great injustices of American history The civilian fighters of the Merchant Marine performed feats of extraordinary bravery
during World War II they were the lifeline of the entire Allied war effort delivering troops materiel food fuel and every
essential needed for victory over the Axis In doing so the Merchant Marine suffered losses so high that the casualty rates
were kept secret At war s end the men and women of every other service branch were honored by parades and given medical
and educational benefits but the members of the Merchant Marine who were so vital to our victory have received neither the

benefits nor the recognition they deserved Herbert is part of a growing movement across the United States to right the wrong The Forgotten Heroes is a history of these unsung heroes and a plea for justice **The Army Lawyer** ,
