on Modern Violence and Its Impact on Society Management Association, Information Resources, 2022-08-12 Violence on both large and small scales has a tremendous impact on society. The causes and impacts of violence have been under study for decades; however, in the modern era, it is important to remain knowledgeable of the current research on violence. As tragic events flood news headlines around the world, it is essential to evaluate violence, its causes, and its impact on society in order to mitigate and prevent violence globally. The Research Anthology on Modern Violence and Its Impact on Society discusses the causes, ideologies, and perceptions of modern violence and examines its impact on society. It presents emerging research on modern violence in multiple dimensions, from interpersonal to mass violence. Covering topics such as gun violence, radicalization, and victim/offender overlap, this major reference work is an essential resource for sociologists, politicians, government officials, law enforcement, community leaders, educators, and administrators of both K-12 and higher education students of higher education, psychologists, criminologists, victimologists, researchers, and academicians. **Research**

Anthology on Service Learning and Community Engagement Teaching Practices Management Association, Information Resources, 2021-12-30 The need for more empathetic and community-focused students must begin with educators, as service learning has begun to grow in popularity throughout the years. By implementing service and community aspects into the classroom at an early age, educators have a greater chance of influencing students and creating a new generation of service-minded individuals who care about their communities. Teachers must have the necessary skills and current information available to them to provide students with quality service learning and community engagement curricula. The Research Anthology on Service Learning and Community Engagement Teaching Practices provides a thorough investigation of the current trends, best practices, and challenges of teaching practices for service learning and community engagement. Using innovative research, it outlines the struggles, frameworks, and recommendations necessary for educators to engage students and provide them with a comprehensive education in service learning. Covering topics such as lesson planning, teacher education, and cultural humility, it is a crucial reference for educators, administrators, universities, lesson planners, researchers, academicians, and students. [Research Anthology on Preparing School Administrators to Lead Quality Education Programs](#) Management Association, Information Resources, 2020-07-24 The delivery of quality education to students relies heavily on the actions of an institution's administrative staff. Effective leadership strategies allow for the continued progress of modern educational initiatives. It is crucial to investigate how effective administrators lead their organizations in challenging and difficult times and promote the accomplishments of their organization. Research Anthology on Preparing School Administrators to Lead Quality Education Programs is a vital reference source that offers theoretical and pedagogical research concerning the management of educational systems on both the national and international scale. It also explores academic administration as well as administrative effectiveness in achieving organizational goals. Highlighting a range of topics such as strategic planning, human resources, and school culture, this multi-volume book is ideally designed for

educators administrators principals superintendents board members researchers academicians policymakers and students
