Reflections in Literature ,1974 **Reflections on Literature and Culture** Hannah Arendt,Susannah Young-ah Gottlieb,2007 This is the first volume in any language that collects Hannah Arendt s remarkable series of essays and notes on literary figures and cultural questions *Pretexts* André 1869-1951 Gide,2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Self-reflection in Literature* ,2019-12-16 Self reflection is fundamental for human thinking on many levels Philosophy has described the mind s capacity to observe itself as a core element of human existence Political and social sciences have shown how modern democracies depend on society s ability to critically reflect on their own values and practices And literature of all ages has proven self reflexivity to be a crucial trait of cultural production This volume provides the first diachronic panorama of genres forms and functions of literary self reflection and their connections with social political and philosophical discourses from the 17th century to the present Far beyond the usual focus on postmodernist opacity these contributions present a rich tradition of critical transparency Literary texts that show us what is behind and beyond them *Pretexts* Andre Gide,2017-07-05 Most of Andre Gide s richly varied literary output has long been available to American readers Only one aspect of his protean career has been lacking in translation the essays the publication of which will go far to explain why Gide holds in France such high rank as a critic Many of the essays in *Pretexts* *Reflections on Literature and Morality* were provoked by events in the cultural and political world of twentieth century France a turbulent setting that produced a lasting literature These essays are vintage Gide informed by his characteristic spirit his hard brilliance pointed honesty and the enduring relevance of his concerns Readers of his *Journals* will be prepared for the style intelligence and marksmanship that Gide brings to bear in these forty two articles on life as well as on letters His range as always is broad a long and moving memoir of his encounters with Oscar Wilde a series of combats against reactionary nationalists and self appointed purifiers of morals estimates of Mallarme Baudelaire Proust Gautier and Valery among others letters to Jacques Riviere Jean Cocteau and Francis Jammes and general essays on art literature the theater and politics Justin O Brien famous for his studies in modern French literature has written that Gide is related to La Fontaine and Racine by his essential conciseness and crystalline style to Montaigne and Goethe by his inquiring mind which reconciled unrest and serenity to Baudelaire by his lucid prophetic criticism O Brien who has done

so much to bring contemporary French literature to America supervised the translations in *Pretexts Reflections on Literature and Morality* prepared several of them himself and contributes an informative general introduction and additional commentary to preface the various sections of this major book

Dictionary of the Political Thought of the People's Republic of China Henry Yuhuai He, 2016-07-22 Far more than a simple glossary this unique resource provides a detailed lexicography of political and social life in China today and deepens our understanding of the last twenty years of enormous change in the People's Republic Each of the 1 600 entries 1 is rendered in Chinese characters 2 is alphabetized according to pinyin the Chinese phonetic alphabet 3 is translated into English and 4 is explained in terms of the situation in which it first appeared and how its meaning shifted over time In addition to the main body of definitions and annotations there are three appendices abbreviations a name index and a bibliography

The Renewal of Literature Richard Poirier, 1988 Of what use is literature to daily life Why do writers exaggerate its cultural political and social importance What is its overall value given that most people have never been able to comprehend it at all Just what is literature and why does it seem it must be less intelligible than other kinds of writing These are among the fundamental questions posed by Richard Poirier the highly renowned American critic in this strikingly original lucid and tough minded book Treating works of literature as in Emerson's words tokens of the everlasting effort to produce exploiting the idea that there are hidden similarities between technology and literary production Poirier extends and enriches the Emersonian tradition Jacket flap
