immediately follows the Translation of the Church The onslaught of the Antichrist brings them to Petra the Rose Red City in the Middle East where they witness the Remnant of Israel gathered again after 2 500 years They come face to face with the Messiah in the wilderness before becoming a part of the Lords Army in the battle for Jerusalem Gods Judgements begin to fall the very earth is in travail The information from the Prophets and Jesus becomes a living reality at this time as it was in the days of old      *Kings David and Solomon: Chronological, Historical and Archaeological Evidence* Gerard Gertoux,2015 The David and Solomon s kingdoms are no longer considered as historical by minimalist archaeologists According to Finkelstein and Silberman for example authors of *The Bible Unearthed Archaeology s New Vision of Ancient Israel and the Origin of Its Sacred Texts* at the time of the kingdoms of David and Solomon Jerusalem was populated by only a few hundred residents or less Some Biblical minimalists like Thompson go further arguing that Jerusalem became a city and capable of being a state capital only in the mid seventh century Likewise Finkelstein and others consider the claimed size of Solomon s temple implausible A review of methods and arguments used by these minimalists shows that they are impostors for writing history The historical testimonies dated by a chronology anchored on absolute dates backbone of history are replaced by archaeological remains dated by carbon 14 backbone of modern myths The goal of these unfounded claims is clearly the charring of biblical accounts      I Ll Be Here Waiting Lemuel,2016-05-24 Sunny is a baby boomer born in the leap year of 1948 Israel has once again become a nation after 2 500 years The story chronologically encompasses his world travels with news events music religion and the morality of the times He begins a revealing religious experience This story speaks of his convictions right to the end of his life where he is thrust into an amazing discovery This creative endeavour includes words to songs and poems that were written during his adventure of a lifetime It is a trip that you will take in the privacy of your own mind Sunnys trip ends in THE LAST GENERATION      **80 Old Testament Characters of World History: Chronological, Historical and Archaeological Evidence** Gerard Gertoux,2016-02-27 Despite the fact that the name of many characters mentioned in the Old Testament like David King of Israel have been recently confirmed by archaeology as well as their epoch and the events in which they were involved most archaeologists continue to deny the historicity of the Bible they view as pious fiction or a mythical account They argue that the major events in the Bible such as the victory of Abraham against Chedorlaomer an unknown king of Elam around 2000 BCE the victory of Moses against an unknown Pharaoh around 1500 BCE or the victory of Esther an unknown Persian Queen against an unknown vizier of Xerxes never existed because they left absolutely no evidence They also explain that according to what we know today these events could not have occurred These logical arguments are impressive but a precise chronological analysis based on absolute dates coupled with a rigorous historical investigation shows that all those major events really took place at the dates and places indicated      **Doing What Historians Do: Reading, Researching, and Writing History** John Marshall Carter,2009-06-06 This book is for teachers of history and social studies in grades 6 12 It would also be useful on a college or university reading list for social studies
