Refugee Scholars in America Lewis A. Coser, Refugee scholars in America ; their impact and their experiences Lewis A. Coser,1984 **Historiography of Imperial Russia: The Profession and Writing of History in a Multinational State** Thomas Sanders,2015-02-12 This collection of the best new and recent work on historical consciousness and practice in late Imperial Russia assembles the building blocks for a fundamental reconceptualization of Russian history and history writing *Transatlantic Voyages and Sociology* Cherry Schrecker,2016-02-24 Transatlantic Voyages and Sociology explores the transatlantic journeys which have inspired American and European sociologists and contributed to the development of sociology in Europe and in North America Furthering our understanding of the very complex processes which affect the diffusion of ideas it sheds light on the diverse influences which come into play be they on an individual institutional or political level With an international team of experts investigating the reciprocal influence of sociological thought on either side of the Atlantic this volume will appeal to any scholar interested in the history of sociology the mutual influence of systems of thought and the migration of ideas **An Academic Life** Hanna Holborn Gray,2018-04-10 A compelling memoir by the first woman president of a major American university Hanna Holborn Gray has lived her entire life in the world of higher education The daughter of academics she fled Hitler s Germany with her parents in the 1930s emigrating to New Haven where her father was a professor at Yale University She has studied and taught at some of the world s most prestigious universities She was the first woman to serve as provost of Yale In 1978 she became the first woman president of a major research university when she was appointed to lead the University of Chicago a position she held for fifteen years In 1991 Gray was awarded the Presidential Medal of Freedom the nation s highest civilian honor in recognition of her extraordinary contributions to education An Academic Life is a candid self portrait by one of academia s most respected trailblazers Gray describes what it was like to grow up as a child of refugee parents and reflects on the changing status of women in the academic world She discusses the migration of intellectuals from Nazi held Europe and the transformative role these exiles played in American higher education and how the migr experience in America transformed their own lives and work She sheds light on the character of university communities how they are structured and administered and the balance they seek between tradition and innovation teaching and research and undergraduate and professional learning An Academic Life speaks to the fundamental issues of purpose academic freedom and governance that arise time and again in higher education and that pose sharp challenges to the independence and scholarly integrity of each new generation *Making & Doing* Gary Downey,Teun Zuiderent-Jerak,2021-08-17 How ten making two in the US one in Austria the UK and multiple countries in Africa and Asia one in the US and Latin America one in the Netherlands and Australia and one in an international network that includes members from Europe the Americas and Australia **Secrets of the Soul** Eli Zaretsky,2005-08-09 The fledgling science of psychoanalysis permanently altered the nineteenth century worldview with its

remarkable new insights into human behavior and motivation It quickly became a benchmark for modernity in the twentieth century though its durability in the twenty first may now be in doubt More than a hundred years after the publication of Freud's *The Interpretation of Dreams* we're no longer in thrall says cultural historian Eli Zaretsky to the romance of psychotherapy and the authority of the analyst Only now do we have enough perspective to assess the successes and shortcomings of psychoanalysis from its late Victorian Era beginnings to today's age of psychopharmacology In *Secrets of the Soul* Zaretsky charts the divergent schools in the psychoanalytic community and how they evolved sometimes under pressure from sexism to feminism from homophobia to acceptance of diversity from social control to personal emancipation From Freud to Zolof Zaretsky tells the story of what may be the most intimate science of all *Democracy in Exile* Daniel Bessner, 2018-04-15 In *Democracy in Exile* Daniel Bessner explores the life of Hans Speier one of the most significant figures in the history of U.S. defense policy Bessner traces Speier's intellectual development from Weimar Germany to the Cold War United States revealing how his European roots shaped the expert-driven approach to foreign policymaking that American elites institutionalized during and after World War II A key figure in a transatlantic network of migr. policymakers and analysts Speier helped establish novel institutions such as the RAND Corporation that transformed how U.S. foreign policy was made *Democracy in Exile* highlights how social scientists like Speier left academia to create a military intellectual complex that insulated American decision making from public opinion and that continues to shape U.S. defense policy today

Yearbook of Transnational History Thomas Adam, 2021-05-03 The *Yearbook of Transnational History* is dedicated to disseminating pioneering research in the field of transnational history This fourth volume is focused to the theme of exile Authors from across the historical discipline provide insights into central aspects of research into the phenomenon of exile in the nineteenth and twentieth century Both centuries have seen large numbers of people fleeing revolutions oppression persecution and extermination This volume is the first publication to provide a comprehensive overview over exiles of various political and ethnic groups beginning with the French Revolution and ending with the transfer of Nazi scientists from post World War II Germany to the United States This volume contains contributions about the refugees created by the French Revolution the Forty Eighters who were forced out of Germany after the failed Revolution of 1848-49 the anarchists Emma Goldman and Alexander Berkman Vietnamese anti-colonial activists in France the exiles of Nazi Germany and the transfer of Nazi scientists such as Wernher von Braun to the United States after World War II *Growing with Canada* Paul Helmer, 2009-11-01 Based on years of detailed and extensive interviews and supplemented by a wide range of archival material *Growing with Canada* showcases the men and women who came to Canada and the roles they played in developing the country's musical culture Paul Helmer shows that migr. s were at the centre of the new musical milieu and uses the lively testimony of those involved to weave together the larger story of post-war Canadian music performance production and education By introducing the sounds and techniques of their homelands migr. artists were able to overcome the dominating

British presence in post secondary music education vastly expanding the role music played in universities while pioneering the performance and production of opera in Canada From British Columbia to Newfoundland they served as educators teachers and administrators as well as outstanding performers conductors composers music historians radio and television producers and benefactors
