Anaedozie, 2021-03-09 In *Africans at Home and in the United States* One People One Problem One Destiny Emeka C Anaedozie examines Pan African cultural and intellectual history focusing on sociocultural commonalities and challenges facing African people To this end Dr Anaedozie argues that since oppression divided Africans Pan Africanism is the natural antidote to the subjugation that forcefully separated enslaved and colonized Africans      **Building the American Republic** Harry L. Watson, 2018 Tells the story of United States beginning with the earliest Americans and the arrival of strangers on the eastern shore then moving through colonial society to the fight for independence and the construction of a federal republic From there it explains the renegotiations and refinements that took place as a new nation found its footing and it traces the actions that eventually rippled into the Civil War This volume goes beyond famous names and battles to incorporate politics economics science arts and culture And it shows that issues that resonate today immigration race labor gender roles and the power of technology have been part of the American fabric since the very beginning Adapted from publisher description      *Appalachians All* Mark T. Banker, 2011-02-01 A singular achievement Mark Banker reveals an almost paradoxical Appalachia that trumps all the stereotypes Interweaving his family history with the region s latest scholarship Banker uncovers deep psychological and economic interconnections between East Tennessee s three Appalachias its tourist laden Smokies its urbanized Valley and its strip mined Plateau Paul Salstrom author of *Appalachia s Path to Dependency* Banker weaves a story of Appalachia that is at once a national and regional history a

family saga and a personal odyssey This book reads like a conversation with a good friend who is well read and well informed thoughtful wise and passionate about his subject He brings new insights to those who know the region well but more importantly he will introduce the region s complexities to a wider audience Jean Haskell coeditor Encyclopedia of Appalachia Appalachians All intertwines the histories of three communities Knoxville with its urban life Cades Cove with its farming logging and tourism legacies and the Clearfork Valley with its coal production to tell a larger story of East Tennessee and its inhabitants Combining a perceptive account of how industrialization shaped developments in these communities since the Civil War with a heartfelt reflection on Appalachian identity Mark Banker provides a significant new regional history with implications that extend well beyond East Tennessee s boundaries Writing with the keen eye of a native son who left the area only to return years later Banker uses elements of his own autobiography to underscore the ways in which East Tennesseans particularly successful urban dwellers often distance themselves from an Appalachian identity This understandable albeit regrettable response Banker suggests diminishes and demeans both the individual and region making stereotypically Appalachian conditions self perpetuating Whether exploring grassroots activism in the Clearfork Valley the agrarian traditions and subsequent displacement of Cades Cove residents or Knoxville efforts to promote trade tourism and industry Banker s detailed historical excursions reveal not only a profound richness and complexity in the East Tennessee experience but also a profound interconnectedness Synthesizing the extensive research and revisionist interpretations of Appalachia that have emerged over the last thirty years Banker offers a new lens for constructively viewing East Tennessee and its past He challenges readers to reconsider ideas that have long diminished the region and to re imagine Appalachia And ultimately while Appalachians All speaks most directly to East Tennesseans and other Appalachian residents it also carries important lessons for any reader seeking to understand the crucial connections between history self and place Mark T Banker a history teacher at Webb School of Knoxville resides on the farm where he was raised in nearby Roane County He earned his PhD at the University of New Mexico and is the author of Presbyterian Missions and Cultural Interaction in the Far Southwest 1850 1950 His articles have appeared in the Journal of Presbyterian History Journal of the West OAH Magazine of History and Appalachian Journal
