

VII. Revivals and Reform

- Religion = key motive for reform
- Evangelicals call for personal repentance/ conversion to:
 - attain salvation
 - create basis for Second Coming

Revivals

- Revivalists stress human perfectibility:
 - all can attain salvation
 - all can improve
 - all have moral obligation to fight evil

History and

Character of American Revivals of Religion (Classic Reprint) Calvin Colton, 2017-11-05 Excerpt from History and Character of

American Revivals of Religion The publication of this little volume may perhaps demand an apology And it is hoped by the Author that it may seem as reasonable as it is simple Soon after his arrival in London he received a note from an esteemed and reverend brother requesting him to deliver a discourse in his chapel on American Revivals The Author answered the note that he would take the request under consideration The demand was altogether unanticipated the topic delicate and difficult of treatment before a popular assembly but yet interesting and so far as the Author could learn important in the eyes of British Christians as the religious public in England were yet in suspense as to the opinion proper to be entertained on the subject on account About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Lectures on Revivals of Religion: with an introductory

essay by L. Woods. Also an appendix consisting of letters from Dr. Alexander, Wayland, Dana, etc William Buell

SPRAGUE, 1832

Lectures on Revivals of Religion William Buell Sprague, 1959

History and Character of American

Revivals of Religion Calvin Colton, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1832 edition Excerpt CHAPTER VII MEANS OF ORIGINATING AND PROMOTING REVIVALS AND HINDERANCES CONSIDERED By this time in the progress of these discussions DEGREES I hope the distinct and proper economy of a revival is sufficiently defined and well understood I have endeavoured to present it as a dispensation of Providence of a marked and peculiar character brought upon a community by the outpourings of the Spirit of God in fulfilment of the predictions and in execution of the design of Christianity for the more powerful richer and more manifest displays of Divine grace in the greater and comparatively sudden increase of the Church by the conversion of many sinners in company augmenting the faith of Christians and invigorating their Christian character It is a special season and to the Church a refreshing visitation It is as I have frequently remarked an economy of a distinct and peculiar character all the specialty of which is owing entirely to the

Spirit of God As it is impossible fully to appreciate the power of it except by being immersed in its own atmosphere and then only for the time being so is it difficult to describe it by an ordinary technical definition I have elsewhere recognised the occurrence of revivals the instrumentality of which has not been obvious Of such facts there have formerly been many instances in the United States And I cannot doubt it is one of the features of these dispensations of mercy to man in the outset of a series in store for a nation or people where experience is wanting that God pours forth his Spirit like unexpected showers upon the thirsty earth But although this may be a fact and one part of the character of religious revivals yet it is no less true that obvious instrumentalitie

The Great Awakening Richard L. Bushman,2013-04-01 Most twentieth century Americans fail to appreciate the power of Christian conversion that characterized the eighteenth century revivals especially the Great Awakening of the 1740s The common disdain in this secular age for impassioned religious emotion and language is merely symptomatic of the shift in values that has shunted revivals to the sidelines The very magnitude of the previous revivals is one indication of their importance Between 1740 and 1745 literally thousands were converted From New England to the southern colonies people of all ages and all ranks of society underwent the New Birth Virtually every New England congregation was touched It is safe to say that most of the colonists in the 1740s if not converted themselves knew someone who was or at least heard revival preaching The Awakening was a critical event in the intellectual and ecclesiastical life of the colonies The colonists view of the world placed much importance on conversion Particularly Calvinist theology viewed the bestowal of divine grace as the most crucial occurrence in human life Besides assuring admission to God s presence in the hereafter divine grace prepared a person for a fullness of life on earth In the 1740s the colonists in overwhelming numbers laid claim to the divine power which their theology offered them Many experienced the moral transformatoin as promised In the Awakening the clergy s pleas of half a century came to dramatic fulfillment Not everyone agreed that God was working in the Awakening Many believed preachers to be demagogues stirring up animal spirits The revival was looked on as an emotional orgy that needlessly disturbed the churches and frustrated the true work of God But from 1740 to 1745 no other subject received more attention in books and pamphlets Through the stirring rhetoric of the sermons theological treatises and correspondence presented in this collection readers can vicariously participate in the ecstasy as well as in the rage generated by America s first national revival

A Narrative of the Revival of Religion in New England Jonathan Edwards,1829

Holy Spirit Revivals Charles G. Finney,2016-03-04 The Power of God at WorkCharles Finney s ministry led to some of the most amazing revivals that have ever occurred in the United States or England In Holy Spirit Revivals Finney recalls those events revealing the secrets that led to the mass conversions of lost souls in his meetings throughout upstate New York as well as in Boston Philadelphia and London Finney was unafraid of offending delicate ears by addressing the problem of sin head on and his dedication to prayer his understanding of Scripture and his radical reliance on the power of the Holy Spirit are a great template for believers today This treasured account of one of the greatest Christian preachers

in history is an outstanding resource for anyone interested in seeing a revival of faith in the church *Revival and Revivalism* Iain Hamish Murray, 1994 Murray analyses a crucial period in American religious history with particular attention to the major theme of the nature of religious revival He rejects the common identification of revival revivalism showing that the latter differed from the former both in its origins in its implications Whereas in the earlier period revival was understood as supernatural heaven sent in the later period the ethos was much more man centred the methods employed much closer to the manipulative The change in perspective can be summed up by saying that revival was first viewed as OEsent down but later seen as OEworked up A pivotal figure in the change a major promoter of the new methods was Charles Grandison Finney 1792 1875 Murray traces developments from the time of Samuel Davies 1763 61 through the age of the Second Great Awakening to the New York Awakening of 1857 8 In addition to Davies Finney major leaders whose names recur in these pages include Archibald Alexander 1772 1851 of Princeton Theological Seminary Edward D Griffin 1770 1837 Asahel Nettleton 1783 1844 Arnold Dallimore An outstanding biography scholarly yet popularly written of the leading preacher of the eighteenth century evangelical revival Whitefield 1714 70 is acknowledged to have made a greater impact on evangelical Christianity on both sides of the Atlantic than any other preacher of the eighteenth century The first volume traces the early career of Whitefield to the end of 1740 at which point the twenty six year old was already the most brilliant and popular preacher of the time and had already at age 24 commanded the largest congregations yet seen in America The second volume traces the doctrinal conflict with John and Charles Wesley Whitefield s visits to Scotland and Wales as well as the American colonies and the emergence of a Calvinistic branch of Methodism Also provided are details of Whitefield s marriage friendships ceaseless labours and early death aged 55 The two volume set casts new light on Whitefield s early life in Gloucester religious conditions in England at the commencement of his preaching ministry his influence on the Great Awakening of 1739 40 in America his relationships with the Wesleys his philanthropic endeavours and his impact on all classes of English society including the aristocracy A Letter to an Orthodox Minister on Revivals of Religion Bernard Whitman, 1831 **Lectures on Revivals of Religion** William B. Sprague, 2015-06-25 Excerpt from Lectures on Revivals of Religion The following Lectures were delivered during the preceding autumn and winter to the congregation with which the author is connected in the ordinary course of his public ministrations The grand object at which he has aimed has been to vindicate and advance the cause of genuine revivals of religion and in doing this he has endeavored to distinguish between a genuine revival and a spurious excitement to defend revivals against the cavils of their opposers to show the causes which operate to prevent or retard them to exhibit the agency of God and the instrumentality of men by which they are produced and sustained to guide the inquiring sinner and establish the young convert to guard against the abuses to which revivals are liable and to anticipate the glorious results to which they must lead About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important

historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Great Awakening**
Joseph Tracy,1842 **Lectures on Revivals of Religion (Classic Reprint)** William B. Sprague,2017-09-13 Excerpt from Lectures on Revivals of Religion Clearly we must do this by ascertaining what is the character of those who are entitled to it and whether that character belongs to us This is the business of self examination a business of vast moment to all Christians though often neglected and when not entirely neglected often performed Without due regard to the proper test of character No language is adequate to describe the evils which result either from the omission of self inquiry or from an attempt to perform the duty while the pro per rule of judgment is overlooked About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Whispering the Strategies of Language: An Mental Quest through **Revivals Of Religion**

In a digitally-driven earth where screens reign supreme and instant transmission drowns out the subtleties of language, the profound strategies and psychological nuances concealed within phrases frequently move unheard. Yet, nestled within the pages of **Revivals Of Religion** a charming fictional value pulsating with fresh emotions, lies an extraordinary quest waiting to be undertaken. Published by a skilled wordsmith, that charming opus attracts viewers on an introspective trip, gently unraveling the veiled truths and profound influence resonating within the very cloth of every word. Within the mental depths of the poignant review, we will embark upon a genuine exploration of the book is core subjects, dissect its interesting publishing model, and yield to the powerful resonance it evokes deep within the recesses of readers hearts.
