Reflections On Texas:

Reflections on Texas Texas. University. Institute of Texan Cultures,1979 Reflections on Texas ,1972 **Tranquil Thoughts from the Texas Hill Country** J. Herbert Larson,2014-02-28 My writings are spiritual I want to transmit to create a peaceful tranquil spirit of faith within my readers I want to open up to the believing reader some of the Bible s jewels or whatever one wishes to call them I want to inspire faith to feed to nurture faith in my readers **Observations & Reflections on Texas Folklore** Francis Edward Abernethy,1972 **Celebrating 100 Years of the Texas Folklore Society, 1909-2009** Kenneth L. Untiedt,2009 The Texas Folklore Society is one of the oldest and most prestigious organizations in the state Its secret for longevity lies in those things that make it unique such as its annual meeting that seems more like a social event or family reunion than a formal academic gathering This book examines the Society s members and their substantial contributions to the field of folklore over the last century Some articles focus on the research that was done in the past while others offer studies that continue today This book does more than present a history of the Texas Folklore Society it explains why the TFS has lasted so long and why it will continue *A History of Texas* Homer S. Thrall,1885 Reflections of a Partly Cloudy Mind JW Gee,2013-04-18 The author takes the reader on an entertaining journey through military life from the generational perspective of a baby boomer From dealing with losing his military draft student deferment during the Vietnam War to serving as a bodyguard for the Secretary of Defense the author provides the reader with a unique informative and often outrageously hilarious glimpse of military life in the United States Army intelligence and law enforcement communities Learn about sanpaku snafu the Asoh Defense and other obscure forms of military jargon and acronyms Get introduced to an ornery barnyard cat modern day cattle rustlers clever investigative techniques and the perils of using foreign language translators to determine case facts Laugh in wonderment at the murky world of lie detection using a polygraph instrument The colorful and memorable characters described in each chapter to include the author are alternately frail and courageous nave and crafty cynical and patriotic but always captivately authentic **The History of Texas** David Barnett Edward,2025-09-28 Reprint of the original first published in 1836 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **The Duty of Moral Reflection with Particular Reference to the Texas Question. A Sermon [on Isa. i 3], Etc** Oliver STEARNS,1845 **A Pictorial History of Texas** Homer S. Thrall,1883
