Memories Of The Heart:

Memories of the Heart Yvonne Woolfolk Britton, 2014-06-20 The purpose of this publication is to pass on to future generations reflections of the past How times can change and yet remain the same How you can survive regardless of hard times Also the desire to inspire those that come after me is important A wise person once said that gratitude is the memory of the heart My memories enrich my life as the days and years go by I recall treasured memories that continue to enrich my soul I choose to review my memory bank with gratitude Recalling the kindness of others brings a smile to my face and lifts my spirits I appreciate the people who have shared this life with me My memories of good times and good people reveal the light of God that shines unceasingly on us all As I look back with gratitude for the loved ones and opportunities that have brought me great joy and fulfillment I also enjoy the fullness of this present moment Right now I am making memories for the years to come I hope to leave the world a better place because of my living in it to love and be loved to do good and show respect to act justly and fairly to care well for the earth in my small patch of the planet *From the Heart* Melinda

Morris, 2025-09-30 My poems come to me at different times sometimes at night I will wake up with things on my mind and it starts pouring out I keep a pen and pad by my bed to write it down so that I don't forget it Not all of it comes at once Sometimes I get bits and pieces of it so I write it down and then it all comes together It's about my feelings about what has happened to me and others and the feeling I feel It's like I feel my pain and their pain or their joy It's very hard to explain I just write what I feel **Memories of the Heart** Garborgs Heart N Home, *The Heart's Code* Paul P.

Pearsall, 1999-03-10 A fascinating synthesis of ancient wisdom modern medicine scientific research and personal experiences that proves that the human heart not the brain holds the secrets that link body mind and spirit You know that the heart loves and feels but did you know that the heart also thinks remembers communicates with other hearts helps regulate immunity and contains stored information that continually pulses through your body In *The Heart's Code* Dr Paul Pearsall explains the theory and science behind energy cardiology the emerging field that is uncovering one of the most significant medical social and spiritual discoveries of our time The heart is more than just a pump it conducts the cellular symphony that is the very essence of our being Full of amazing anecdotes and data *The Heart's Code* presents the latest research on cellular memory and the power of the heart's energy and explores what these breakthroughs mean about how we should live our lives By unlocking the heart's code we can discover new ways of understanding human healing and consciousness and create a new model for living that leads to better health happiness and self knowledge **Rooms in Our Heart** Randall

Carpenter, 2019-02-13 Life is about finding that spark that motivates you It's seeking your purpose and pursuing it relentlessly Every day you want to be a little better than you were yesterday *Rooms in Our Heart* is a collection of insightful inspirational writings and thoughts about life love and other circumstances we all deal with in life It is a collection of thought provoking words written from the heart and mind of the author whose view of life goes beyond life's superficial surface Life

is not always about what we accomplish but what we overcome to get through every day Having someone in your life who cares enough to want to help but expects nothing in return can be inspiring motivating and uplifting Sometimes wisdom doesn't come from age or even experiences It comes from someone who cares enough to open the rooms in their heart and let what's within help inspire you in life The Rooms in Our Heart are there in each of us The key to unlocking each of them is but a moment away waiting in life to be experienced and opened widely to bring to life yet again a memory we need today
