Manning, Elizabeth E. Perry, 2024-12-11 As the popularity of the national parks grows, so do the challenges of visiting and managing them. This innovative book uses crowdsourcing postings by park visitors on a range of social media sites to start 100 conversations on issues associated with visiting and managing the national parks. The authors then use their experience and expertise to prepare short, plainspoken and engaging essays that respond to the postings and complete the conversations. The book is written for park visitors, managers and students. This inventive, thoughtful and inviting book addresses a wide range of national park-related issues, guides readers on how to more effectively plan and conduct their national park visits, informs park planners and managers about what visitors think about the parks, introduces the latest scientific and professional information on park management, helps prepare students for careers in park management and enhances public appreciation and protection of the national parks.
