Reflections In Prison Voices From The South African Liberation Struggle:

Reflections in Prison Mac Maharaj, 2010-11-18 In 1976 when he was imprisoned on Robben Island Nelson Mandela secretly wrote the bulk of his autobiography *Long Walk to Freedom*. The manuscript was to be smuggled out by fellow prisoner Mac Maharaj on his release later that year. Maharaj also urged Mandela and other political prisoners to write essays on southern Africa's political future. These were smuggled out with Mandela's autobiography and are now published for the first time 25 years later in *Reflections in Prison*. This collection of essays provides a unique snapshot of the thinking of Nelson Mandela, Walter Sisulu, Govan Mbeki, Ahmed Kathrada and other leaders of the anti-apartheid struggle on the eve of the 1976 Soweto Uprising. It gives an insight into their philosophies, strategies and hopes as they debate diversity and unity, violent and non-violent forms of struggle and non-racism in the context of different interpretations of African nationalism. Each essay is preceded by a short biography of the author, a description of his life in prison and a pencil sketch by a leading black South African artist. The collection begins with a foreword by Desmond Tutu and a contextualising introduction by Mac Maharaj. These essays are far more than historical artefacts. They reveal the thinking that contributed to the South African miracle and address issues that remain burning today. *George Padmore and Decolonization from Below* L.

James, 2014-10-14 This book argues that the rising tide of anti-colonialism after the 1930s should be considered a turning point not just in harnessing a new mood or feeling of unity but primarily as one that viewed empire, racism and economic degradation as part of a system that fundamentally required the application of strategy to their destruction. *The Spectacular Few* Mark S. Hamm, 2013-03-11 Mark Hamm is without doubt the world's leading expert on prison radicalization. Based on decades of research, this book presents a nuanced and sophisticated picture. Beautifully written, it is the most complete and the most empirically rigorous account of this phenomenon to date. A must read for anyone interested in homegrown radicalization. Peter Neumann, Director of the International Centre for the Study of Radicalisation (ICSR), King's College London. The Madrid train bombers, shoe bomber, Richard Reid, al-Qaeda in Iraq and the 9/11 attacks all were led by men radicalized behind bars. Today's prisons are hotbeds for personal transformation toward terrorist beliefs and actions due to the increasingly chaotic nature of prison life caused by mass incarceration. In *The Spectacular Few*, Mark Hamm, a former prison warden, demonstrates how prisoners use criminal cunning, collective resistance and nihilism to incite terrorism. Drawing from a wide range of sources, *The Spectacular Few* imagines the texture of prisoners' lives. Hamm covers their criminal thinking, styles, the social networks that influenced them and personal turning points that set them on the pathway to violent extremism. Hamm argues that in order to understand terrorism today we must come to terms with how prisoners are treated behind bars. Mark S. Hamm is a former prison warden from Arizona and currently Professor of Criminology at Indiana State University and a Senior Research Fellow at the Terrorism Center, John Jay College of Criminal Justice, The City University of New York. His books include *Terrorism as Crime: From Oklahoma City to Al-Qaeda and Beyond* (NYU Press, 2007).

Alternative Criminology series **Arming Black Consciousness** Toivo Tukongeni Paul Wilson Asheeke, 2023-06-08 Since 1994 as the ruling party in South Africa the ANC have become synonymous with and indivisible from the fight against apartheid rule This has left little space for competing accounts visions and political projects to find their appropriate place in the historical narrative In this innovative book Toivo Asheeke moves beyond these well trodden histories to tell the previously neglected story of the Black Consciousness Movement BCM a militant revolutionary nationalist wing of the anti colonial struggle Using archival sources from four countries and interviews with former veterans of the movement Asheeke explores the BCM s engagement with guerrilla warfare community feminism and Black Internationalism Uncovering the personal and political histories of those who have previously received scant scholarly attention Asheeke both illuminates the history of Africa s decolonization struggle and that of the wider Cold War

The Man Who Killed Apartheid: The Life of Dimitri Tsafendas Harris Dousemetzis, 2024-03-04 On 6 September 1966 inside the House of Assembly in Cape Town Dimitri Tsafendas stabbed to death Hendrik Verwoerd South Africa s Prime Minister and so called architect of apartheid Tsafendas was immediately arrested and before he had even been questioned by the authorities they declared him a madman without any political motive for the killing In the Cape Supreme Court Tsafendas was found unfit to stand trial on the grounds that he suffered from schizophrenia and that he had no political motive for killing Verwoerd Tsafendas spent the next 28 years in custody making him the longest serving detainee in South African history For most of his incarnation he was subjected to cruel and inhumane treatment by the prison authorities From 2009 to 2018 Harris Dousemetzis extensively researched the assassination of Verwoerd and the life of Tsafendas For this research he travelled to South Africa Mozambique Greece France and Turkey and interviewed about 150 people who either knew Tsafendas or Verwoerd or were involved with the case of the assassination He discovered about 12 000 pages of documents on the case most of them previously unpublished in archival collections in South Africa Portugal and the UK Dousemetzis collaborated with prominent South African jurists psychiatrists and psychologists and concluded his research by writing the Report to the Minister of Justice in the Matter of Dr Verwoerd s Assassination The report conclusively proved that Tsafendas had assassinated Verwoerd for political reasons and that the apartheid authorities had orchestrated a massive operation to declare him insane and apolitical This ground breaking report and this book corrected the historical record regarding Verwoerd s assassination and Tsafendas The Man Who Killed Apartheid based on Dousemetzis s groundbreaking research chronicles in detail Tsafendas s life and conclusively demonstrates that he was a perfectly sane and deeply political person with a long history of political activism At the same time the book exposes the lie at the heart of apartheid s posture on the assassination of Hendrik Verwoerd and provides a rare picture of how the racist regime operated and what it was like to live and die under apartheid

Breakthrough Mac Maharaj, Z. Pallo Jordan, 2021-09-01 When President F W de Klerk announced the unbanning of the liberation movements on 2 February 1990 he opened the door to negotiations that would end apartheid and pave the way to democracy But how did this moment come about What power struggles and secret talks had brought the country to this point Written by two ANC veterans who were close to these events Breakthrough sheds new light on the process that led to the formal negotiations Focusing on the years before 1990 the book reveals the skirmishes that took place away from the public glare as the principal adversaries engaged in a battle of positions that carved a pathway to the negotiating table Drawing from material in the prison files of Nelson Mandela minutes of the meetings of the ANC Constitutional Committee the NWC and the NEC notes about the Mells Park talks led by Professor Willie Esterhuysen and Thabo Mbeki communications between Oliver Tambo and Operation Vula the Kobie Coetsee Papers the Broederbond archives and numerous other sources the authors have pieced together a definitive account of these historic developments While most accounts of South Africa's transition deal with what happened during the formal negotiations Breakthrough demonstrates that an account of how the opposing parties reached the negotiating table in the first place is indispensable for an understanding of how South Africa broke free from a spiralling war and began the journey to democracy
