

Men And Angels Three South American Comedies

May Summer Farnsworth

Men And Angels Three South American Comedies:

Dramatists in Revolt Leon F. Lyday, George W. Woodyard, 2014-08-27 *Dramatists in Revolt* through studies of the major playwrights explores significant movements in Latin American theater. Playwrights discussed are those who have made outstanding contributions to Latin American theater during the post World War II period and who have been particularly sensitive to world currents in literature and drama while being acutely responsive to the problems of their own areas. They express concern about communication isolation and solitude. On a more basic level they concern themselves with the political and socioeconomic problems that figure importantly in the Third World. The fifteen essays deal with the playwrights Antonio Arrufat and Jos Triana Cuba, Emilio Carballido and Luisa Josefina Hernández Mexico, Agustín Cuzzani Osvaldo Dragón Griselda Gambaro and Carlos Gorostiza Argentina, Jorge Díaz Egon Wolff and Luis Alberto Heiremans Chile, René Marqués Puerto Rico and Jorge Andrade Alfredo Dias Gomes and Plínio Marcos Brazil. These are dramatists in revolt, sometimes in a thematic sense, not only in protesting the indignities that various systems impose on modern man but also in a dramatic configuration. They dare to experiment with techniques in the constant search for viable theatrical forms. Each essay is written by a specialist familiar with the works of the playwright under consideration. In addition to the essays, the book includes a listing of source materials on Latin American theater.

Encyclopedia of Latin American Theater Eladio Cortés, Mirta Barrea-Marlys, 2003-12-30 Latin American culture has given birth to numerous dramatic works, though it has often been difficult to locate information about these plays and playwrights. This volume traces the history of Latin American theater, including the Nuyorican and Chicano theaters of the United States, and surveys its history from the pre-Columbian period to the present. Sections cover individual Latin American countries. Each section features alphabetically arranged entries for playwrights, independent theaters, and cultural movements. The volume begins with an overview of the development of theater in Latin America. Each of the country sections begins with an introductory survey and concludes with copious bibliographical information. The entries for playwrights provide factual information about the dramatist's life and works and place the author within the larger context of international literature. Each entry closes with a list of works by and about the playwright. A selected general bibliography appears at the end of the volume.

Ottensmiller's Index to Plays in Collections Denise L. Montgomery, 2011-08-11 The standard location tool for full-length plays published in collections and anthologies in England and the United States since the beginning of the 20th century, Ottensmiller's Index to Plays in Collections has undergone seven previous editions, the latest in 1988 covering 1900 through 1985. In this new edition, Denise Montgomery has expanded the volume to include collections published in the entire English-speaking world through 2000 and beyond. This new volume lists more than 3,500 new plays and 2,000 new authors, as well as birth and/or death information for hundreds of authors. Representing the largest expansion between editions, this updated volume is a valuable resource for libraries worldwide.

Latin American Dramatists since 1945 Tony A. Harvell, 2003-09-30 This resource compiles and locates biographical and

bibliographical information of over 700 prominent Latin American dramatists of the late 20th century and their plays in 20 different countries and it lists over 7 000 plays arranged by country and by author Author biographies consist of year and place of birth education careers other literary genres and awards and prizes The bibliographic listings include various editions of plays followed by references to the plays in anthologies collections or periodicals Latin American theater is rooted in the rich historical traditions of both the indigenous cultures of the region and those of Spain In the second half of the 20th century immigration to Latin America from Europe the Middle East Africa and Asia also proved influential and theater became a means of social protest The military and political dictatorships of the late 20th century often censored plays and persecuted playwrights This resource compiles and locates biographical and bibliographical information about over 700 prominent Latin American dramatists and their plays in 20 different countries and it lists over 7 000 plays arranged by country and by author Author biographies consist of year and place of birth education careers other literary genres and awards and prizes The bibliographic listings include various editions of plays followed by references to the plays in anthologies collections or periodicals **Latin American Theatre Review** ,1971 *Feminist Rehearsals* May Summer Farnsworth,2023-03-29 An exploration of gender at the theatre in early twentieth century Argentina and Mexico **Catalog of Copyright Entries, Third Series** Library of Congress.
