National Parks And The Womens Voice A History:

National Parks and the Woman's Voice Polly Welts Kaufman, 2006 In this updated study Polly Kaufman discovers that staff are no longer able to fulfill the National Park Service mission without outside support **CRM**, 1997 The Routledge Companion to Gender and the American West Susan Bernardin, 2022-06-19 This is the first major collection to remap the American West through the intersectional lens of gender and sexuality especially in relation to race and Indigeneity Organized through several interrelated key concepts The Routledge Companion to Gender and the American West addresses gender and sexuality from and across diverse and divergent methodologies Comprising 34 chapters by a team of international contributors the Companion is divided into four parts Genealogies Bodies Movements Lands The volume features leading and newer scholars whose essays connect interdisciplinary fields including Indigenous Studies Latinx and Asian American Studies Western American Studies and Queer Feminist and Gender Studies Through innovative methodologies and reclaimed archives of knowledge contributors model fresh frameworks for thinking about relations of power and place gender and genre settler colonization and decolonial resistance Even as they reckon with the ongoing gendered and racialized violence at the core of the American West contributors forge new lexicons for imagining alternative Western futures This pathbreaking collection will be invaluable to scholars and students studying the origins myths histories and legacies of the American West This is a foundational collection that will become invaluable to scholars and students across a range of disciplines including Gender and Sexuality Studies Literary Studies Indigenous Studies and Latinx Studies *Extraordinary Women Conservationists of Washington* Dee Arntz, 2015-01-12 Courageous women are to thank for many of Washington's environmental conservation successes Bonnie Phillips Melanie Rowland and Helen Engle battled harmful timber cutting Polly Dyer and Emily Haig worked to expand Olympic National Park and organized efforts to establish North Cascades National Park Women helped create the Washington Environmental Council and Washington Conservation Voters As a state representative Jolene Unsoeld led the fight against Boeing and other major corporations to pass the state Model Toxics Control Act Author and Washington conservationist Dee Arntz recounts these important stories and many others showing that the legacy of Washington's female conservationists is nothing short of extraordinary *Women Writers of the American West, 1833-1927* Nina Baym, 2012-08-17 This book recovers the names and works of women who wrote about the American West during the nineteenth and early twentieth centuries some of them long forgotten and others better known such as Willa Cather and Mary Austin Holley It reveals how the authors showed women making lives for themselves in the West how they represented the diverse region and how they represented themselves **The Rise of the American Conservation Movement** Dorceta E. Taylor, 2016-08-04 In this sweeping social history Dorceta E Taylor examines the emergence and rise of the multifaceted U S conservation movement from the mid nineteenth to the early twentieth century She shows how race class and gender influenced every aspect of the movement including the establishment of parks campaigns to protect wild

game birds and fish forest conservation outdoor recreation and the movement's links to nineteenth century ideologies Initially led by white urban elites whose early efforts discriminated against the lower class and were often tied up with slavery and the appropriation of Native lands the movement benefited from contributions to policy making knowledge about the environment and activism by the poor and working class people of color women and Native Americans Far ranging and nuanced The Rise of the American Conservation Movement comprehensively documents the movement's competing motivations conflicts problematic practices and achievements in new ways

Women in Wonderland Elizabeth A Watry, 2023-08-03 Betsy Watry tells the tales of a dozen women some of whom had short lived adventures in Yellowstone National Park but most of whom spent decades as rangers scientists interpreters and entrepreneurs shaping the Park's physical and cultural landscape This is a wonderful hidden history full of surprising stories grounded in intensive research and written with charm Dr Mary Murphy historian and author of *Hope in Hard Times* For so long Yellowstone National Park has needed a book about the women who stood and today stand tall in its history At long last Elizabeth Watry has produced it Women across the nation should celebrate this book for its noteworthy contribution to women's history as we professional historians do Lee Whittlesey Park Historian National Park Service Yellowstone National Park To read about Yellowstone National Park too often means viewing it through the eyes and exploits of men By sharing the experiences and contributions of women who visited lived and worked in Yellowstone Elizabeth Watry places women front and center in the Park's wondrous history *Women in Wonderland* is sure to become a treasured resource Diane Smith author of *Letters from Yellowstone*

The American West Robert V. Hine, John Mack Faragher, 2000-01-01 Two historians Robert V Hine and John Mack Faragher present the American West as both frontier and region real and imagined old and new and they show how men and women of all ethnic groups were affected when different cultures met and clashed Their concise and engaging survey of frontier history traces the story from the first Columbian contacts between Indians and Europeans to the multicultural encounters of the modern Southwest Profusely illustrated with contemporary drawings posters and photographs and written in lively and accessible prose the book not only presents a panoramic view of historical events and characters but also provides fascinating details about such topics as western landscapes environmental movements literature visual arts and film

Historical Dictionary of Women's Education in the United States Linda Eisenmann, 1998-07-17 The history of women's education in the United States presents a continuous effort to move from the periphery to the mainstream and this book examines both formal and informal opportunities for girls and women Through an introductory essay and nearly 250 alphabetically arranged entries this reference book examines institutions persons ideas events and movements in the history of women's education in the United States The volume spans the colonial era to the present exploring settings from formal institutions such as schools and colleges to informal associations such as suffrage groups and reform organizations where women gained skills and used knowledge A full picture of women's educational history presents their

work in mainstream institutions sex segregated schools and informal organizations that served as alternative educational settings Educational history varies greatly for women of different races classes and ethnicities The experience of some groups has been well documented Thus entries on the Seven Sisters women s colleges and the reform organizations of the Progressive Era convey wide historical detail Other women have been studied only recently Thus entries on African American school founders or women teachers present considerable new information that scholars interpret against a wider context Finally some women s history has yet to be adequately explored Hispanic American women and Catholic teaching sisters are discussed in entries that highlight historical questions still remaining Each entry is written by an expert contributor and concludes with a brief bibliography The volume closes with a timeline of women s educational history and a list of important general works for further reading
