What is nationalism?

Nationalism is a political and social ideology that emphasizes the importance of a shared national identity, culture, and history. It is the belief that a nation, defined by its common culture, language, traditions, and history, should have its own sovereign state and government that represents the interests and aspirations of its people.

Nationalism can take different forms, ranging from a peaceful advocacy for self-determination to more extreme forms, such as ethnic or religious nationalism that exclude or discriminate against minorities. Nationalism can also be expressed through symbols, such as flags, anthems, and monuments, that represent the national identity and history.
