Redeeming Marriage Lindsey Wheaton Doss, Casey Doss, 2021-08-17 In your marriage the enemy plans to divide and conquer But God is stronger Satan has a vested interest in destroying Christian marriages Today more than ever once happily married couples are falling victim to the enemy s onslaught crumbling to bitterness unfaithfulness and irreconcilable differences What was previously a last resort divorce has become commonplace even in the Church Lindsey Doss and her husband Casey have experienced this first hand They were a powerful Christian couple working together as key leaders of The Ramp one of the most dynamic youth ministries in the world But gradually Lindsey bought into the enemy s lies She left Casey moved to another city and prepared to begin a whole new life On the brink of finalizing the divorce God supernaturally exposed the lies at the root of their broken relationship brought her home and miraculously healed their marriage Through the journey Lindsey and Casey learned valuable skills for victory against the enemy on the battlefield of marriage In this powerful guide they teach you how to fight for your marriage through God s supernatural power even if everything feels hopeless Featuring powerful stories and practical principles this book will help you discover how to partner with the Holy Spirit in your marriage to achieve healing and wholeness Discover how Taking ownership of your choices overcomes the enemy and puts you in a position of victory Having a vision for your marriage gives you the courage to keep fighting when things get tough To approach your marriage as a covenant not a contract To pray for healing over your marriage To build trust again in another person after unfaithfulness or betrayal Marriage has an enemy but you have the power to defeat him embrace hope and walk together towards victory

Redeeming Nietzsche Giles Fraser, 2013-02-01 Best known for having declared the death of God Nietzsche was a thinker thoroughly

absorbed in the Christian tradition in which he was born and raised Yet while the atheist Nietzsche is well known the pious Nietzsche is seldom recognized and rarely understood Redeeming Nietzsche examines the residual theologian in the most vociferous of atheists Giles Fraser demonstrates that although Nietzsche rejected God he remained obsessed with the question of human salvation Examining his accounts of art truth morality and eternity Nietzsche's thought is revealed to be

Sexual Hospitality in the Hebrew Bible Thalia Gur-Klein, 2014-10-20 A woman's life in the ancient world was constrained by her social and economic status As a daughter she was firmly under the aegis of her father and brothers who would later allocate the woman to another man as his wife The power of fathers and husbands extended to using their wives and daughters as sexual gifts to gain favour Yet alongside this woman had certain socio economic rights notably concerning inheritance and property which they could use to protect themselves Sexual Hospitality in the Hebrew Bible examines sacred sexuality and ritual fecundity from patronymic marriage where the husband claims exclusive rights over his wife's sexuality and attributes her offspring to his line and kin to metronymic conjugal systems which allow a woman to remain in her home where the male consort joins her and her kin Ranging across abstention promiscuity and holy offering the sexual lives of women in biblical times reveal not only restriction but also female agency and resistance

Sexual Reformation? Manitzha Kotze, Nadia Marais, Nina Muller van Velden, 2022-02-28 Inasmuch as sex and sexuality are not words often spoken from pulpits and in academic theological circles a vast number of utterances have been made in the name of so called Christian values and biblical views on sex and sexuality These are often given from moral ethical perspectives and seemingly very prescriptive who should have sex with whom when sex should take place which purposes sex should serve and especially when sex is wrong Moreover often there is little or no recognition of the complexities surrounding human sexuality resulting in what appears to be a blueprint for sexuality applicable to all persons This volume contains fourteen theological and ethical reflections by South African scholars on human sexuality with the aim of exploring what a sexual reformation within Christian dialogue might entail Presented in three sections namely systematic theological reflections biblical reflections and ethical reflections the essays represent a range of topics from a variety of perspectives Luther and marriage sexual abuse in the Catholic Church body theology and the sexual revolution reproductive technologies sexuality and reproduction reproductive loss hermeneutical choices and gender reformation in South Africa queer engagements with bra Joseph explorations on Paul and sex rape culture and violent deities the church's moral authority and sexual ethics practical theological considerations regarding infertility empirical research on masculinities in Zambia and the lived experience of transgender people in African Independent Churches

The Romance of Innocent Sexuality Geoffrey Rees, 2011 From the polling place to the pulpit The Romance of Innocent Sexuality investigates the passions that are enacted in debates about same sex marriage In a critique that is at once humorous and unrelenting Geoffrey Rees argues that sexual desire is fundamentally a desire to make sense of oneself as a whole person Through a constructive engagement with the writings of

Saint Augustine on original sin Rees turns on its head the conventional wisdom regarding the goodness of sexual relationship arguing that sin not innocence is the starting point in pursuing justice in sexual ethics To that end Rees boldly reclaims the wisdom of the most disreputable teachings of the Augustinian tradition that original sin is a literal inheritance of all humanity of the singular disobedience of Adam and Eve in Eden and the inherent sinfulness of all human sexuality This work also engages theological readings of nineteenth century fiction and literary readings of contemporary theological writings In so doing Rees shows that debates about same sex marriage are so compelling because the participants are all telling a common story in which they seek to establish the innocence of their own preferred forms of self understanding as defined against some other persons sinful selves In contrast to this Rees argues for the acceptance of responsibility for the sinful exclusions that make possible finding the meaning of embodied personal identity through marriage between any two persons
