Red Hot Rancher Marie Johnston,2019-04-15 Two people in different places in life Full time fireman and part time rancher Caleb is living the bachelor s dream and staying rent free in his best friend s place Too bad it s because he lost his house to a tornado and his best friend s sister is the one that got away At least she doesn t visit often the last thing he needs is to show her she was right about him he s going nowhere fast But when her cheating fianc kicks her out she has no place to go except her brother s suddenly too crowded ranch house After a streak of bad decisions Brigit has to slink back home to nurse her wounds and find a job To complete her humiliation there s no way she can avoid the first love she walked away from years ago because he s sleeping on the other side of her wall At least it s only a matter of time before she s gone again After all there s nothing in this town for her but bullies and cow patties except a fireman in cowboy boots who melts her heart and makes her consider love again He s not leaving She s not staying If the reason they can t be together is so simple why is it so hard to remember Red Hot Rancher is a second chance romance in the contemporary western small town romance series Part Time Cowboys For readers who also like Ann Mayburn Carly Phillips Carrie Ann Ryan Cat Johnson
