Nato Our Guarantee Of Peace:

NATO's Peace Enforcement Tasks and Policy Communities Giovanna Bono, 2017-11-30 This book was published in 2003 How has NATO managed to survive and transform itself into a peace enforcement organization Challenging the dominant assumption that NATO intervened in the Balkans because of the threat that conflicts in the region posed to European security this book develops a new set of research questions based on the hypothesis of the existence of policy communities The author demonstrates that there were shifting policy communities in operations that shaped the Alliance s transformation process arguing that NATO would not have succeeded in assuming peace enforcement tasks without other factors ranging from organisational dynamics domestic politics and the impact of ad hoc reactions to external events coming into play Highlighting the role of NATO as an actor in international security this volume is aimed at academics and practitioners in the field of international relations *Peace and Security in Europe* George Bush, 1983 [US Department of State Dispatch](#) , 1995

NATO, Our Guarantee of Peace Hugh Hanning, 1986 Traces the history of the Atlantic Alliance from 1949 to the present day **Current Policy** United States. Department of State, 1980 [Waging War to Make Peace](#) Susan Yoshihara, 2010-04-09 A revealing examination looks at the decision making in four NATO capitals about waging war in Kosovo and Iraq Written by a combat veteran who also served on the faculty of the Naval War College [Waging War to Make Peace](#) U S Intervention in Global Conflicts is a thought provoking analysis of the decision to make war in the modern world The subject is examined through the lens of the decision making of four NATO nations Britain France Germany and the United States in the 1999 Kosovo campaign compared to their decisions in 2003 regarding the Iraq war What emerges is a picture of how the bitter dispute over Iraq was the result of disagreements about who has the authority to wage war when it is justified and whether nations have an obligation to intervene in the case of human rights and humanitarian emergencies The book shows how those who enthusiastically hailed a new era of warfare based upon human rights and humanitarian values misjudged the significance of the Kosovo decision and it underscores issues with which leaders must come to grips if NATO allies are to avoid broader disputes in the years ahead *Global Security* Eric Grove, 1991 [Ukraine Calling](#) Marta Dyczok, 2021-05-11 This book is like a time capsule containing a selection of interviews that aired on Hromadske Radio s Ukraine Calling show They capture what people were thinking during a critical time in the country s history from the July 2016 NATO Summit through to Volodymyr Zelenskyy s 2019 landslide election victories Decision makers opinion makers and other interesting people commented on events of the day as well as larger issues Topics range from politics to sports religion history war books diplomacy health business art holidays foreign policy anniversaries public opinion to freedom of speech Interview guests include Canada s then Foreign Minister Chrystia Freeland writer Andrey Kurkov Crimean political prisoner Hennadii Afanasiev who was tortured in 2014 Ukraine s acting Health Minister Ulana Suprun American analyst journalist Brian Whitmore UNHRC s Pablo Mateu ethnologist Ihor Poshyvailo investment banker Olena Bilan Tufts University s Daniel
