Plante, 2016-03-22 The early 1940s weren't easy years for America or the world at large Jacob was just a young boy in New Hampshire when World War II broke out His father was sent away to fight faceless monsters while Jacob and his remaining family moved in with his grandparents It was easy living with his grandparents despite his mother's worry that something might happen to Jacob's father One day though Jacob's father came home The family moved into their own home and just like the rest of America had to adjust to war caused austerity It wasn't easy for young Jacob He discovered that although he occasionally brought out the best in people he was more likely to bring out the worst All he wanted was his freedom freedom to ride his bike get a job shoveling snow and even build a boat for his father despite his father's misgivings Kids Don't Build Boats follows young Jacob from a precocious child to a troubled teen The church was always in the background as Christ loved Jacob despite his misbehavior Jacob was lucky to have an everlasting friend through his tumultuous times and like Noah with the ark Jacob found a purpose and eventual peace *Cold Heart* Lynda La Plante, 2010-11-01 Movie mogul Harry Nathan's lonely death in a Beverly Hills swimming pool is the beginning of a trail of lust and conspiracy leading to the darkest corners of the international art world Private investigator Lorraine Page faces her toughest fight ever as she takes on the case for fading starlet Cindy Nathan Harry's third wife Lorraine believes the grieving widow's story Unlike her ex-colleagues in the police department who have already charged Cindy with murder Lynda La Plante's *Widows* is now a major motion picture Weekend Encounters Trace Snow, 2014-05 This is the second installment in the romantic suspense trilogy of the continuing tale of romantic introductions that began with *Weekend Attractions* The story continues with new strangers meeting and discovering one another but brings back some old friends from the first installment as it once again sweeps you on a light hearted journey of passion

mixed with a measure of fear as you become lost in the dream that takes place during a weekend of encounters With the weekend approaching Mindy Mansfield found herself in an unexpected predicament Her compunction for spontaneity would leave her regretful now as she stood alone on the adrift skyscraper drinking champagne from a mug She didn't care what vessel the numbing fluid was distributed from just that it was indeed delivered Meeting a handsome mysterious stranger during her spur of the moment cruise was unexpected Lance Pritchett was the last person that she needed during her time of remorse but he relentlessly pursued her His smug southern charm was no match for her quick sultry wit Taking Mindy for granted would be Lance's first mistake His second would prove to be more costly and challenge his ability to win her over Mindy's friend Jamie Lynn Mesner would be a crucial deciding factor as to the direction their paths would take
