Regency Revolution The Case Of Arthur Thistlewood:

Regency Revolution David Johnson, 1974 Irish Artisans and Radical Politics, 1776-1820 Timothy Murtagh, 2022-10-15 Irish Artisans and Radical Politics 1776 1820 Apprenticeship to Revolution is a comparative study of the political activities of workers in three Irish cities Dublin Belfast and Cork It investigates how Ireland's journeymen and apprentices engaged in campaigns for political reform as well as in revolutionary conspiracies during the years 1776 to 1820 This book marks the first ever attempt to analyse the role of Irish workers in the creation of eighteenth century republicanism representing the careful distillation of nearly a decade of research on the topic It argues that Irish craftsmen truly did serve an apprenticeship to revolution In the literal sense the experience of the workshop provided artisans with a set of traditions which shaped how new revolutionary doctrines were received But generations of Irish workers also served a figurative apprenticeship to successive political movements the campaigns of Irish Patriot MPs the Volunteering movement of the 1770s and the revolutionary campaigns of the United Irishmen The book explores the role of urban workers within the 1798 Irish Rebellion and Robert Emmet's 1803 rising and adopting a transnational framework places the actions of these Irish artisans within the context of British radicalism and the creation of an industrial working class *The Cato Street Conspiracy* Jason McElligott, Martin Conboy, 2019-12-17 If the Cato Street Conspiracy had been successful Britain would have been proclaimed a republic by tradesmen of English Scots Irish and black Jamaican backgrounds This book explains the conspiracy and why you have never heard of it William Cobbett, Romanticism and the Enlightenment James Grande, 2015-10-06 Cobbett was one of the greatest journalists of his day Following a career in the British army he began writing as the loyalist Peter Porcupine in the United States defending all things British against the French Revolution and its supporters This is the first collection on Cobbett and contains essays by scholars from a variety of disciplines **The Visual Culture of Violence After the French Revolution** Lela Graybill, 2017-07-05 The Visual Culture of Violence after the French Revolution traces four sites of spectatorship that exemplified the visual culture of violence in the late eighteenth and early nineteenth centuries offering a new account of the significance of violent spectacle to the birth of modernity Considerations of the execution scaffold salon painting print culture and the *faits divers* and waxworks displays establish the centrality of spectatorial violence to experiences of selfhood in the wake of the French Revolution Shedding critical light on previously neglected aspects of art and visual culture of the post Revolutionary period The Visual Culture of Violence after the French Revolution demonstrates how violent spectacle at this moment was profoundly shaped by shifting social attitudes contemporary political practices and rapidly accelerated technological developments By attending to the formal and historical specificity of violent spectacle after the Revolution Graybill affirms the historical contingency through which the visual culture of violence in the modern era has emerged The Visual Culture of Violence after the French Revolution will be broadly relevant to scholars of art media and visual studies and particularly to historians of the French Revolution and

eighteenth and early nineteenth century Europe The book's concern with the representation of violence makes it of interest to scholars working in a variety of fields beyond its historical period especially in art literature history media and culture studies

Regency Spies Sue Wilkes, 2015-11-30 Sue Wilkes reveals the shadowy world of Britain's spies rebels and secret societies from the late 1780s until 1820 Drawing on contemporary literature and official records Wilkes unmask the real conspirators and tells the tragic stories of the unwitting victims sent to the gallows In this age of Revolutions when the French fought for liberty Britain's upper classes feared revolution was imminent Thomas Paine's incendiary Rights of Man called men to overthrow governments which did not safeguard their rights Were Jacobins and Radical reformers in England and Scotland secretly plotting rebellion Ireland too was a seething cauldron of unrest its impoverished people oppressed by their Protestant masters Britain's governing elite could not rely on the armed services even Royal Navy crews mutinied over brutal conditions To keep the nation safe a war chest of secret service money funded a network of spies to uncover potential rebels amongst the underprivileged masses It had some famous successes dashing Colonel Despard friend of Lord Nelson was executed for treason Sometimes in the deadly game of cat and mouse between spies and their prey suspicion fell on the wrong men like poets Wordsworth and Coleridge Even peaceful reformers risked arrest for sedition Political meetings like Manchester's Peterloo were ruthlessly suppressed and innocent blood spilt Repression bred resentment and a diabolical plot was born The stakes were incredibly high rebels suffered the horrors of a traitor's death when found guilty Some conspirators secrets died with them on the scaffold The spy network had some famous successes like the discoveries of the Despard plot the Pentrich Rising and the Cato St conspiracy It had some notable failures too However sometimes the war on terror descended into high farce like the Spy Nozy affair in which poets Wordsworth and Coleridge were shadowed by a special agent

A History of Treason The National Archives, 2022-11-10 The bloody history of Britain through the stories of its most notorious traitors A History of Treason details British history from 1352 to 1946 covering major historical moments in a fascinating and innovative way using the history of high treason and deception as its theme Appealing to a range of audiences it covers more than 650 years of momentous history through the use of both famous and lesser known events which shaped Britain Using original documents and detailed research undertaken by The National Archives record specialists it will cover moments in history which led to fundamental changes in eras It will also include unique discoveries from these archives uncovering mysteries and stories of how dealing with treason have brought about the changes which have influenced and shaped Britain throughout the centuries Among these are the trial and execution of Anne Boleyn on the orders of her husband Henry VIII several major acts of sedition including the Gunpowder Plot and the revolution plotted in the Cato Street conspiracy the evidence brought against Sir Roger Casement executed at Pentonville and his remains later exhumed and given a state funeral in Ireland the trial and execution of the William Joyce who as Lord Haw Haw broadcast Nazi propaganda from Berlin during the Second World War The book covers many stories that explore the nature of treason

and how the crown and state reacted to it from the introduction of the Treason Act in 1352 right through to the twentieth century Written by experts from among the historians at the National Archives the book is copiously illustrated with images from the unrivalled collections of The National Archives

The Complete Poetry of Percy Bysshe Shelley Percy Bysshe Shelley, 2012-07-01 Winner of the 2013 Richard J Finneran Award Society for Textual Scholarship Outstanding Academic Title Choice His name is Percy Bysshe Shelley and he is the author of a poetical work entitled *Alastor or the Spirit of Solitude* With these words the radical journalist and poet Leigh Hunt announced his discovery in 1816 of an extraordinary talent within a new school of poetry rising of late The third volume of the acclaimed edition of *The Complete Poetry of Percy Bysshe Shelley* includes *Alastor* one of Shelley's first major works and all the poems that Shelley completed for either private circulation or publication during the turbulent years from 1814 to March 1818 *Hymn to Intellectual Beauty* *Mont Blanc* *Laon* and *Cythna* as well as shorter pieces such as his most famous sonnet *Ozymandias* It was during these years that Shelley already an accomplished and practiced poet with three volumes of published verse authored two major volumes earned international recognition and became part of the circle that was later called the Younger Romantics As with previous volumes extensive discussions of the poems composition influences publication circulation reception and critical history accompany detailed records of textual variants for each work Among the appendixes are Mary W Shelley's 1839 notes on the poems for these years a table of the forty two revisions made to *Laon* and *Cythna* for its reissue as *The Revolt of Islam* and Shelley's errata list for the same It is in the works included in this volume that the recognizable and characteristic voice of Shelley emerges unmistakable consistent and vital

Regency Revolution David Johnson, 1974 *Conspiracy on Cato Street* Vic Gatrell, 2022-05-12 Tells the immensely dramatic but neglected story of one of the most sensational plots in British history
