**Tears of Repentance** Julius H. Rubin,2013-07-01 Tears of Repentance revisits and reexamines the familiar stories of intercultural encounters between Protestant missionaries and Native peoples in southern New England from the seventeenth to the early nineteenth centuries Focusing on Protestant missionaries accounts of their ideals purposes and goals among the Native communities they served and of the religion as lived experienced and practiced among Christianized Indians Julius H Rubin offers a new way of understanding the motives and motivations of those who lived in New England s early Christianized Indian village communities Rubin explores how Christian Indians recast Protestant theology into an Indianized quest for salvation from their worldly troubles and toward the promise of an otherworldly paradise The Great Awakening of the eighteenth century reveals how evangelical pietism transformed religious identities and communities and gave rise to the sublime hope that New Born Indians were children of God who might effectively contest colonialism With this dream unfulfilled the exodus from New England to Brothertown envisioned a separatist Christian Indian commonwealth on the borderlands of America after the Revolution Tears of Repentance is an important contribution to American colonial and Native American history offering new ways of examining how Native groups and individuals recast Protestant theology to restore their Native communities and cultures

**Sacred Dialogues: Christianity and Native Religions in the Colonial Americas 1492-1700** Nicholas Griffiths,2017 A Spanish conquistador who posed as a sorcerer and cured native Americans as he trekked across an unknown wilderness a French Jesuit who conjured rain clouds in order to impress his indigenous flock with the potency of Christian magic a Puritan minister who healed a native chief in order to win him for God a Mexican noble who was burned at the stake for resisting the gentle Franciscan friars an Andean chief who was haunted by nightmares in which his native gods did battle with the Christian Father a Huron magician who vied with French missionaries over spirits of the night in a shaking tent ceremony These are a few of the individuals whose struggles are brought to life in the pages of this book Their experiences among others reveal what happened when Christianity came into contact with Native American religions in three distinct regions of sixteenth and seventeenth century colonial America Spanish French and British **One**

**Church, Many Tribes** Richard Twiss,2011-08-25 A New Uprising for God s Glory In this captivating chronicle of the Native American story Richard Twiss of the Rosebud Lakota Sioux sifts through myth and legend to reveal God s strategy for the nation s host people With wit wisdom and passion Twiss shows God s desire to use the cultures of First Nations peoples in all their mystery color and beauty to break through to those involved in New Age mysticism Eastern religions even Islam One Church Many Tribes is a rallying cry for the Church to work as one so that the lost may learn to walk in life with beauty along the path of the Waymaker Native Americans and the Christian Right Andrea Smith,2008-04 Argues that previous

accounts of religious and political activism in the Native American community fail to account for the variety of positions held by this community      *The Indian Great Awakening* Linford D. Fisher, 2012-06-14 This book tells the gripping story of New England's Natives efforts to reshape their worlds between the 1670s and 1820 as they defended their land rights welcomed educational opportunities for their children joined local white churches during the First Great Awakening 1740s and over time refashioned Christianity for their own purposes      **Native Christians** Aparecida Vilaça, 2016-04-29 Native Christians reflects on the modes and effects of Christianity among indigenous peoples of the Americas drawing on comparative analysis of ethnographic and historical cases Christianity in this region has been part of the process of conquest and domination through the association usually made between civilizing and converting While Catholic missions have emphasized the civilizing process teaching the Indians the skills which they were expected to exercise within the context of a new societal model the Protestants have centered their work on promoting a deep internal change or conversion based on the recognition of God's existence Various ethnologists and scholars of indigenous societies have focused their interest on understanding the nature of the transformations produced by the adoption of Christianity The contributors in this volume take native thought as the starting point looking at the need to relativize these transformations Each author examines different ethnographic cases throughout the Americas both historical and contemporary enabling the reader to understand the indigenous points of view in the processes of adoption and transformation of new practices objects ideas and values      *Native American Identity, Christianity, and Critical Contextualization* Thomas Eric Bates, 2013 The idea of being both Native and Christian has been especially challenging among American Indians Indian people have endured five hundred years of colonial dominance and the results have left divisions between those who are traditionalists keeping to the old ways and those who are progressives embracing the new Since the mid 1990s there has been a resurgence among Indian evangelicals who wish to break down the identity crisis related to being Native and Christian Native Christians are encouraging other Natives to meet somewhere in the middle of traditionalism and progressivism Eric Bates addresses the question of Native American identity a question that has been problematic among both Native Americans and non Indians Blood quantum as an indicator of Indigenous identity has led to constructions of different levels of Indianness Pan Indianism has brought together Native peoples from a variety of tribal backgrounds and has formed a new sense of collective identity as Indians versus tribal affiliations Using situational analysis Bates examines contextualized ministry via a Native Christian conference which allows Christian Indians to express their Indianness by wearing Native regalia using Indigenous instruments and employing other forms of Native expression      **Woman's Home Missions of the Methodist Episcopal Church**, 1922      **God is Red** Vine Deloria, 1992 Deloria a prominent Native American educator lawyer and philosopher has updated his classic work on native religion In *God is Red* Deloria argues convincingly that Christianity has failed today's society and describes basic tenets that underlie Native religions His other works include *Behind the Trail of Broken Treaties* and *Custer Died for Your Sins*      *The Native American*

*Christian Community* Robert Pierce Beaver, Missions Advanced Research and Communication Center, 1979      **American Indians and Christian Missions** Henry Warner Bowden, 1985-06-15 In this absorbing history Henry Warner Bowden chronicles the encounters between native Americans and the evangelizing whites from the period of exploration and colonization to the present He writes with a balanced perspective that pleads no special case for native separatism or Christian uniqueness Ultimately he broadens our understanding of both intercultural exchanges and the continuing strength of American Indian spirituality expressed today in Christian forms as well as in revitalized folkways Bowden makes a radical departure from the traditional approach Drawing on the theories and findings of anthropologists archaeologists and historians he presents Indian missionary relations as a series of cultural encounters the outcomes of which were determined by the content of native beliefs the structure of native religious institutions and external factors such as epidemic diseases and military conflicts as well as by the missionaries own resources and abilities The result is a provocative insightful historical essay that liberates a complex subject from the narrow perimeters of past discussions and accords it an appropriate richness and complexity For anyone with an interest in Indian missionary relations from the most casual to the most specialized this book is the place to begin Neal Salisbury *Theology Today* If one wishes to read a concise thought provoking ethnohistory of Indian missions 1540 1980 this is it Henry Warner Bowden s history perhaps for the first time places the sweep of Christian evangelism fully in the context of vigorous believable native religions Robert H Keller Jr *American Historical Review*
