Modernism and imperialism Fredric Jameson Yeats and decolonization Edward W Said *Nationalism, Colonialism, and Literature*, 1988 In three elegant and important essays originally published as pamphlets by Field Day Theatre Company Terry Eagleton analyzes nationalism identifying the radical contradictions that necessarily beset it Fredric Jameson pursues the contradiction between the limited experience of the individual and the dispersed conditions that govern it and Edward Said explores the work of Yeats as an exemplary and early instance of the process of decolonization The introduction is by Seamus Deane Paper edition 1863 1 9 95 Annotation copyrighted by Book News Inc Portland OR Nationalism, Colonialism and Literature Terry Eagleton, Fredric Jameson, Edward W. Booth, Nigel Rigby, 2000-06-10 This is the first book to explore the fascinating relationship between literary Modernism and Empire The book seeks to begin the task of exploring in a sustained way the relations between the artistic movement and colonialism The essays range over subjects and figures such as Ireland Africa Joyce Pound Townsend Warner Lawrence and Forster Kipling Woolf and Jean Rhys Irish Literature Mary Ketsin, 2004 Irish literature's roots have been traced to the 7th 9th century This is a rich and hardy literature starting with descriptions of the brave deeds of kings saints and other heroes These were followed by generous veins of religious historical genealogical scientific and other works The development of prose poetry and drama raced along with the times Modern well known Irish writers include William Yeats James Joyce Sean Casey George Bernard Shaw Oscar Wilde John Synge and Samuel Beckett The Poetry of Eavan Boland Pilar Villar-Argaiz, 2008 Pilar Villar Arg iz's sustained meticulous and exacting study of Eavan Boland opens up and articulates in a fresh way the key dimensions of her poetry It succeeds not only in tracking the far reaching ramifications of Eavan Boland's politicized aesthetic as a postcolonial writer but in urging us to revisit the crystalline and precisely etched poems of one of the most significant artists in contemporary Irish culture Professor Anne Fogarty University College Dublin from the Introduction This monograph is an original and important contribution to the growing body of critical studies devoted to one of Ireland's major living poets Eavan Boland see Haberstroh 1996 Hagen Zelman 2005 It details the controversies that were prompted by the inclusion of Ireland in a postcolonial framework and then tests the application of an array of cogent theories and concepts to Boland's work In an attempt to explore the richness and complexity of her poetry Villar Arg iz discusses the contradictory pulls in her desire to surpass and yet at the same time epitomize Irish nationality Boland's remarkable achievement as a poet lies in her ability to stretch by constant negotiations and re appropriations the borderlines of inherited definitions of nationality and femininity Chapters include Re examining the postcolonial Gender and Irish studies Towards an

concerns are the legacies of Goethe's idea variable understandings of the term literature itself cross cultural encounters the nature of small literatures and the cultural politics of literary genres With contributions from many of the leading voices in the field *Debating World Literature* seeks to transcend the pieties and simplifications of polemic in a search for the complexity embodied in the linking of the two terms world and literature

Ireland and the British Empire Kevin Kenny, 2004-05-27 Modern Irish history was determined by the rise expansion and decline of the British Empire And British imperial history from the age of Atlantic expansion to the age of decolonization was moulded in part by Irish experience But the nature of Ireland's position in the Empire has always been a matter of contentious dispute Was Ireland a sister kingdom and equal partner in a larger British state Or was it because of its proximity and strategic importance the Empire's most subjugated colony Contemporaries disagreed strongly on these questions and historians continue to do so Questions of this sort can only be answered historically Ireland's relationship with Britain and the Empire developed and changed over time as did the Empire itself This book offers the first comprehensive history of the subject from the early modern era through the contemporary period The contributors seek to specify the nature of Ireland's entanglement with empire over time from the conquest and colonization of the sixteenth and seventeenth centuries through the consolidation of Ascendancy rule in the eighteenth the Act of Union in the period 1801-1921 the emergence of an Irish Free State and Republic and eventual withdrawal from the British Commonwealth in 1948 They also consider the participation of Irish people in the Empire overseas as soldiers administrators merchants migrants and missionaries the influence of Irish social administrative and constitutional precedents in other colonies and the impact of Irish nationalism and independence on the Empire at large The result is a new interpretation of Irish history in its wider imperial context which is also filled with insights on the origins expansion and decline of the British Empire This book offers the first comprehensive history of Ireland and the British Empire from the early modern era through the contemporary period The contributors examine each phase of Ireland's entanglement with the Empire from conquest and colonisation to independence along with the extensive participation of Irish people in the Empire overseas and the impact of Irish politics and nationalism on other British colonies The result is a new interpretation of Irish history in its wider imperial context which is also filled with insights on the origins expansion and decline of the British Empire

SERIES DESCRIPTION The purpose of the five volumes of the *Oxford History of the British Empire* was to provide a comprehensive study of the Empire from its beginning to end the meaning of British imperialism for the ruled as well as the rulers and the significance of the British Empire as a theme in world history The volumes in the *Companion Series* carry forward this purpose by exploring themes that were not possible to cover adequately in the main series and to provide fresh interpretations of significant topics

Reclaiming Difference Carine M. Mardorossian, 2005 In *Reclaiming Difference* Carine Mardorossian examines the novels of four women writers Jean Rhys Dominica UK Maryse Condé Guadeloupe USA Edwidge Danticat Haiti USA and Julia Alvarez Dominican Republic USA showing how their writing has radically reformulated

the meanings of the national geographical sexual and racial concepts through which postcolonial studies has long been configuring difference Coming from the anglophone francophone and hispanophone Caribbean these writers all stage and identify with transcultural experiences that undermine the usual classification of literary texts in terms of national and regional literatures and by doing so they challenge the idea that racial and cultural identities function as stable points of reference in our unstable world Focusing on the transformations that have taken place in postcolonial studies since the field began to focus on theory Mardorossian highlights not only how these writers make use of the styles of creolization and hybridity that have dominated Caribbean and postcolonial studies in recent years but also how they distinguish themselves from the movement's leading figures by offering new articulations of the ties that link race and nation to gender and class She illuminates how these writers extend the notion of hybridity away from racial and cultural differences in isolation from each other to a set of crisscrossing categories that challenge our simpler normative figurations For scholars in postcolonial studies Caribbean studies literary feminist studies and studies in comparative literature *Reclaiming Difference* represents a new phase in postcolonial studies that calls for a fundamental rethinking of the field's terminology and assumptions

Joyce, Imperialism, and Postcolonialism Leonard Orr, 2008-09-22 On the surface James Joyce's work is largely apolitical Through most of the twentieth century he was the proud embodiment of the rootless intellectual However perspectives on the colonial history of Ireland have proliferated in recent years yielding a subtle and complex conception of the Irish postcolonial experience that has become a major theme in current Joyce scholarship In this volume Leonard Orr brings together a diverse collection of essays situating Joyce in the debates generated by postcolonial theory and discourse Highly original and often provocative these essays bring Joyce powerfully within the ambit of postcolonial studies

Caribbean Autobiography Sandra Pouchet Paquet, 2002-07-22 Despite the range and abundance of autobiographical writing from the Anglophone Caribbean this book is the first to explore this literature fully It covers works from the colonial era up to present day AIDS memoirs and assesses the links between more familiar works by George Lamming C L R James Derek Walcott V S Naipaul and Jamaica Kincaid and less frequently cited works by the Hart sisters Mary Prince Mary Seacole Claude McKay Yselt Bridges Jean Rhys Anna Mahase and Kamau Brathwaite Sandra Pouchet Paquet charts the intersection of multiple contradictory viewpoints of the colonial and postcolonial Caribbean differing concepts of community and levels of social integration and a persistent pattern of both resistance and accommodation within island states that were largely shaped by British colonial practice from the mid seventeenth through the mid twentieth century The texts examined here reflect the entire range of autobiographical practice including the slave narrative and testimonial written and oral narratives spiritual autobiographies fiction serial autobiography verse diaries and journals elegy and parody
