How to Analyze Talk in Institutional Settings Alec McHoul, Mark Rapley, 2002-05-01 Three approaches to analyzing institutional talk are introduced by internationally recognized experts Conversation Analysis Discursive Psychology and Critical Discourse Analysis The main section of the book Applications illustrates these approaches by taking the reader through the process of analysis in such instances as how pilots talk in aircraft cockpits how computer helpdesks work and how political speeches are constructed Finally the book opens up some theoretical and methodological controversies that occupy practitioners today In this way readers are introduced to the most recent ways of seeing how talk is critical to making the modern world work

Abuse or Punishment? Marie-Aimée Cliche, 2014-11-27 At one time the use of corporal

punishment by parents in child rearing was considered normal but in the second half of the nineteenth century this began to change in Quebec as well as the rest of the Western world. It was during this period that the extent of ill treatment inflicted on children, treatment once excused as good child rearing practice, was discovered. This book analyzes both the advice provided to parents and the different forms of child abuse within families. Cliche derives her information from family magazines, reports and advice columns in newspapers, people's life stories, the records of the Montreal Juvenile Court and even comic strips. Two dates are given particular focus: 1920 with the trial of the parents of Aurore Gagnon, which sensitized the public to the phenomenon of child martyrs, and 1940 with the advent of the New Education movement, which was based on psychology rather than strict discipline and religious doctrine. There has always been child abuse. What has changed is society's sensitivity to it. That is why defenders of children's rights call for the repeal of Section 43 of the Canadian Criminal Code, which authorizes reasonable corporal punishment. Abuse or Punishment considers not only the history of violence towards children in Quebec but the history of public perception of this violence and what it means for the rest of Canada.

Youth, Education, and Marginality Kate Tilleczeck, H. Bruce Ferguson, 2013-06-12. *Youth Education and Marginality: Local and Global Expressions* is a close examination of the lives of marginalized young people in schools. Essays by scholars and educators provide international insights grounded in educational and community practice and policy. They cover the range and intersections of marginalization, poverty, Aboriginal cultures, immigrants and newcomers, gay/lesbian youth, rural/urban divides, mental health, and so forth. Presenting challenges faced by marginalized youth alongside initiatives for mitigating their impact, the contributors critique existing systems and engage in a dialogue about where to go from here. Youth poetry, prose, and visual art complement the essays.

A Victorian Missionary and Canadian Indian Policy David Nock, Canadian Corporation for Studies in Religion, 1988-10-18. On one hand, he practised cultural replacement at the Shingwauk and Wawanosh Schools, which he founded at Sault Ste Marie; on the other hand, he advocated programs of cultural synthesis and political autonomy.

Encyclopedia of Canadian Social Work Francis J. Turner, 2009-07-23. All of us as Canadians are touched throughout our lives by some aspect of social welfare, either as recipients, donors, or taxpayers. But despite the importance of the social network in our country, there has been no single source of information about this critical component of our society. Even professionals in the field of social work or social services have not had a comprehensive volume addressing the myriad features of this critical societal structure. The *Encyclopedia of Canadian Social Work* fills this need. Over five hundred topics important to Canadian social work are covered, written by a highly diverse group of social workers covering all aspects of the field and all areas of the country. Practitioners, policy makers, academics, social advocates, researchers, students, and administrators present a rich overview of the complexity and diversity of social work and social welfare as it exists in Canada. The principal finding from this project underscores the long-held perception that there is a Canadian model of social work that is unique and stands as a useful model to other

countries The Encyclopedia of Canadian Social Work will be an important source of information both to Canadians and to interested groups around the world The Encyclopedia of Canadian Social Work is available in e book version by subscription or from university and college libraries through the following vendors Canadian Electronic Library Ebrary MyiLibrary and Netlibrary

A Question of Commitment R. Brian Howe, Katherine Covell, 2007-06-15 In 1991 the Government of Canada ratified the United Nations Convention on the Rights of the Child requiring governments at all levels to ensure that Canadian laws and practices safeguard the rights of children A Question of Commitment Children s Rights in Canada is the first book to assess the extent to which Canada has fulfilled this commitment The editors R Brian Howe and Katherine Covell contend that Canada has wavered in its commitment to the rights of children and is ambivalent in the political culture about the principle of children s rights A Question of Commitment expands the scope of the editors earlier book The Challenge of Children s Rights for Canada by including the voices of specialists in particular fields of children s rights and by incorporating recent developments

Ring Around the Maple Cynthia R. Comacchio, Neil Sutherland, 2024-10-29 Ring Around the Maple is about the condition of children in Canada from roughly 1850 to 2000 a time during which the modern increasingly disrupted traditional ways Authors Cynthia R Comacchio and Neil Sutherland trace the lives of children over this long century with a view to synthesizing the rich interdisciplinary often multi disciplinary literature that has emerged since the 1970s Integrated into this synthesis is the authors new research into many often seemingly disparate archival and published primary sources Emphasizing how the child and childhood are sociohistoric constructs and employing age analytically and relationally they discuss the constants and the variants in their historic dimensions While childhood tangibly modernized during these years it remained a far from universal experience due to identifiers of race gender culture region and intergenerational adaptations that characterize the process of growing up This work highlights children s perspectives through close critical against the grain readings of diaries correspondence memoirs interviews oral histories and autobiographies many buried in obscure archives It is the only extant historical discussion of Canadian children that interweaves the experiences of First Nations M tis and Inuit children with those of children from a number of settler groups Ring Around the Maple makes use of photographs catalogues advertisements government publications musical recordings radio shows television shows material goods documentary and feature films and other such visual and aural testimony Much of this evidence has not to date been used as historical testimony to uncover the lives of ordinary children This book is generously illustrated with photographs and ephemera carefully selected to reflect children s lives conditions interests and obligations It will be of special interest to historians and social scientists interested in children and the culture of childhood but will also appeal to readers who enjoy the little stories that together make up our collective history especially when those are told by the children who lived them

Flaming Embers Nela Bureu Ramos, 2010 Desire in the broadest sense as a form of generous self assertion should ideally increase with the passage of time as we gradually acquire deeper insight into

ourselves and others Prescriptive cultural stereotypes however put obstacles on our path to progress as individuation Yet growing older should not entail renunciation of the singularity of personal fulfilment This volume is a collection of literary testimonies to the power of art to challenge and resist the social constraints on desire in the context of aging In the essays men and women claim their right to age in desire and imaginative vigour

Parent To Parent Our Children Their Literacy Wlu Series: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have enthralled audiences this year. Parent To Parent Our Children Their Literacy Wlu Series : Colleen Hoovers "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Parent To Parent Our Children Their Literacy Wlu Series : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
