Infamous Murderers Rodney Castleden, 2011-08-05 Infamous murderers their deeds horrifying yet intriguing have always inspired a strange fascination Their crimes repulse us yet the more heinous the act the more we crave information and ultimately we elevate the perpetrator to celebrity status The names of the often random and completely innocent victims are not always so easily recalled Murderers are remembered for many different reasons Some have struck out and killed for revenge some in an uncontrollable jealous rage Others have planned the murder out of greed or with money in mind Some acted out of pure hatred and rage One thing they all have in common they just have the urge to kill

Cold Blooded Murder Malcolm Brown, 2010-11-01 Gripping accounts of some of Australia s worst murder cases and insights into the men and women who committed the crimes Why do some people cross the threshold from rational behaviour to cold blooded murder What could motivate a mother to kill her own children How could a man kill his own pregnant wife and toddler with a spear gun How

could someone kill a political rival and think they could get away with it All these questions and many more are answered in this collection of the most monstrous cases to hit the headlines in Australia in recent times Well known journalist and author Malcolm Brown goes into cases such as the Snowtown murders the killing of Dr Margaret Tobin Maria Korp Melbourne s society murders and the frightful case of Kathleen Folbigg killing her own four young children These are not only gripping accounts of the terrible crimes themselves but they look into what would lead someone to commit them [Case for Three Detectives](#) Leo Bruce,2014-10-01 Possibly the most unusual mystery ever written A murder is committed behind closed doors in bizarre circumstances Three amateur detectives take the case Lord Simon Plimsoll Monsieur Amer Picon and Monsignor Smith in whom discerning readers will note likeness to some familiar literary figures Each arrives at his own brilliant solution startling in its originality ironclad in its logic Meanwhile Sergeant Beef sits contemptuously in the background But says Sergeant Beef I know who done it **The Hide and Seek Murders** Ben Westerham,2019-10-29 Hide and seek may be child s play but murder most certainly is not Summer 1959 When murder comes to the garden party of the Reverend George Sixpence the curmudgeonly Inspector Leslie Dykeman and the irascible Sergeant Stanley Shapes are despatched from Banbury police station to apprehend the killer Arriving at the splendid Victorian vicarage Dykeman and Shapes find a group of suspects riddled with envy bitterness and contempt for one another As the two policemen struggle to uncover meaningful clues and Dykeman finds himself distracted by the arrival of pathologist Dr Sheila Delph the killer stalks their next victim This is one game the two policemen cannot afford to lose but it seems as if the killer is out playing them at every turn and it begins to look like there will be only one winner Get your copy now then find somewhere quiet to curl up and enjoy this tempting new mystery set in the beautiful Oxfordshire countryside The Hide and Seek Murders is the first in a classic murder mystery series set in the Oxfordshire town of Banbury in the early 1960s by British author Ben Westerham If you like classic murder mysteries with a touch of romance and a streak of humour then you ll love these **The Messiah Prophecy Murders** Charles LeRoy Janes,2022-06-29 If Quentin Tarantino and Fyodor Dostoyevsky were to meet on a street in old St Petersburg and agree to collaborate on a story the Messiah Prophecy Murders is the story they would write Deep in war torn Poland in September 1939 a Red Army soldier about to execute a wounded Polish officer is brought to a trembling halt when he recognizes the officer as a boyhood friend s father who had been deeply generous to his own father when he was in desperate need of help to feed his impoverished family With the recollection of the father s acts of kindness the soldier hesitates fires a round harmlessly into the ground and whispers to the officer to lie still so that nearby soldiers who heard the shot will think their comrade did his duty and finished off the enemy officer The consequences of that act of mercy then caromed through time and space and the lives of the combatants and their progeny to land in a courtroom in Newport Rhode Island in a trial for murder in which the Polish officer s son Piotr Zaborski has been framed and betrayed by the soldier s son Nicolay Speshnev both of whom are naturalized U S citizens after having immigrated from Poland in their teens nearly thirty

years earlier In the aftermath of the 9 11 attack on the World Trade Center the posh resort community of Newport was convulsed by the slayings of the stunningly beautiful daughters of three of its ultra wealthy Summer Colony families The features of the murders and the evidence found at each of the crime scenes most notably a handwritten prophecy of Christ s Second Coming strongly suggest that the killer is driven by depraved religious compulsions and obsessions Suspicion falls heavily on Zaborski who years earlier while a novice at a nearby Benedictine monastery was expelled from the monastery for mysterious reasons Since his expulsion he has become a fixture on the streets of Newport known for his often homeless destitute and eccentric existence for his ostentatious and frequent public displays of intense religiosity and aggressive Pro Life advocacy and for his irrepressible habit of endlessly and seemingly aimlessly roaming the streets of Newport at all hours of the day and night dressed in filthy dumpster clothing embellished by an ever present outsized monk s rosary and crucifix draped conspicuously around his neck In the heated nearly hysterical atmosphere of Newport in the weeks after the murders the unsubstantiated accusations and inchoate suspicions directed at Zaborski harden into the conviction that he is the killer when law enforcement leaks to the media the text of the crime scene prophecies and the reports of forensic experts concluding that the prophecies were written in Zaborski s hand With public opinion howling for Zaborski s neck and with the summer tourist season fast approaching the city fathers mount a campaign of their own to pressure law enforcement into arresting Zaborski in the hope that with his arrest Newport will be able to return to its customary celebratory and pleasure seeking ways with crowded sun dappled beaches packed hotels and boisterous bars and restaurants The hope proves illusory however as the murder and mayhem continue even after Zaborski s arrest and incarceration pending trial From his perch as the maitre d of one of Newport s poshest waterfront restaurants the psychopathic but Armani sleek and charismatic Speshnev resumes his bloody siege of Newport which keeps the resort community in the grip of a crippling fear and dread Despite the further acts of violence while Zaborski is incarcerated the state relentlessly pursues its indictment against him Eventually it is only through the tenacious investigative efforts of Zaborski s pro bono but celebrated Boston defense counsel Anthony Caro and Caro s local Newport co counsel and love interest Maura Boyle that the long ago events in Poland are unearthed that lead to the evidence that wins Zaborski s acquittal at trial and to the arrest of Speshnev for the murders
