Two Weddings Farin Powell, 2011-09 Powell's debut novel the story of two couples searching for love and forgiveness begins ironically with two funerals A tale of motherly manipulation in which unanswered prayers on earth mirror the unanswered questions that remain even in heaven Although Powell's depiction of heaven is quirky her book reminds readers to appreciate the piece of Heaven on earth that we all take for granted Kirkus Reviews The writing shines with this author's passion for understanding the ways of the heart and displays a real compassion for the human experience The cast of characters encountered are individually and collectively certainly strong enough to carry the narrative which consistently prompts the reader's interest in wanting to know what will happen next Judge Writer's Digest Self Published book Awards After she dies and arrives in Heaven Catherine discovers that life is still a mystery and full of hidden surprises Catherine a florist in San Francisco and David a doctor from New York City both die of heart attack in the same hospital They soon meet in Heaven and befriend an angel named Oliver who occasionally allows them to observe certain events on earth Catherine is worried about her daughter Sarah a wedding planner who seems to have lost her way Catherine's new friend David has his own concerns about his son Dan who's going through a complicated divorce in New York City Catherine and David convince Oliver to arrange for their children to meet After two failed attempts Oliver finally succeeds and Sarah and Dan fall in love but their road to happiness holds many obstacles yet A secret revealed to Catherine shatters her new world in Heaven Only time will reveal whether there will be a happy ending for Catherine and Sarah
