

1. The diagram below shows information about wiretap authorisations between 1997 and 2007.

The given bar chart compares and contrasts data on the changes of the government's permission for cellular signal connection at national and federal levels over a 11-year period from 1997 to 2007.

At the first glance, it is clear that the number of wiretap authorisations at national level was consistently higher than at state level. In addition, there was a considerable increase in the gap between the two levels, especially between the beginning and the end of the period shown.

2. The diagram below gives the results of a survey showing the distribution of foreign ladies' wear bought in New York in 2007.

The given pie chart compares and contrasts data on the difference in the number of female consumers from different countries spending on fashion in New York by the year 2007.

At the first glance, it is clear that women from Shanghai and Guangdong accounted for the majority of the whole distribution with exactly the same percentage.

The Crypto Controversy:A Key Conflict in the Information Society Bert-Jaap Koops,1999-01-01 Cryptography is essential for information security and electronic commerce yet it can also be abused by criminals to thwart police wiretaps and computer searches How should governments address this conflict of interests Will they require people to deposit crypto keys with a trusted agent Will governments outlaw cryptography that does not provide for law enforcement access This is not

yet another study of the crypto controversy to conclude that this or that interest is paramount This is not a study commissioned by a government nor is it a report that campaigns on the electronic frontier The Crypto Controversy is neither a cryptography handbook nor a book drenched in legal jargon The Crypto Controversy pays attention to the reasoning of both privacy activists and law enforcement agencies to the particulars of technology as well as of law to solutions offered both by cryptographers and by governments Koops proposes a method to balance the conflicting interests and applies this to the Dutch situation explaining both technical and legal issues for anyone interested in the subject Sourcebook of Criminal Justice Statistics ,1996 **Congressional Record** United States.
