Winner, 2006-07-01 SEX Splashed across magazine covers billboards and computer screens sex is casual aggressive and absolutely everywhere And everybody's doing it right In *Real Sex* heralded young author Lauren F. Winner speaks candidly to Christians about the difficulty and the importance of sexual chastity With honesty and wit she talks about her struggle to live a celibate life Never dodging tough terms like confession and sin Winner grounds her discussion of chastity first and foremost in Scripture She confronts cultural lies about sex and challenges how we talk about sex in church Her biblically grounded observations and suggestions will be especially valuable to unmarried Christians struggling with the sexual mania of today's culture *Real Sex* is essential reading for Christians grappling with chastity and a valuable tool for pastors

Real Sex Mike Lousada, Louise Mazanti, PhD, 2017-05-30 The more modern culture shines its light on sex the longer the shadow it casts This shadow is commercialism pornography and shame This approach to sexuality distorts it to create performance pressure increasing numbers of sexual dysfunctions and a fundamental disconnect from ourselves and others Yet sexuality is one of the most important paths to happiness simply because it requires us to engage all the other aspects of ourselves To have deeply satisfying sex we must engage the mind the body and our feelings *Real Sex* will show you how almost everything that our society has tried to teach you about your sexuality is misleading or simply wrong *Real Sex* is a journey into the heart of your sexual self a way of creating meaningful and fulfilling intimacy It sets out seven keys that will teach you how to love and accept your mind body feelings desires and sexuality at a deeper level leaving behind feelings of guilt insecurity and shame *Real Sex* offers a new integrated idea of sexuality that holds a positive perspective of the sexual beings that we are longing for intimacy and aliveness that we know deep down makes our lives meaningful

The Science/Fiction of Sex Annie Potts, 2014-02-25 What can we learn from exploring the differences in male and female orgasmic experience Is the penis an entity with a mind of its own These issues and others such as the popular portrayals of male sexuality as active and outwardly focused and female sexuality as passive and internally located are discussed in *The Science Fiction of Sex* Contemporary feminist and poststructuralist theories of sex and gender are explored alongside an investigation of how people make sense of such concepts as heterosexuality orgasm sexual dysfunction femininity and masculinity and safer sex practice Potts asks

men and women about their actual experiences of heterosexual This interview material combined with excerpts from sexological and medical texts and features from film and television draws attention to the ways in which western cultural constructs influence our ideas and experiences of the body sex and gender Potts also uses deconstructive theory as a textual tool concentrating on how binary oppositions such as inside outside and mind body impact on our understandings of heterosexual and affect the power relations between women and men She also examines how the radical postmodern theories of the body and sexuality proposed by Irigaray Lyotard and Deleuze and Guattari disrupt such dualistic modes of understanding and experiencing sexualized bodies The Science Fiction of Sex will be of interest to those studying women and psychology as well as gender studies cultural studies feminist studies sociology philosophy public health and education *Get Real!* Mike Walker, 2008-04-01 In the olden days Roman Emperors threw Christians to the lions Gladiators battled to the death Mayans sacrificed virgins Witches were burned at the stake Today We've got REALITY TV The hot new genre that suddenly snuck up and captured our imagination as Cops put us in prowler cars to pursue loonies thugs and druggies Survivor trapped us on an island with naked flaming fattie Richard Hatch American Idol gobbled up American TV and spat out the bones How did reality programming hijack TV Read the eye popping expos that takes you straight to Reality Hell Sex Drugs Dirty Tricks and Scandals Giggle as Paris Hilton Nicole Richie get barfy in the sticks and hump y with the hicks Boggle at never before revealed secrets behind Simon Cowell's manly man boobs Gasp as wee Mini Me takes a public pee And much much more REALITY TV The Super Bowl of Voyeurism But JENNIFER ANISTON hates it I have no interest in that Idol shit snarls Jen who sneers that humiliation and degradation make contestants look like monkeys playing in poop Jennifer's disgust is a touchstone for this book which is actually dedicated to her by the author REALITY TV Love it or hate it You know you want to watch The World's Work, 1921 **The Reference Shelf**, 1923 'My Name is Not Natasha' John Davies, 2009 This book challenges every common presumption that exists about the trafficking of women for the sex trade It is a detailed account of an entire population of trafficked Albanian women whose varied experiences including selling sex on the streets of France clearly demonstrate how much the present discourse about trafficked women is misplaced and inadequate The heterogeneity of the women involved and their relationships with various men is clearly presented as is the way women actively created a panoptical surveillance of themselves as a means of self policing There is no artificial divide between women who were deceived and abused and those who choose sex work in fact the book clearly shows how peripheral involvement in sex work was to the real agenda of the women involved Most of the women described in this book were not making economic decisions to escape desperate poverty nor were they the uneducated nave entrapped into sexual slavery The women's success in transiting trafficking to achieve their own goals without the assistance of any outside agency is a testimony to their resilience and resolve The Billboard, 1928
