Message from a Native Son from a Cell Julian Martin, 2012-03 The main objective that I had my entire life was to just fit in with this brood of bully kids that were my older siblings I further had to survive a brutal dominant religious zealot mother and an illiterate father who could be swayed due to his innocence and uncorrupt childlike manner which his mother would happily manipulate if she finds it necessary My story is a story that no one wants me to write That cool look that the band Green Day projected that hurt disgruntled maligned look is my real true look I wasn't making this up Yet a horrible neighborhood where I was brought up to would use these weaknesses which I was afflicted with to their gain to vilify me and all the good that I might try to get done
