Mystery Plays For Young Actors:

Mystery Plays for Young Actors John Murray, 1984 Ten one act plays deal with mysterious patients a couple trapped in a mansion with a murderer smugglers and a backstage murder *The York Mystery Plays* Margaret Rogerson, 2011 Essays on the York Mystery Plays uniting voices from the scholarly world with the York community that has assumed responsibility for their production today The York Play of Corpus Christi also known as the York Cycle has been central to the study of early English theatre for over a century and a touchstone for the revival of medieval dramatic practice for over fifty years But these two endeavours have often found little common ground This volume therefore accomplishes something very important It brings together scholars of medieval English drama and places them in dialogue with experienced practitioners from the community Together they share a common commitment to understanding how performances matter to the communities that produce them and how plays intersect with other public activities CAROL SYMES Professor of History University of Illinois at Urbana This volume provides a wealth of new insights into the performance of mystery plays in medieval York and their modern revival It utilises both academic study and the practical experience of those who now produce the cycle within York itself on wagons in the street in an approximation of their original performance A number of topics are covered The manuscript is linked to Richard III the Masons are introduced as non guildsmen in an enterprise assumed to be guild specific families not just male heads of households are shown to be important to the dramatic narrative and cognitive theory elucidates performance past and present Recent productions are discussed in lively detail by those directly responsible for them leading to analyses of performances in Israel Spain and Australia not all of them of a predictable kind which offer further angles on the medieval dramatic tradition Professor Margaret Rogerson teaches in the Department of English at the University of Sydney Contributors Margaret Rogerson Keith Jones Richard Beadle Sheila K Christie Mike Tyler Jill Stevenson Elenid Davies Ben Pugh Peter Brown Tony Wright Steve Bielby Emma Cunningham Alan Heaven Linda Ali Paul Toy Gweno Williams John Merrylees David Richmond Alexandra F Johnston Sharon Aronson Lehavi Pamela M King **Index to Children's Plays in Collections, 1975-1984** Beverly Robin Trefny, Eileen C. Palmer, 1986 This third edition of Index to Children's Plays in Collections updates and expands upon the two previous editions with a wide diversity of dramatic literature for children published between 1975 and 1984 **Letters to a Young Actor** Robert Brustein, 2009-04-28 The founder and director of the Yale Repertory Theater as well as Harvard's American Repertory Theater and the drama critic for The New Republic for going on thirty years Robert Brustein is a living legend in theatrical circles In Letters to a Young Actor he not only seeks to inspire the multitudes of struggling dramatists out pounding the pavement but also to reinvigorate the very state of the art of acting itself Brustein is a man of strong opinions and formidable intellect Stocked with a wealth of stories about the now rich and famous he has at various points in his career cultivated such talent as actors Meryl Streep Marisa Tomei Cherry Jones Debra Winger Sigourney Weaver Christopher Walken Tony Shalhoub Henry Winkler Christopher

Lloyd Claire Bloom and many many more he brings both passion and a peerless authority to his subject His telling anecdotes from decades of experience help explain how and why those who made it big are the successes they are today and what struggles they faced along the way From why Method acting is not the answer to the critical importance of paying attention in English Lit classes Brustein s advice is clear persuasive and inspiring *Training the Young Actors of Theatre Ashbury* Gregory H. Simpson,2025-04-24 When Gregory H Simpson was hired to run the drama program at Ottawa private school Ashbury College he brought with him a very simple premise If you taught kids to think there would be a revolution in education That premise plus a few years more than a few scandalously unfiltered plays and a whole bunch of wonderful students would create the internationally acclaimed Theatre Ashbury Mr Simpson demanded critical thought intense work and commitment from those kids and what he got was decades of showstopping educational and attention grabbing theatre Not to mention a few stars among his alumni Now Mr Simpson lays out his methodology Theatre as Education By giving his students the artistic freedom to explore difficult subjects the rigor and the skills to depict them authentically and the highest standards to reach with their achievements he taught his students and everyone around them a lot more than how to act
