Nathan Clifford Democrat Philip Greely Clifford, 2015-07-13 Excerpt from Nathan Clifford Democrat 1803 1881 In presenting to the public the story of the life of Nathan Clifford the author is embarking on a sea which is to him strange and uncharted There have been many hidden rocks great stretches of unknown shoals and numberless cross as well as counter currents He is well aware that not all these dangers have been successfully avoided However the book be considered the effort has been made conscientiously faulty though it may be to make a partial payment for the privilege of bearing a surname honored among men years before the present writer was born Therefore it is to be hoped that the seriousness of purpose may be considered in mitigation of the judgment of the work There has also been felt a desire to present properly to readers the story of one who belonged to what is now almost universally admitted to have been the wrong side of a great controversy We are too apt to forget in the light of victory to investigate into the shadows of defeat The glory of success oftentimes magnifies all those within its rays at the same time minimizing everything outside and beyond The winning party is incorrectly considered all good while its opponents are erroneously held to be the absolute opposite Therefore it is not unwise to look occasionally into the life of one who was not within the circle of the blessed About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
