal turbulent and depressed elements of American life and the violent response of the established order Covering violent incidents from colonial American to the present Brown presents illuminating discussions of violence and the American Revolution black white conflict from slave revolts to the black ghetto riots of the 1960s the vigilante tradition and two of America s most violent regions Central Texas whic

Lexicon of Geologic Names of the United States for 1936-1960 Grace C. Keroher,1966 A compilation of the geologic names of the United States its possessions the Trust Territory of the Pacific Islands and the Panama Canal Zone

**United States Censuses of Population and Housing: 1960. Census County Division Boundary Descriptions** United States. Bureau of the Census,1962

Dream Town Laura Meckler,2023-08-22 Winner of the Ohio Book Award Finalist of the Malott Prize for Recording Community Activism Can a group of well intentioned people fulfill the promise of racial integration in America In this searing and intimate examination of the ideals and realities of racial integration award winning Washington Post journalist Laura Meckler tells the story of a decades long pursuit in Shaker Heights Ohio and uncovers the roadblocks that have threatened progress time and again in housing in education and in the promise of shared community In the late 1950s Shaker Heights began groundbreaking work that would make it a national model for housing integration And beginning in the seventies it was known as a crown jewel in the national move to racially integrate schools The school district built a reputation for academic excellence and diversity serving as a model for how white and Black Americans can thrive together Meckler herself a product of Shaker Heights takes a deeper look into the place that shaped her investigating its complicated history and its ongoing challenges in order to untangle myth from truth She confronts an enduring and troubling question if Shaker Heights has worked so hard at racial equity why does a racial academic achievement gap persist In telling the stories of the Shakerites who have built and lived in this community Meckler asks What will it take to fulfill the promise of racial integration in America What compromises are people of all races willing to make What does success look like and has Shaker achieved it The result is a complex and masterfully reported portrait of a place that while never perfect has achieved more than most and a road map for communities that seek to do the same Includes black and white images

**The Oxford Handbook of the European Union** Erik Jones,Anand Menon,2012-08-30 This is an authoritative one volume and independent treatment of the history functioning and nature of the European integration Written by a selection of leading scholars It covers the major institutions policies and events in the history of integration whilst also providing a guide to the major theoretical approaches that have been used to study it over time By bringing together such a distinguished cast

covering such a wide array of themes the Handbook is intended as a one stop shop for all those interested in the European Union and its predecessors Written in an accessible style the volume is intended to shape the discipline of EU studies and to establish itself as the essential point of reference for all those interested in European integration both in universities and more broadly It represents a timely guide to an institution that is much discussed but often only imperfectly understood

*Enlarging the European Union* M. Geary,2013-06-13 The book presents a new history of the first enlargement of the EU It charts the attempts by the European Commission to influence the outcome of the British and Irish bids to join the Common Market during the 1960s and 1970s The most politically divisive EU enlargement is examined through extensive research in British Irish EU and US archives

*Prophet Singer* Mark Allan Jackson,2009-09-18 Prophet Singer The Voice and Vision of Woody Guthrie examines the cultural and political significance of lyrics by beloved songwriter and activist Woodrow Wilson Woody Guthrie The text traces how Guthrie documented the history of America s poor and disadvantaged through lyrics about topics as diverse as the Dust Bowl and the poll tax Divided into chapters covering specific historical topics such as race relations and lynchings famous outlaws the Great Depression and unions the book takes an in depth look at how Guthrie manipulated his lyrics to explore pressing issues and to bring greater political and economic awareness to the common people Incorporating the best of both historical and literary perspectives Mark Allan Jackson references primary sources including interviews recordings drawings and writings He includes a variety of materials from the Smithsonian Institution the Library of Congress and the Woody Guthrie Archives Many of these have never before been widely available The result provides new insights into one of America s most intriguing icons Prophet Singer offers an analysis of the creative impulse behind and ideals expressed in Guthrie s song lyrics Details from the artist s personal life as well as his interactions with political and artistic movements from the first half of the twentieth century afford readers the opportunity to understand how Guthrie s deepest beliefs influenced and found voice in the lyrics that are now known and loved by millions

Geological Survey Circular Geological Survey (U.S.),1971

**European Integration** Mark Gilbert,2011-11-17 A fully revised and updated edition of *Surpassing Realism The Politics of European Integrations* since 1945 this book remains the standard for concise histories of the European Union Mark Gilbert offers a clear and balanced narrative of European integration since its inception to the present set in the wider history of the post war period Imperial decline and decolonization the threat and then fall of communism the impact of American policy and the democratization of the Mediterranean and central European countries are just some of the contemporaneous historical developments whose intersecting stories have been woven into this book s fabric The European Union remains a remarkable experiment in regional cooperation but the aura of success that has enveloped the process of integration for much of the period since the 1950s is dissipating in the wake of dire economic collapses and heated immigration debates Gilbert concludes by examining the mood of crisis that has taken hold in the EU since 2005 and considers the Union s future

*European Integration Since the 1920s* Mark Hewitson,2024-10-14 Brexit

populism and Euroscepticism seem to have challenged old assumptions about European integration and raised the prospect of disintegration This book re examines why the European Union and its forerunners were created and investigates how and why they have changed It links contemporary events to historical explanation arguing that there were long term sets of conditions dating back to the 1920s which pushed European governments to cooperate economically and to try to resolve their diplomatic differences The failure of the French and German governments to create what Aristide Briand had called a European federal union demonstrated both the precariousness of the enterprise and its connection to the domestic politics of European states After 1945 the unexpected advent of a Cold War and the military diplomatic and economic presence of the United States in Europe facilitated the gradual development of habits of cooperation and institutional integration but they also placed limits on European governments activities as did disagreements between political parties and the expectations of citizens As a consequence supranational bodies such as the European Commission have been accompanied and often overshadowed by intergovernmental institutions such as the European Council with the EU as a whole functioning in important respects as a type of confederation The volume addresses a series of large scale historical questions which are integral to an understanding of the European Union It asks how and why citizens of member states have identified with the EU how matters of security affected the development of the European Community during and after the Cold War whether economic and social convergence have taken place and with what consequences and why European institutions have come to function as they have The study is thematic focusing on the most important aspects of European integration and explaining why member states have decided to carry out or have consented to the unique experiment of the European Union
