Reference and Information Services Kay Ann Cassell, Uma Hiremath, 2013 Search skills of today bear little resemblance to searches through print publications Reference service has become much more complex than in the past and is in a constant state of flux Learning the skill sets of a worthy reference librarian can be challenging unending rewarding and yes fun

Reference and Information Services Melissa A. Wong, Laura Saunders, 2024-09-19 Written for LIS students taking reference courses this popular textbook also serves as a helpful handbook for practitioners to refamiliarize themselves with particular types and formats of sources and to refresh their knowledge on specific service topics *Reference and Information Services* Melissa A. Wong, Laura Saunders, 2024-08-22 Written as a textbook for LIS students taking reference courses this fully updated and revised seventh edition of *Reference and Information Services* An Introduction also serves as a helpful handbook for practitioners to refamiliarize themselves with particular types and formats of sources and to refresh their knowledge on specific service topics The first section grounds the rest of the textbook with an overview of the foundations of reference and an introduction to the theories values and standards that guide reference service The second section provides an overview of reference services and techniques for service provision establishing a foundation of knowledge on reference service and extending ethical and social justice perspectives The third part offers an overview of the information life cycle and dissemination of information followed by an in depth examination of information sources by type as well as by broad subject areas Finally the concluding section guides the reader through the process of developing and maintaining their own vision of reference practice This textbook is essential reading for all preservice and working librarians particularly those concerned with ethical and social justice perspectives on reference work **Reference and Information Services** Richard E. Bopp, Linda C. Smith, 2011-05-23 Reflecting the dramatic changes shaped by rapidly developing technologies over the past six years this new fourth edition of *Reference and Information Services* takes the introduction to reference sources and services significantly beyond the content of the first three editions In Part I Concepts and Processes chapters have been revised and updated to reflect new ideas and methods in the provision of reference service in an era when many users have access to the Web In Part II Information Sources and Their Use discussion of each source type has been updated to encompass key resources in print and on the Web where an increasing number of freely available sources join those purchased or licensed by libraries A number of new authors are contributors to this new edition bringing to their chapters their experience as teachers of reference and as practitioners in different types of libraries Discussions of services in Part I integrate digital reference as appropriate to each topic such as how to conduct a reference interview online using instant messaging Boxes interspersed in the text are used to present scenarios for discussion to highlight key concepts or to present excerpts from important documents Discussions of sources in Part II place more emphasis on designing effective search strategies using both print and digital resources The chapter on selection and evaluation of sources addresses the

changing nature of reference collections and how to evaluate new types of sources Each chapter concludes with an updated list of additional readings to guide further study A new companion website will provide links to Web accessible readings and resources as well as additional scenarios for discussion and example search strategies to supplement those presented in the text

International Aspects of Reference and Information Services Bill Katz, Ruth A. Fraley, 2019-12-06 This book first published in 1987 is a stimulating and informative appraisal of the international librarianship scene and the reference service function Experts discuss how international reference services can be improved to facilitate true exchange of information around the world They look squarely at problems and provide answers to a host of pertinent questions such as information counselling and policies reference services and global awareness integrating a central reference international studies program and more

Reference Service and Sources C.K. Sharma, 2006 The Rapid Developments In Computer Technology Telecommunications Printing Reprography Etc Have Important Implications For The Provision Of Information By Libraries To Their Users Great Advances Have Been Made In The Automation Of Indexing And Abstracting Services Despite Such Advances And Technological Impacts The Actual Search Process And The End Result Remain The Same As In The Traditional Approach Hence The Significance Of Reference Sources And Services Cannot Be Overemphasised The Reference Service Offered By The Libraries Enables The Readers To Obtain The Required Information From The Huge Collection Of Libraries In No Time The Book Is Structured Into Two Parts The First Part Acquaints The Readers With The Purpose Functions And Kinds Of Reference Service Qualities And Duties Of A Reference Librarian Varied Sections In The Libraries Reference Service In Public Academic And Special Libraries Sources And Classification Of Information And Reference Queries Part Ii Of The Book Is Devoted To Reference Sources Beginning With The Evaluation Of Reference Sources It Includes A Detailed Study On Directories Bibliographies Encyclopaedias Biographies Maps And Atlases Dictionaries Gazetteers And Guide Books It Is Hoped That The Present Book Will Prove Useful For All Library Users While The Teachers Researchers And Students Of Library Science Will Find It Indispensable The Reference Librarians Are Expected To Acquire Additional Skills Through This Book Which Shall Stand Them In Good Stead In The Technological Environment

Conducting the Reference Interview, Third Edition Catherine Sheldrick Ross , Kirsti Nilsen , Marie L. Radford, 2019-07-03 Based on the latest research in communication theory but tailored specifically for real world application this updated manual speaks equally to the needs of students preparing to enter the profession and those who are already fielding reference inquiries The authors working in consultation with a stellar advisory board of scholars and practitioners present a convenient and comprehensive resource that will teach you how to understand the needs of public academic and special library users across any virtual setting including email text messaging and social media as well as in traditional and face to face models of communication Packed with exercises and examples to help you practice effective reference transactions and avoid common pitfalls this book tackles the fundamentals of the reference interview from why it s important in the first place to methods for setting the stage for a

successful interview and techniques for finding out what the library user really wants to know covers the ins and outs of the readers advisory interview examines a wide range of contexts such as children young adults parents seniors adults from diverse communities and those with disabilities presents case studies of innovative reference and user encounters at a variety of libraries offers updated coverage of virtual reference including new research virtual reality transcripts and a look at crowd sourcing reference via social media features new content on common microaggressions with guidance on how to use awareness of emotion as a factor in reference interactions to ensure better outcomes discusses topics such as respecting protecting privacy overcoming assumptions implicit judgment the importance of context determining the real information need and many other lessons learned from challenging reference encounters and thoroughly addresses policy and training procedures as well as the unique challenges faced by paraprofessionals and non degreeed staff Find your bearings in the continually evolving hybrid reference environment through proven strategies advice exercises and research from three experts in the field Reference and Information Services Kay Ann Cassell,Uma Hiremath,2012-11-20 As librarians experience a changing climate for all information services professionals Cassell and Hiremath provide the tools needed to manage the ebb and flow of changing reference services in the 21st century Reference and Information Services ,1986 Nothing changes faster in today s libraries than reference services The purpose of this collection of thirty articles is to help both the beginner and the experienced librarian keep up with that change through the explanations and points of view of leaders in the field This volume like the first two 1978 and 1982 brings together in a single convenient place a representative view of today s reference and information services for students teachers and librarians It can be used alone or in conjunction with the author s fifth edition of Introduction to Reference Work McGraw Hill 1986 2 vols All of the pieces in this collection are cited in one of those two volumes Evolution in Reference and Information Services Di Su,2001 Explore ways to bring and keep your library s electronic services up to date From editor Di Su Some years ago if you were told that a library s catalog would be available on a 24 7 365 basis you d think it was just another fiction Perhaps as influential as Johannes Gutenberg s invention of movable type printing the Internet is one of the most significant happenings in the information world in modern times In addition to showing you how library services have been influenced and enhanced by the advent of the Internet Evolution in Reference and Information Services The Impact of the Internet will enable you to make the most of the new opportunities that current technologies offer This valuable book will also help you and your library avoid the pitfalls and new challenges to professional competency that come along with electronic research Evolution in Reference and Information Services gives you a review of the history of electronic reference looks at the increasing role of librarians as teachers and providers of technical help for users provides case studies and ways to evaluate electronic research methods suggests strategies for providing effective electronic services examines government Web sites explores Internet sources of health information shows you how to establish electronic services through your library s portal site looks at how to manage a
