## **Nasser The Last Arab:**

**Nasser** Said K. Aburish,2004-04-27 Since the death of Egyptian president Gamal Abdel Nasser in 1970 there has been no ideology to capture the imagination of the Arab world except Islamic fundamentalism Any sense of completely secular Arab states ended with him and what we see today happening in the Middle East is a direct result of Western opposition to Nasser's strategies and ideals Nasser is a fascinating figure fraught with dilemmas With the CIA continually trying to undermine him Nasser threw his lot in with the Soviet Union even though he was fervently anti Communist Nasser wanted to build up a military on par with Israel's but didn't want either the 56 or 67 wars This was a man who was a dictator but also a popular leader with an ideology which appealed to most of the Arab people and bound them together While he was alive there was a brief chance of actual Arab unity producing common honest and incorruptible governments throughout the region More than ever the Arab world is anti Western and teetering on disaster and this examination of Nasser's life is tantamount to understanding whether the interests of the West and the Arab world are reconcilable Nasser is a definitive and engaging portrait of a man who stood at the center of this continuing clash in the Middle East

**Nasser** Said K. Aburish,2004-04-27 The definitive biography of the most important Arab leaders of the 20th century [Nasser's Peace](#) Michael Sharnoff,2017-05-23 Gamal Abdel Nasser was arguably one of the most influential Arab leaders in history As President of Egypt from 1956 to 1970 he could have achieved a peace agreement with Israel yet he preferred to maintain his unique leadership role by affirming pan Arab nationalism and championing the liberation of Palestine a common euphemism for the destruction of Israel In that era of Cold War politics Nasser brilliantly played Moscow Washington and the United Nations to maximize his bargaining position and sustain his rule without compromising his core beliefs of Arab unity and solidarity Surprisingly little analysis is found regarding Nasser's public and private perspectives on peace in the weeks and months immediately after the 1967 War Nasser's Peace is a close examination of how a developing country can rival world powers and how fluid the definition of peace can be Drawing on recently declassified primary sources Michael Sharnoff thoroughly inspects Nasser's post war strategy which he claims was a four tiered diplomatic and media effort consisting of his public declarations his private diplomatic consultations the Egyptian media's propaganda machine and Egyptian diplomatic efforts Sharnoff reveals that Nasser manipulated each tier masterfully providing the answers they desired to hear rather than stating the truth that he wished to maintain control of his dictatorship and of his foothold in the Arab world **The 1967**

**Arab-Israeli War** Avi Shlaim,William Roger Louis,2012-02-13 The June 1967 war was a watershed in the history of the modern Middle East In six days the Israelis defeated the Egyptian Syrian and Jordanian armies seizing large portions of their territories Two veteran scholars of the Middle East bring together some of the most knowledgeable experts in their fields to reassess the origins and the legacies of the war Each chapter takes a different perspective from the vantage point of a different participant those that actually took part in the war and also the world powers that played important roles behind

the scenes Their conclusions make for sober reading At the heart of the story was the incompetence of the Egyptian leadership and the rivalry between various Arab players who were deeply suspicious of each other's motives Israel on the other side gained a resounding victory for which despite previous assessments to the contrary there was no master plan

**Nasser's Gamble** Jesse Ferris, 2013 Nasser's Gamble draws on declassified documents from six countries and original material in Arabic German Hebrew and Russian to present a new understanding of Egypt's disastrous five year intervention in Yemen which Egyptian president Gamal Abdel Nasser later referred to as my Vietnam Jesse Ferris argues that Nasser's attempt to export the Egyptian revolution to Yemen played a decisive role in destabilizing Egypt's relations with the Cold War powers tarnishing its image in the Arab world ruining its economy and driving its rulers to instigate the fatal series of missteps that led to war with Israel in 1967 Viewing the Six Day War as an unintended consequence of the Saudi Egyptian struggle over Yemen Ferris demonstrates that the most important Cold War conflict in the Middle East was not the clash between Israel and its neighbors It was the inter Arab struggle between monarchies and republics over power and legitimacy Egypt's defeat in the Arab Cold War set the stage for the rise of Saudi Arabia and political Islam Bold and provocative Nasser's Gamble brings to life a critical phase in the modern history of the Middle East Its compelling analysis of Egypt's fall from power in the 1960s offers new insights into the decline of Arab nationalism exposing the deep historical roots of the Arab Spring of 2011

**Lyndon Johnson and the Postwar Order in the Middle East, 1962-1967** Alexander M.

Shelby, 2021-03-25 This book examines Cold War relations between Egypt and the United States The author argues that Nasser's responses to security and political threats in the Middle East and North Africa conflicted with America's postwar strategy in those regions The author focuses on how the failure of American Egyptian diplomacy endangered the Postwar Petroleum Order and facilitated the outbreak of the Six Day War

**Soldiers, Spies, and Statesmen** Hazem

Kandil, 2014-01-07 One of the most momentous events in the Arab uprisings that swept across the Middle East in 2011 was the overthrow of President Hosni Mubarak As dramatic and sudden as this seemed it was only one further episode in an ongoing power struggle between the three components of Egypt's authoritarian regime the military the security services and the government A detailed study of the interactions within this invidious triangle over six decades of war conspiracy and sociopolitical transformation Soldiers Spies and Statesmen is the first systematic analysis of recent Egyptian history This paperback edition updated to incorporate events in 2013 provides the background necessary to understanding how the military rebranded itself as the defender of democracy and ousted Mubarak's successor Muhammad Morsi Impeccably researched and filled with intrigue Soldiers Spies and Statesmen is an indispensable guide for anyone trying to fathom what this latest development means for Egypt's future

Middle East Conflicts from Ancient Egypt to the 21st Century Spencer C. Tucker, 2019-08-27 With more than 1 100 cross referenced entries covering every aspect of conflict in the Middle East this definitive scholarly reference provides readers with a substantial foundation for understanding contemporary history in the

most volatile region in the world This authoritative and comprehensive encyclopedia covers all the key wars insurgencies and battles that have occurred in the Middle East roughly between 3100 BCE and the early decades of the twenty first century It also discusses the evolution of military technology and the development and transformation of military tactics and strategy from the ancient world to the present In addition to the hundreds of entries on major conflicts military engagements and diplomatic developments the book also features entries on key military political and religious leaders Essays on the major empires and nations of the region are included as are overview essays on the major periods under consideration The book additionally covers such non military subjects as diplomacy national and international politics religion and sectarian conflict cultural phenomena genocide international peacekeeping missions social movements and the rise to prominence of international terrorism The reference entries are augmented by a carefully curated documents volume that offers primary sources on such diverse topics as the Greco Persian Wars the Crusades and the Arab Israeli Wars     *Encyclopedia of the Developing World* Thomas M. Leonard, 2013-10-18 A RUSA 2007 Outstanding Reference Title The Encyclopedia of the Developing World is a comprehensive work on the historical and current status of developing countries Containing more than 750 entries the Encyclopedia encompasses primarily the years since 1945 and defines development broadly addressing not only economics but also civil society and social progress Entries cover the most important theories and measurements of development relate historical events movements and concepts to development both internationally and regionally where applicable examine the contributions of the most important persons and organizations and detail the progress made within geographic regions and by individual countries     *Divided City* Kai Bird, 2010-07-08 Crossing Mandelbaum Gate is a vivid memoir of an American boy growing up in the midst of the Arab Israeli conflict three major wars and three decades of political upheavals in the Middle East Set in Jerusalem 1956 1958 Beirut 1970 Saudi Arabia 1962 1965 Amman and Cairo 1965 1967 Bird s book explains through a blend of memoir and history why the Western experience in the Middle East has been so turbulent Through Bird s Zelig like presence the reader experiences the Suez War of 1956 the June 1967 War and the Black September hijackings of 1970 that led to the Jordanian Civil War Bird s memoir shows how all of these momentous events led to the rise and tragic downfall of a secular Arab nationalist ethos only to be replaced by the rise of a fundamentalist politically reactionary Islamist movement The narrative history tells the stories of such illuminating figures as life long Jerusalem resident George Antonius author of *The Arab Awakening* and his charismatic wife Jordan s King Hussein and his CIA connections the businessman Salem bin Laden Osama s older brother and a family friend Saudi kings Faisal and Khalid President Nasser of Egypt and Leila Khaled the striking young Palestinian radical who hijacked one of the Black September planes The son of a U S Foreign Service officer Kai Bird spent his formative years with the Arabs but he ended up marrying the only daughter of two Holocaust survivors This Shoah survival story becomes a part of Bird s own personal narrative and provides him with a deeper understanding of the historical relationship between the destruction of European

Jewry and the Arab Israeli conflict This extraordinary memoir by a Pulitzer prize winning historian sheds new light on all the wars of the Middle East fought in the name of identity *Oil* Xiaobing Li, Michael Molina, 2014-10-14 Despite ongoing efforts to find alternatives oil is still one of the most critical and valuable commodities on earth This two volume set provides extensive background information on key topics relating to oil profiles countries that are major producers and consumers of oil and examines relevant political issues Aside from air and water oil is perhaps the most valuable natural resource Oil supplies the tremendous energy needs of the modern world What exactly is oil where does it come from how does it get consumed and who is using it This encyclopedia provides clear answers to these questions and more offering students entries on the fundamentals of the oil industry and profiles of the countries that play a major role in oil production and consumption Volume 1 presents topical entries on critical concepts key terms major oil spills and disasters and important organizations and individuals relating to the oil industry Entries define terms such as barrel and reserve cover incidents such as the BP oil spill and explain the significance of organizations such as OPEC The second volume spotlights specific countries that are major producers consumers exporters and importers of oil from the United States to Russia to Saudi Arabia to Venezuela Each profile shows readers the importance of oil in that country through a brief background history data on its oil usage or production information about major trading partners and an explanation of political issues **What Really Went Wrong** Fawaz A. Gerges, 2024-05-28 An ambitious revisionist history of the modern Middle East What Really Went Wrong offers a fresh and incisive assessment of American foreign policy's impact on the history and politics of the modern Middle East Looking at flashpoints in Iranian Egyptian Syrian and Lebanese history Fawaz A Gerges shows how postwar U S leaders made a devil's pact with potentates autocrats and strongmen around the world Washington sought to tame assertive nationalists and to protect repressive Middle Eastern regimes in return for compliance with American hegemonic designs and uninterrupted flows of cheap oil The book takes a counterfactual approach asking readers to consider how the political trajectories of these countries and by extension the entire region may have differed had U S foreign policy privileged the nationalist aspirations of patriotic and independent Middle Eastern leaders and people Gerges argues that rather than focusing on rolling back communism extracting oil and pursuing interventionist and imperial policies in Iran Egypt and beyond postwar U S leaders should have allowed the Middle East greater autonomy in charting its own political and economic development In so doing the contemporary Middle East may have had better prospects for stability prosperity peace and democracy The Political Impact of African Military Leaders Sabella Ogbobode Abidde, Felix Kumah-Abiwu, 2023-06-28 This edited volume examines the cases of four African military leaders who had enormous impact on the continent and beyond These military officers and later heads of state Jerry Rawlings of Ghana Moammar Gaddafi of Libya Thomas Sankara of Burkina Faso and Gamal Abdel Nasser of Egypt were provocative and polarizing figures beloved domestically but mostly viewed with suspicion and hostility by foreign governments This volume studies these leaders as a

group engaging in a critical but systematic examination of their personalities leadership styles official performance legacies and their continuing impact on the future and political destiny of the continent Providing a survey of controversial but important African political figures this volume will be of use to scholars and students in the social sciences especially those interested in African history African studies military science Black studies political science leadership studies and the politics of developing nations

Islamism Tarek Osman,2016-02-23 A political social and cultural battle is currently raging in the Middle East On one side are the Islamists those who believe Islam should be the region s primary identity In opposition are nationalists secularists royal families military establishments and others who view Islamism as a serious threat to national security historical identity and a cohesive society This provocative vitally important work explores the development of the largest most influential Islamic groups in the Middle East over the past century Tarek Osman examines why political Islam managed to win successive elections and how Islamist groups in various nations have responded after ascending to power He dissects the alliances that have formed among Islamist factions and against them addressing the important issues of Islamism s compatibility with modernity with the region s experiences in the twentieth century and its impact on social contracts and minorities He explains what Salafism means its evolution and connections to jihadist groups in the Middle East Osman speculates on what the Islamists prospects for the future will mean for the region and the rest of the world

*The New Cambridge History of Islam: Volume 5, The Islamic World in the Age of Western Dominance* Francis Robinson,2010-11-04 Volume 5 of The New Cambridge History of Islam examines the history of Muslim societies from 1800 to the present Francis Robinson a leading historian of Islam has brought together a team of scholars with a broad range of expertise to explore how Muslims responded to the challenges of Western conquest and domination across the last two hundred years As their articles reveal the social economic political and historical circumstances which influenced these responses have in many different parts of the world empowered Muslim societies and encouraged transformation and religious revival The volume offers a fascinating glimpse into the local dimensions of that revival and how regional connections have been forged Synthesising the academic research of the past thirty years as well as offering substantial guidance for further study this book is the starting point for all those who wish to have a serious understanding of modern Muslim societies

**Personality, Political Leadership, and Decision Making** Jean Krasno,Sean LaPides,2015-07-07 This psychological study dissects the characteristics of 20 world leaders both men and women profiling the factors that formed their personalities and revealing how certain traits have shaped their political decisions Many wonder what it takes to be a leader Is it a natural or learned set of skills This book examines the personalities of a selected group of political leaders analyzes the forces that formed their nature most notably their leadership tendencies and then demonstrates how character has shaped important political decisions made during their regime The authors profile 20 different leaders from across five continents deriving shared personality traits and defining specific leadership styles based on characteristics and circumstances The work begins by

introducing the field of political psychology and explaining the theoretical framework used in studying the leadership personalities covered in the book. An analysis of leadership across the world considers several types of regimes: authoritarian leaders in non-democratic and democratic societies; authoritarian mixed types; flexible and pragmatic types; and those who combine flexibility with delegation. The text concludes by comparing leaders across time and location, discussing interaction between specific heads of state. Leaders profiled include Nelson Mandela, Kofi Annan, Saddam Hussein, Václav Havel, Angela Merkel, and Emperor Hirohito among others.

*The Middle East in 1958* Jeffrey G. Karam, 2020-09-17

The revolutionary year of 1958 epitomizes the height of the social uprisings, military coups, and civil wars that erupted across the Middle East and North Africa in the mid-twentieth century. Amidst waning Anglo-French influence, growing US-USSR rivalry, and competition and alignments between Arab and non-Arab regimes, and domestic struggles, this year was a turning point in the modern history of the Middle East. This multi- and interdisciplinary book explores this pivotal year in its global, regional, and local contexts and from a wide range of linguistic, geographic, and academic specialties. The contributors draw on declassified and multilingual archives, reports, memoirs, and newspapers in thirteen country-specific chapters, shedding new light on topics such as the extent of Anglo-American competition after the Suez War, Turkey's efforts to stand as a key pillar in the regional Cold War, the internationalization of the Algerian War of Independence, and Iran and Saudi Arabia's abilities to weather the revolutionary storm that swept across the region. The book includes a foreword from Salim Yaqub, which highlights the importance of Jeffrey G. Karam's collection to the scholarship on this vital moment in the political history of the modern middle east.

**After Saddam** Dina Badie, 2017-07-25

After Saddam: American Foreign Policy and the Destruction of Secularism in the Middle East investigates the manner in which American foreign policy in Iraq artificially shifted the balance of power in the region and brought religious identities to the foreground. Deposing Saddam Hussein resulted in a new regional order that diminished the strength of secular nationalism, elevated Iran and Saudi Arabia as regional rivals, and by implication established a new ideological paradigm that privileged competing religious factions over secular ideals. The trend first manifested itself in Iraq during the American occupation, with Iranian-backed Shiites fighting Saudi-supported Sunnis. A similar dynamic is evident in current regional wars in Syria and Yemen. By elevating particular groups through rhetorical, financial, and military support, civil conflicts in the Middle East reflect the ideologies behind the Saudi-Iranian rivalry. This book therefore looks beyond popular narratives of intractable, long-standing Sunni-Shia conflict to explain the source of current sectarian tension as a product of balance-of-power dynamics. It also helps to explain the fracturing of the region that created a ripe environment for groups like the Islamic State to capitalize on sectarian grievances. This book relies and builds on balance-of-power theorizing by looking at the way that traditional competition for power between states and nonstate actors shapes ideological competition. For example, during the Cold War, the two major world powers, the U.S. and the Soviet Union, helped to shape international conflicts so that the narrative of capitalism vs. communism played a prominent

role in civil and international conflicts such as in Korea Nicaragua or Angola By meddling in the internal affairs of states arming rebel groups and lending support to competing factions the U S and U S S R shaped not only outcomes but also the ideas underpinning conflicts Today a similar dynamic can be discerned in the Middle East Crusade and Jihad William R. Polk,2018-01-09 Crusade and Jihad is the first book to encompass in one volume the entire history of the catastrophic encounter between the Global North China Russia Europe Britain and America and Muslim societies from Central Asia to West Africa William R Polk draws on more than half a century of experience as a historian policy planner diplomat peace negotiator and businessman to explain the deep hostilities between the Muslim world and the Global North and show how they grew over the centuries Polk shows how Islam arose and spread across North Africa into Europe climaxed in the vibrant and sophisticated caliphate of al Andalus in medieval Spain and was the bright light in a European Dark Age Simultaneously Islam spread from the Middle East into Africa India and Southeast Asia But following the Mongol invasions Islamic civilization entered a decline while Europe began its overseas expansion Portuguese buccaneers dominated the Indian Ocean the Dutch and the English established powerful corporations that turned India and Indonesia into colonies Russian armies pushed down the Volga into Central Asia destroying its city states and the Chinese Qing dynasty slaughtered an entire Central Asian people Britain crushed local industry and drained off wealth throughout its vast colonies Defeated at every turn Muslims tried adopting Western dress organizing Westernstyle armies and embracing Western ideas None of these efforts stopped the conquests For Europe and Russia the nineteenth century was an age of colonial expansion but for the Muslim world it was an age of brutal and humiliating defeat Millions were driven from their homes starved or killed and their culture and religion came under a century long assault In the twentieth century brutalized and disorganized native societies even after winning independence fell victim to post imperial malaise typified by native tyrannies corruption and massive poverty The result was a furious blowback A sobering scrupulous and frank account of imperialism colonialism insurgency and terrorism Crusade and Jihad is history for anyone who wishes to understand the civilizational conflicts of today s world

**Cultural Sociology of the Middle East, Asia, and Africa** Andrea L. Stanton,Edward Ramsamy,Peter J. Seybolt,Carolyn M. Elliott,2012-01-05 In our age of globalization and multiculturalism it has never been more important for Americans to understand and appreciate foreign cultures and how people live love and learn in areas of the world unfamiliar to most U S students and the general public The four volumes in our cultural sociology reference encyclopedia take a step forward in this endeavor by presenting concise information on those regions likely to be most foreign to U S students the Middle East Asia and Africa The intent is to convey what daily life is like for people in these selected regions It is hoped entries within these volumes will aid readers in efforts to understand the importance of cultural sociology to appreciate the effects of cultural forces around the world and to learn the history of countries and cultures within these important regions

## **Nasser The Last Arab** Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the ability of words has be evident than ever. They have the capacity to inspire, provoke, and ignite change. ### **Nasser The Last Arab Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Nasser The Last Arab free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Nasser The Last Arab free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Nasser The Last Arab free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free.

Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Nasser The Last Arab. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Nasser The Last Arab any PDF files. With these platforms, the world of PDF downloads is just a click away.

## FAQs About Nasser The Last Arab Books

1. Where can I buy Nasser The Last Arab books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Nasser The Last Arab book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
