

Natural Disasters

When the earth quacks,
and the forest shakes,
the animals run and cower
But when it's all over the earth
is covered in dead trees and leaves,
We can't help it, its nature wild and crazy.
Where ever we go it will be something.
But pollution is killing it destroying it,
and soon it will be gone,

And people will feel
like they did something wrong,
But there is a solution to the pollution,
It is a challenge that we will all have
to take so be awake and be ready

Natural Disasters Poems:

Wonderful Wasteland and other natural disasters Elidio La Torre Lagares, 2019-09-30 When Hurricane Mar a unleashed its devastation onto Puerto Rico thousands of lives were lost to the storm in what was the island s worst natural disaster on record With so much of the recovery still underway and the scars still fresh its citizens continue to contend with the reality that life on the island has fundamentally changed In his first collection of poems written in English La Torre Lagares journeys through his memory in an effort to recompose his shattered land Together these poems form a poignant personal account of a man facing the tragic destinies of his family and his country in the aftermath of a natural disaster For example the deaths of the mother and the father are resignified as the death of the poet s personal relationship which at the same time evokes the rupture between individuals and their sense of place Drawing from both American and Latin American poetry as well as global influences to articulate a language of loss and devastation in search of a new identity this collection illuminates a chaotic and confusing landscape that is not only physical but also cultural social and political Taken together this work serves as a stirring reminder of the dislocation and fractured attachment that speaks to many Americans including transnationals and immigrants Ultimately it speaks to coping with physical loss and emotional pain in the face of human adversity

Natural Disasters Erica Rivera, 2016-05-13 In *NATURAL DISASTERS* award winning poet Erica Rivera explores the parallels between volatile relationships and the environment Like seasons lovers arrive unbidden leave abruptly and cycle back Long distance desire loaded secrets and unpredictable temperaments further complicate the narrative Inspired by the landscape of Minnesota with nods to New Mexico New York and California this evocative collection of poetry plumbs the depths of the places we live and the people we love and in the process discovers the beauty and brutality inherent in both

Natural Disasters Terry Stokes, 1971-01-01 [The Titanic Disaster Poem](#) J. H. McKenzie, 2022-09-15 This is a short poem about the sinking of the Titanic after its collision with an iceberg in 1912 The writer evokes readers emotions and touches them deeply with his realistic detail leaving an everlasting impact [Natural Disasters](#) Andrea MacPherson, 2007 *Natural Disasters* is the first poetry collection from Andrea MacPherson It explores memory and history asking if it is possible to inherit the past and the generational complexities that come along with it Stories of lost sisters and marriages based on card games combine with the immediate and personal responses to wild fires and collapsed schoolhouses The collection is also concerned with place from the dry land of the interior of British Columbia to the rugged beauty of the west coast shoreline These settings affect not only language and mood but tangible links to the past the dusky valleys and planks stained with fish blood Here the tragic mingles with the everyday allowing shadowy figures and hazy memory to once again become real *Natural Disasters* Clint Dooley, 2017-05-24 *Book of Poetry* [Natural Disasters](#) Andrea MacPherson, 2008-01 In Andrea MacPherson s first volume of poetry memories of love and loss intertwine on a poetic journey that covers both personal and family history from the dry golden plains of British Columbia s Interior and the salty spray of the Pacific Ocean

in Vancouver to the history laden countryside of Ireland Pain distance and risk dictate the fates the relationships women in this family have with men and with one another Whether it be marriage on a dare or the anguish of discovering infidelity these poems map out the quiet territory of grief of natural disasters that binds the family together as events play themselves out over and over in succeeding generations George McWhirter writes that the poems capture the core of Andrea MacPherson's Scots Irish Canadian heritage where even spite is a delight and dread delight and devotion all feed on the lush B C criss cross of cedar cloak on tartan and saffron lines Each poem serves as a kind of ultrasound that lets us peer into the heart of the matter to discover the shapes and movements associated with a particular memory of a family member or a former lover The results are confessional and cathartic

The Tilt Torn Away from the Seasons Elizabeth Lindsey Rogers, 2020 The Tilt Torn Away from the Seasons imagines a human mission to Mars a consequence of Earth's devastation from climate change and natural disaster As humans begin to colonize the planet history inevitably repeats itself Dystopian and ecopoetic this collection of poetry examines the impulse and danger of the colonial mindset and the ways that gendered violence and ecological destruction body and land are linked This time we'll form more carefully one voice hopes in Ecopoiesis The Terraforming We've started on empty plains We'll vaccinate We'll make the new deal fair But the new planet becomes a canvas on which the trespasses of the American Frontier are rehearsed and remade Featuring a multiplicity of narratives and voices this book presents the reader with sonnet crowns application forms and large scale landscape poems that seem to float across the field of the page With these unusual forms Rogers also reminds us of previous exploitations on our own planet industrial pollution in rural China Marco Polo's racist accounts of the Batak people in Indonesia and natural disasters that result in displaced refugees Striking thought provoking and necessary The Tilt Torn Away from the Seasons offers a new parable for our modern times

[A Century of Poetry in The New Yorker](#) New Yorker Magazine Inc, 2025-02-04 Edited by the magazine's poetry editor Kevin Young a celebratory selection from one hundred years of influential entertaining and taste making verse in The New Yorker Seamus Heaney Dorothy Parker Louise Bogan Louise Gluck Randall Jarrell Langston Hughes Derek Walcott Sylvia Plath W S Merwin Czesław Miłosz Tracy K Smith Mark Strand E E Cummings Sharon Olds Franz Wright John Ashbery Sandra Cisneros Amanda Gorman Maggie Smith Kaveh Akbar these stellar names make up just a fraction of the wonderfulness that is present in this essential anthology The book is organized into sections honoring times of day Morning Bell Lunch Break After Work Drinks Night Shift allowing poets from different eras to talk back to one another in the same space intertwined with chronological groupings from the decades as they march by the frothy 1920s and 1930s despite the depression Young notes the more serious 40s and 50s introducing us to the early greats of our contemporary poetry like Elizabeth Bishop W S Merwin and Adrienne Rich the political 60s and 70s the lyrical 80s and 90s and then the 2000s with

their explosion of greater diversity in the magazine greater depth and breadth Inevitably we see the high points when poems spoke directly into about or against the crises of their times the war poetry of W H Auden and Karl Shapiro the remarkable outpouring of verse after 9 11 who can forget Adam Zagajewski s Try to Praise the Mutilated World and more recently stunning poems in response to the cataclysmic events of COVID and the murder of George Floyd The magazine s poetic influence resides not just in this historical and cultural relevance but in sheer human connection exemplified by the passing verses that became what Young calls refrigerator poems the ones you tear out and affix to the fridge to read again and again over months and years Our love for that singular Billy Collins or Ada Lim n poem or lines by a new writer you ve never heard of but will hear much more from in the future is what has made The New Yorker a great organ for poetry a mouthpiece for our changing culture and way of life even a mirror of our collective soul

Richard O. Jones, 2010-06-24 This book was especially written for spiritual people on a spiritual journey that are receptive to a little poetic philosophy along the way People that are drowning in a sea of false accusations riding high in the saddle but can t stand the horse have big money but low self esteem living in sin and enjoying every moment or living right but feeling bad can personally relate to many of the poems in this book People that are in the throes of affliction but refuse to surrender this book will become your amen corner while provoking reflection and deep thought When the big party is over and all your fair weather guests are gone this book helps clean up the aftermath The scrapes scratches and healed wounds of life inspired the author to poetically encourage and guide readers through the emotional swampland of tomorrow and fear no evil These poems do not imply that the road is not rocky and the sky is not cloudy nor will the sun brighten your every day This book is not intended to eradicate your storms but only to become your umbrella with only a couple microscopic leaks

Reinventing Poetry Franchot Peter Moore Sr., 2011-12-12 Sometimes in our private and passionate search for meaning some of us embrace various art forms as a medium for the souls expression Examples of this form of spiritual expression could be found in the highest level of creativity employed in the creation of the variety of masquerades related artifacts and effects associated with the production of the Trinidad and Tobago Carnival My poems speak for the unheard queries into suggest alternatives and exist with their own creative individuality and magnetism In my view poetry like painted art sculpting expressive music and the expression of art seem to exist as a form of liaison or a type of messenger of spiritual correspondence between those inner felt undercurrent of existence and its external manifestations xplore and attempt to redefine conventionally held concepts and beliefs in light of the species improved and expanded awareness They also aspire to influence the subconscious mind and conscious reasoning processes to examine alternative methods of reasoning by utilizing and combining visualization word association with foreign rhythms and ideas from official and unofficial point of views The poems comprising this collection make a brazen and sincere attempt to manifest these very characteristics Through each poem I make a sincere and deliberate attempt to urge each reader to question the very nature of your existence and particularly those ideas and beliefs about reality in general and human existence which you have come to know and accept as the absolute or gospel truth In this new age period of heightened awareness I implore you to question and pay attention to the nature of your gut feelings your haunches and your most basic inspirations Embark upon a personal adventure through the inner space of life with the same tenacity and enthusiasm with which we explore the outer space of physical reality As we continue to evolve spiritually each of us should make a sincere attempt to sense the very uniqueness of our god like being self worth and our natural alignment with the source of all which exists universal intelligence or God Additionally we must allow our ambitions and expressions its natural freedom as they attempt to assist us in our search for meaning
