The Oxford Handbook of Ecocriticism Greg Garrard,2014-07-03 The Oxford Handbook of Ecocriticism provides a broad survey of the longstanding relationship between literature and the environment The moment for such an offering is opportune in many respects multiple environmental crises are increasingly inescapable at both transnational and local levels the role of the humanities in addition to technology and politics is increasingly recognized as central for exploring and finding solutions and the subject of ecocriticism has reached a kind of critical mass both within its Anglo American heartlands and beyond From its origins in the study of American Nature

Writing and British Romanticism ecocriticism has developed along numerous theoretical historical cultural and geographical axes the most contemporary and exciting of which will be represented in the Handbook The contributors include eminent founders of the field including Michael Branch and Richard Kerridge a number of key second wave ecocritics and the best up and coming scholars Topics covered include Renaissance anxieties about nature the challenges of representing climate change the racialization of the environment in the early 20th century language and the concept of biosemiotics and the possibilities for environmental humour The Gospel of Judas in Context Maddalena Scopello,2008-01-01 The papers gathered in this book were presented at the First International Conference held in Paris University of Sorbonne October 27th 28th 2006 devoted to the newly discovered Gospel of Judas preserved in the 4th century Coptic Codex Tchacos These essays explore several crucial literary historical and doctrinal issues related to this gospel composed in the second half of the 2nd century This unexpected discovery sheds a new light on the role attributed to Judas by some Gnostic Christian movements A hotly debated question is precisely the significance of Judas in this gospel hero or villain Special attention is given to the sources Greek Jewish Christian and even Iranian used by the unknown author This book will be of special interest for historians of late Antiquity religions and scholars in New Testament studies Gnosticism and Coptic literature
