An Offer We Can't Refuse George De Stefano, 2007-01-23 A provocative and entertaining look at the mafia the media and the un making of Italian Americans As evidenced in countless films novels and television portrayals the Mafia has maintained an enduring hold on the American cultural imagination even as it continues to wrongly color our real life perception of Italian Americans In An Offer We Can't Refuse George De Stefano takes a close look at the origins and prevalence of the Mafia mythos in America Beginning with a consideration of Italian emigration in the early twentieth century and the fear and prejudice among both Americans and Italians that informed our earliest conception of what was at the time the largest immigrant group to enter the United States De Stefano explores how these impressions laid the groundwork for the images so familiar to us today and uses them to illuminate and explore the variety and allure of Mafia stories from Coppola's romanticized paeans to Scorsese's bloody realism to the bourgeois world of David Chase's Sopranos while discussing the cultural richness often contained in these works De Stefano addresses the lingering power of the goodfella cliché and the lamentable extent to which it is embedded in our consciousness making it all but impossible to green light a project about the Italian American experience not set in gangland Invites Italian Americans of all backgrounds to the family table to discuss how mob related movies and television shows have affected the very notion of what their heritage still means in the 21st century Allen Barra *The New York Sun* Encyclopedia of Television Film Directors Jerry Roberts, 2009-06-05 From live productions of the 1950s like *Requiem for a Heavyweight* to big budget mini series like *Band of Brothers* long form television programs have been helmed by some of the most creative and accomplished names in directing *Encyclopedia of Television Film Directors* brings attention to the directors of these productions citing every director of stand alone long form television programs made for TV movies movie length pilots mini series and feature length anthology programs as well as drama comedy and musical specials of more than 60 minutes Each of the nearly 2 000 entries provides a brief career sketch of the director his or her notable works awards and a filmography Many entries also provide brief discussions of key shows movies and other productions Appendixes include Emmy Awards DGA Awards and other accolades as well as a list of anthology programs A much needed reference that celebrates these often neglected artists *Encyclopedia of Television Film Directors* is an indispensable resource for anyone interested in the history of the medium **Television Western Players, 1960-1975** Everett Aaker, 2017-05-16 This biographical encyclopedia covers every actor and actress who had a regular role in a Western series on American television from 1960 through 1975 with analyses of key players The entries provide birth and death dates family information and accounts of each player's career with a cross referenced videography An appendix gives details about all Western series network or syndicated 1960-1975 The book is fully indexed This Is a Book About the Kids in the Hall Semley, John, 2016-10-11 The first book to explore their history legacy and influence This is a book about the Kids in the Hall the legendary Canadian sketch comedy troupe formed in Toronto in 1984 and best known for the innovative hilarious
