experience Doing so allows you to see issues and truths through another s eyes It requires a shift in perspective to see the story through their lens In this illuminating book Elisabeth walks through the times from her national celebrity days to her newest role as CBO Chief Breakfast Officer where she saw something differently than how God wanted her to and the path back to His point of view was sometimes rocky but always revealing Sometimes God s intentions for her were clear yet other times she encountered situations so uncomfortable and blurry that she could only ask for His wisdom In this book Elisabeth welcomes you into the many different and often divergent points of view that she has witnessed and learned from along the way It is a journey that brought her to the ultimate point of view that she discovered in the Word of God that until she sees herself as He sees her she is not seeing at all As you read through the pages here she invites you to make the same discovery for yourself
