**The Healing Power of Acupressure - Permanent Cures Through Ancient Medical Sciences** Dueep Jyot Singh, John Davidson, 2017-08-20 Table of Contents Introduction Knowing More about Alternative Medicine Yin and Yang and Prana Yang meridians Yin meridian Single governing Meridians Organ Clock Benefits of Methodical and Accurate Application of Pressure at the Right Pressure Points Tsun finger breadth Searching for Nei Kwan on Your Wrist Using your thumb to measure 1 T sun Important Pressure Points Spondylitis Headaches For athletes How to Use Your Thumb and Fingers The amount of pressure to be applied Duration of Pressure Point Treatment Precautions Conclusion Author Bio Publisher Introduction This book is going to introduce you to one of the most ancient and most effective of all medical sciences out there It is based on the scientific knowledge of medical sciences of one of the greatest ancient civilizations known to man the Chinese art of healing Believe it or not mankind is still as ignorant of matters regarding health today as he was 5 000 years ago Even though he thinks that he is intelligent and is able to get access to large amounts of knowledge on the Internet and from other medias available the knowledge that he obtains is often misguiding false and misleading And this includes all the knowledge that he is being given about the progresses of medical sciences in the allopathic medicine field which have been made during the 20th and 21st century Allopathic medicine supposedly called a science based medicine is definitely not effective however much the medical fraternity may say that it has saved millions of lives in the 20th century That is because once upon a time chloroquine manufactured in the lab was capable of getting rid of malaria So people instead of taking quinine based medicines which were the natural and effective cure for malaria began to take chloroquine instead because that is what was being recommended to them by doctors And the next time a person came back suffering from another bout of malaria he was given another round of Chemoquine or chloroquine manufactured in the labs instead of getting healed naturally through quinine The symptoms were masked instead of being done away with permanently through these chemical based drugs The patient was happy because according to him he had managed to get through a bout of malaria without suffering much because of supposedly effective Chemoquine But that was not so Malaria along with other diseases have now appeared and in a more powerful form with the bacterial invaders mutating and infecting more patients So what does the supposedly Orthodox medical science do It manufactures even more powerful drugs so that you take them get rid of that particular mutated bacterial strain infecting your body and nobody is going to take the side effects into account
