Community, Home, and Identity Terry L. Turnipseed, 2016-05-23 Community home and identity are concepts that have concerned scholars in a variety of fields for some time Legal scholars sociologists anthropologists psychologists and economists among others have studied the impacts of home and community on one's identity and how one's identity is manifested in one's home and in one's community This volume brings together some of the leading thinkers about the connections between community home and identity Several chapters address how the law and lawyers contribute or detract from the creation and maintenance of community and in some cases the conscious destruction of communities Others examine the protection of individual and group identities through rules related to property title and use of such things as Home and identity property

Gentrification in Neighbourhood Development Yvonne Franz, 2015 English summary This book aims at a comprehensive understanding of diverging urban rejuvenation practices and gentrification processes in New York City Berlin and Vienna Regulative and supportive mechanisms at policy and planning level have been identified through

a comparative analysis of urban rejuvenation policies and actors embeddedness Those mechanisms enable the development of contextualised parameters that support projection attempts of future gentrification processes at the neighbourhood level As a result a reflective understanding of gentrification and policy recommendations are drawn at a general level The recommendations refer to the political understanding of gentrification and its role in urban development This analysis argues that cities should include gentrification as a driving force in urban policies However processes of gentrification require mediation and monitoring by public authorities who should be aware of the risk of social fragmentation As a consequence cities should move towards a social entrepreneurial city that moves beyond the simple distribution of financial resources and responsibilities and ensures social responsibility within the force field of ongoing neoliberal forces German description Diese Publikation zielt auf ein umfassendes Verstandnis unterschiedlicher Stadterneuerungspraktiken die sich auf die Erhaltung der baulichen Substanz beziehen sowie Gentrification Prozesse in New York City Berlin und Wien ab Dabei wird eine vergleichende Analyse von politischen Strategien und involvierten AkteurInnen angewendet um regulierende und unterstützende Mechanismen auf der politischen und stadtplanerischen Ebene zu identifizieren Diese Mechanismen ermöglichen die Entwicklung von kontextualisierten Parametern Als Ergebnis dienen eine reflektierte Betrachtung von Gentrification und Empfehlungen die auf einer stadübergreifenden Ebene Entwicklungsleitlinien für den politischen Umgang mit Gentrification und dessen Rolle in der Stadtentwicklung aufzeigen

A History of Housing in New York City Richard Plunz, 2016-10-18 Since its emergence in the mid nineteenth century as the nation's metropolis New York has faced the most challenging housing problems of any American city but it has also led the nation in innovation and reform The horrors of the tenement were perfected in New York at the same time that the very rich were building palaces along Fifth Avenue public housing for the poor originated in New York as did government subsidies for middle class housing A standard in the field since its publication in 1992 *A History of Housing in New York City* traces New York's housing development from 1850 to the present in text and profuse illustrations Richard Plunz explores the housing of all classes with comparative discussion of the development of types ranging from the single family house to the high rise apartment tower His analysis is placed within the context of the broader political and cultural development of New York City This revised edition extends the scope of the book into the city's recent history adding three decades to the study covering the recent housing bubble crisis the rebound and gentrification of the five boroughs and the ecological issues facing the next generation of New Yorkers More than 300 illustrations are integrated throughout the text depicting housing plans neighborhood changes and city architecture over the past 130 years This new edition also features a foreword by the distinguished urban historian Kenneth T Jackson

The Affordable Housing Reader J. Rosie Tighe, Elizabeth J. Mueller, 2013 The Affordable Housing Reader brings together classic works and contemporary writing on the themes and debates that have animated the field of affordable housing policy as well as the challenges in achieving the goals of policy on the ground The Reader aimed at professors students and researchers provides an overview of the literature on housing policy and planning that is both comprehensive and interdisciplinary It is particularly suited for graduate and undergraduate courses on housing policy offered to students of public policy and city planning The Reader is structured around the key debates in affordable housing ranging from the conflicting motivations for housing policy through analysis of the causes of and solutions to housing problems to concerns about gentrification and housing and race Each debate is contextualized in an introductory essay by the editors and illustrated with a range of texts and articles Elizabeth Mueller and Rosie Tighe have brought together for the first time into a single volume the best and most influential writings on housing and its importance for planners and policy makers

The Concrete Dragon Thomas J. Campanella, 2012-03-20 China is the most rapidly urbanizing nation in the world with an urban population that may well reach one billion within a generation Over the past 25 years surging economic growth has propelled a construction boom unlike anything the world has ever seen radically transforming both city and countryside in its wake The speed and scale of China's urban revolution challenges nearly all our expectations about architecture urbanism and city planning China's ambition to be a major player on the global stage is written on the skylines of every major city This is a nation on the rise and it is building for the record books China is now home to some of the world's tallest skyscrapers and biggest shopping malls the longest bridges and largest airport the most expansive theme parks and gated communities and even the world's largest skateboard park And by 2020 China's national network of expressways will exceed in length even the American interstate

highway system China's construction industry employing a workforce equal to the population of California has been erecting billions of square feet of housing and office space every year But such extensive development has also meant demolition on a scale unprecedented in the peacetime history of the world Nearly all of Beijing's centuries old cityscape has been bulldozed in recent years and redevelopment in Shanghai has displaced more families than 30 years of urban renewal in the United States China's cities are also rapidly sprawling across the landscape churning precious farmland into a landscape of superblock housing estates and single family subdivisions laced with highways and big box malls In a mere generation China's cities have undergone a metamorphosis that took 150 years to complete in the United States The Concrete Dragon China's Urban Revolution and What it Means for the World sheds light on this extraordinary chapter in world urban history The book surveys the driving forces behind the great Chinese building boom traces the historical precedents and global flows of ideas and information that are fusing to create a bold new Chinese cityscape and considers the social and environmental impacts of China's urban future The Concrete Dragon provides a critical overview of contemporary Chinese urbanization in light of both China's past as well as earlier episodes of rapid urban development elsewhere in the world especially that of the United States a nation that itself once set global records for the speed and scale of its urban ambitions
