Aron,2005-11-07 This work is an engaging exploration of the process of historical research following historians as they search for solutions to the greatest mysteries of all time Award winning author Paul Aron takes readers on a journey through great historical mysteries through the ages Entertaining in themselves the stories also show that history is not merely living but lively The reader who comes to the book thinking history is boring will leave with a changed outlook with regard to both the subject matter and the process of writing history Each chapter is a carefully and thoroughly researched presentation not

of popularized accounts but of valid historical scholarship Chronologically arranged the essays show the historical process in action For each disputed historical point theories arise become standard wisdom and then are revised as additional information becomes available This book reveals the mechanics of that process including spirited debate swashbuckling archaeology and the application of modern science to ancient questions

The Origin of the First Man and the Mysteries of History Agatino Mezzatesta,2024-12-19 The modern age has generated a huge number of different opinions creating great wealth of ideas but also great confusion and uncertainty It becomes more and more difficult to discover the truth in a sea of possibilities For example there is still a clear contrast between the claims of science now supported by molecular biology and genetics and those of theology which currently accepts also theistic evolutionary theory in human development The aim of this essay is to seek truth from man's origin in an attempt to recognize the Spirit of Truth amid the chaos caused today by a continuous proliferation of groundless information To do this it is necessary to understand the historical philosophical and as much as possible also scientific context of the specific civilizations of the period being examined in order to give the right value to certain events especially if of a spiritual nature On the other hand it will be important not to insist yet on what some modern historians now call the history of short duration that which has prevailed until now made of battles dates wars and events that have had little importance in the long time also putting above all their own nation always at the center of events This is the history of successive civilizations with its moments of splendor and decline it is in the name of the authenticity of events therefore that although Science and Faith have at their base different motivations and methods of investigation both must contribute to the search for truth hoping for a reconciliation that allows us to reconstruct better and better not only the true history of humanity but also a meditated gospel and incarnate in the modern world

A Visual History of the World's Enduring Mysteries Joan Soriano Campos,2016-12-15 This intriguing book will fascinate any young reader with some of the most mysterious occurrences in history The book looks at the enigmas of antiquity those of the modern era and lost civilizations It then investigates further into mysteries such as the quest for the Holy Grail the sacred shroud the myth of King Arthur the case of Jack the Ripper the legend of El Dorado and CIA secret operations to name a few With graphical timelines and stunning illustrations readers will be captivated by this unique view into history

History's Greatest Mysteries Bill Price,2017-01-29 History's Greatest Mysteries delves into the grey areas to examine the imponderable and sometimes unlikely stories of actual events and real people From the gruesome murders committed by Jack the Ripper to the whereabouts of Lord Lucan and from the loss of an entire continent to the case of a missing racehorse we take a canter through history in an effort to shed a little light on to questions which in all honesty are never going to yield definitive answers Some of the stories related in the following pages are deadly serious some rather less so There are cases of determined individuals who have struggled against the odds in an attempt to unravel the truth while in others people have not let the facts get in the way and have made up any old nonsense by way of an explanation

Teaching World History as Mystery Jack Zevin, David Gerwin, 2010-12-07 Offering a philosophy methodology and examples for history instruction that are active imaginative and provocative this text presents a fully developed pedagogy based on problem solving methods that promote reasoning and judgment and restore a sense of imagination and participation to classroom learning It is designed to draw readers into the detective process that characterizes the work of professional historians and social scientists sharing raw data defining terms building interpretations and testing competing theories An inquiry framework drives both the pedagogy and the choice of historical materials with selections favoring the unsolved controversial and fragmented rather than the neatly wrapped up analysis of past events Teaching World History as Mystery Provides a balanced combination of interestingly arranged historical content and clearly explained instructional strategies Features case studies of commonly and not so commonly taught topics within a typical world global history curriculum using combinations of primary and secondary documents Discusses ways of dealing with ethical and moral issues in world history classrooms drawing students into persisting questions of historical truth bias and judgment

The Lost History of the Little People Susan B. Martinez, 2013-03-25 Reveals an ancient race of Little People the catalyst for the emergence of the first known civilizations Traces the common roots of key words and holy symbols including the scarlet biretta of Catholic cardinals back to the Little People Explains how the mounds of North America and Ireland were not burial sites but the homes of the Little People Includes the Tuatha De Danaan the

Hindu Sri Vede the dwarf gods of Mexico and Peru the Menehune of Hawaii the Nunnehi of the Cherokee as well as African Pygmies and the Semang of Malaysia All cultures have stories of the First People the Old Ones our prehistoric forebears who survived the Great Flood and initiated the first sacred traditions From the squat gods of Mexico and Peru to the fairy kingdom of Europe to the blond pygmies of Madagascar on every continent of the world they are remembered as masters of stone carving agriculture navigation writing and shamanic healing and as a hobbit people no taller than 31 2 feet in height yet perfectly proportioned Linking the high civilizations of the Pleistocene to the Golden Age of the Great Little People Susan Martinez reveals how this lost race was forced from their original home on the continent of Pan known in myth as Mu or Lemuria during the Great Flood of global legend Following the mother language of Pan Martinez uncovers the original unity of humankind in the common roots of key words and holy symbols including the scarlet biretta of Catholic cardinals and shows how the Small Sacred Workers influenced the primitive tribes that they encountered in the post flood diaspora leading to the rise of civilization Examining the North American mound culture sites including the diminutive adult remains found there she explains that these stately mounds were not burial sites but the sanctuaries and homes of the Little People Drawing on the intriguing worldwide evidence of pygmy tunnels dwarf villages elf arrows and tiny coffins Martinez reveals the Little People as the real missing link of prehistory later sanctified and remembered as gods rather than the mortals they were

Alternative Christianities Volume I Vince Nicola, 2014-02-17 Alternative Christianities is a series of books articles and lectures This is only Volume I which introduces the many ancient Christian sects that were ostracized and had their Sacred Scriptures what they were taught by one Jesus direct Disciples not only left out of the New Testament but also suppressed banned and destroyed in the early centuries of Christianity by the emerging universal catholic Christian Church Vince Nicolas is a historian not a theologian Vince is a teacher not a preacher Vince extensively researched this subject from the works of the best university religious studies professors in the United States Additionally in compiling his treatise Vince learned how the New Testament besides more Sacred Scriptures were consciously being left out than included many of the texts that were included had been repeatedly changed either accidentally or intentionally to suit the emerging Christian church and their preferred Christian teachings then to accommodate the numerous and compounded Protestant Reformations Consequently today there is not ONE Christian Bible or ONE Christian religion but dozens of versions of the Christian Bible and thousands of iterations of Christian religions denominations sects and cults Christianity is a hodgepodge disaster as viewed by outsiders A 20th century discovery of these discarded ancient texts brought them back to light More amazing are the differences from the traditional Christianity being taught and followed today This made many of today's Biblical scholars theologians and university professors question whether we all have been led down the wrong Christian path for the past 2 000 years In fact these ancient discarded Alternative Christianities even make more sense in today's world and brings Christianity back to being a religion of Good News Maybe these recent discoveries were a Divine intervention to

adjust Christianity back onto its right path the real path that was intended by Jesus Christ Maybe people now can have a fresh and refreshing new look at Christianity Volume I is guaranteed to pique your interest get you hooked and make you want to go more in depth in Volumes II and III This treatise is not only very enlightening and educational for Christians but also for our intertwined Abrahamic descendant Judaism and Islam relatives This is an ecumenical book it is not meant to convert anyone promote any religion or disseminate anyones beliefs This series is a MUST READ for any serious theology or religious studies student to have a complete comprehension of the Bible and Christianity especially if they are going to teach or preach it intelligently and correctly or just for your own education WARNING This series will ruffle many feathers among the ultra conservative and closed minded communities and promises to be very controversial GET YOUR CORRECT FACTS HERE
