Nathan Soderblom Peter Katz,2019-04-29 The nations of Scandinavia the descendants of the Vikings still from time to time send out world conquerors of an increasingly spiritualized type For centuries the name of Gustavus Adolphus the saviour of continental Protestantism has stood out and we must go back to him to find the proper standards of comparison for a figure like Nathan S derblom himself a real defender of the faith His great name stands for a great cause Already the ranks of his champions begin to grow thinner but there are still many at work who received a decisive impulse from him for them the saga of Nathan S derblom inspiring their loftiest thoughts and achievements is no story of the past So the following pages will be neither hagiography nor a monograph for experts but directed to the wider circle of those for whom the struggle for

church reunion social peace and international good will forms an important part of their spiritual life From the Preface
