West,2008 In From Yeoman to Redneck in the South Carolina Upcountry Stephen A West revises understandings of the American South by offering a new perspective on two iconic figures in the region s social landscape Yeoman a term of praise for the small landowning farmer was commonly used during the antebellum era but ultimately eclipsed by redneck an epithet that emerged at the end of the nineteenth century In popular use each served less as a precise class label than as a means to celebrate or denigrate the moral and civic worth of broad groups of white men Viewing these richly evocative figures as ideological inventions rather than sociological realities West examines the divisions they obscured and the conflicts that gave them such force The setting for this impressively detailed study is the Upper Piedmont of South Carolina the sort of upcountry region typically associated with the white plain folk West shows how the yeoman ideal played a vital role in proslavery discourse before the Civil War but poorly captured the realities of life with important implications for how historians understand the politics of slavery and the drive for secession After the Civil War the South Carolina upcountry was convulsed by the economic transformations and political conflicts out of which the redneck was born West reinterprets key developments in the history of the New South such as the politics of lynching and the phenomenon of the Southern demagogue and uncovers the historical roots of a stereotype that continues to loom large in popular understandings of the American South Drawing together periods and topics often treated separately West combines economic social and political history in an original and compelling account *Cataloging Concepts* Matthew Edward Gildea,2002 **Redneck In Paris** Joe McCormick,2018-07 A book of humorous short stories about the life of the author from childhood to present and other stories of interest to the author that he hopes will interest the reader as well **Gun Racks and Six Packs** Bo Whaley,1998-03 A best of collection of Southern humor from Bo Whaley author of The Official Redneck Handbook and A Field Guide to Southern Women *Red Light Wives* Mary Monroe,2010-10-01 From New York Times bestselling author Mary Monroe comes a powerful novel about the hopes dreams laughter and limits of six unique women surviving on the streets of San Francisco They re about as different as six women can be haughty and humble beautiful and plain young and not so young black white Latina and origins unknown But aside from a gift for laughing hardship in the face they have one very important thing in common Clyde Brooks You might say that

Clyde is their manager And you might say that Lula Mae Ester Megan Rosalee Helen and Rockelle are colleagues in the world s oldest profession Clyde likes to refer to them as his wives Maybe it s their love for the high life and for each other that makes the bond between Clyde s ladies so unbreakable Maybe it s their private demons that keep them so loyal to Clyde or so he thinks For hard as they try to distract themselves nothing can quell the women s longing for a life free from Clyde and what he represents until one daring act of defiance changes everything Praise for Mary Monroe Reminiscent of Zora Neale Hurston Publishers Weekly Watch out Toni Morrison there is a new sister in town Rapport Mary Monroe is a masterful storyteller Philadelphia Inquirer **American Book Publishing Record** ,1988
