Nicholas J. Higham

Roman Cavalry From The First To The Third Century A D:

The Roman Cavalry Karen R. Dixon, Pat Southern, 2000 *The Roman Cavalry* Karen R. Dixon, Pat Southern, 2013-01-11

The cavalry was a vital part of the army of Rome and it played a significant role in the expansion and success of the Roman Empire Karen R Dixon and Pat Southern describe the origins of the mounted units of the Roman army and trace their development from temporary allied troops to the regular alae and cohorts They have drawn together evidence from a wide variety of sources archaeological epigraphic and literary as well as comparing ancient testimony with more recent experience of the use of cavalry The book covers the subject from the perspective of both the men and the horses How were the horses selected and disposed of how were they trained stabled and fed How were the men recruited organized and equipped and what were the conditions of service for a Roman cavalryman The cavalry had to be employed in peacetime and this is discussed as well as its role in war The image of the Roman cavalry is often one of excitement and glory but the authors are aware that a true picture must not overlook the routine and the suffering This book provides a comprehensive account of the Roman cavalry and the current state of knowledge concerning it The wide selection of illustrations includes original drawings by Karen R Dixon

War and Warfare in Late Antiquity (2 vols.), 2013-08-19 This two volume publication explores the key factors determining the course and outcome of war in Late Antiquity Volume 8 1 includes a detailed review of strategic and tactical issues and eight comprehensive bibliographic essays which provide an overview of the literature In Volume 8 2 thematic papers examine strategy and intelligence fortifications and siege warfare weaponry and equipment literary sources and topography and civil war while papers focused on particular geographic regions home in on war and warfare in the West Roman Empire in the 4th and 5th centuries and the Balkans and the Eastern frontier in the 4th to 7th centuries AD

Warfare, State And Society In The Byzantine World 565-1204 John Haldon, 2020-07-24 Warfare State and Society in the Byzantine World is the first comprehensive study of warfare and the Byzantine world from the sixth to the twelfth century The book examines Byzantine attitudes to warfare the effects of war on society and culture and the relations between the soldiers their leaders and society The communications logistics resources and manpower capabilities of the Byzantine Empire are explored to set warfare in its geographical as well as historical context In addition to the strategic and tactical evolution of the army this book analyses the army in campaign and in battle and its attitudes to violence in the context of the Byzantine Orthodox Church The Byzantine Empire has an enduring fascination for all those who study it and Warfare State and Society is a colourful study of the central importance of warfare within it *Warfare, State And Society In The Byzantine World 560-1204* John Haldon, 2002-11-01 Warfare State and Society in the Byznatine World is

the first comprehensive study of the warfare and the Byzantine World from the sixth to the twelfth century The book examines Byzantine attitudes to warfare the effects of war on society and culture and the relations between the soldiers their leaders and society The communications logistics resources and manpower capabilities of the Byzantine Empire are explored to set warfare in its geographical as well as historical context In addition to the strategic and tactical evolution of the army this book analyses the army in campaign and in battle and its attitudes to violence in the context of the Byzantine Orthodox Church

Conflict in Ancient Greece and Rome Sara Elise Phang,Iain Spence Ph.D.,Douglas Kelly Ph.D.,Peter Londev Ph.D.,2016-06-27 The complex role warfare played in ancient Greek and Roman civilizations is examined through coverage of key wars and battles important leaders armies organizations and weapons and other noteworthy aspects of conflict Conflict in Ancient Greece and Rome The Definitive Political Social and Military Encyclopedia is an outstandingly comprehensive reference work on its subject Covering wars battles places individuals and themes this thoroughly cross referenced three volume set provides essential support to any student or general reader investigating ancient Greek history and conflicts as well as the social and political institutions of the Roman Republic and Empire The set covers ancient Greek history from archaic times to the Roman conquest and ancient Roman history from early Rome to the fall of the Western Roman Empire in 476 CE It features a general foreword prefaces to both sections on Greek history and Roman history and maps and chronologies of events that precede each entry section Each section contains alphabetically ordered articles including ones addressing topics not traditionally considered part of military history such as noncombatants and war and gender followed by cross references to related articles and suggested further reading Also included are glossaries of Greek and Latin terms topically organized bibliographies and selected primary documents in translation

[The Oxford Handbook of Byzantine Studies](#) Elizabeth Jeffreys,John F. Haldon,Robin Cormack,2008 The Oxford Handbook of Byzantine Studies presents discussions by leading experts on all significant aspects of this diverse and fast growing field Byzantine Studies deals with the history and culture of the Byzantine Empire the eastern half of the Late Roman Empire from the fourth to the fourteenth century Its centre was the city formerly known as Byzantium refounded as Constantinople in 324 CE the present day Istanbul Under its emperors patriarchs and all pervasive bureaucracy Byzantium developed a distinctive society Greek in language Roman in legal system and Christian in religion Byzantium s impact in the European Middle Ages is hard to over estimate as a bulwark against invaders as a meeting point for trade from Asia and the Mediterranean as a guardian of the classical literary and artistic heritage and as a creator of its own magnificent artistic style

[A Cumulative Bibliography of Medieval Military History and Technology](#) Kelly DeVries,2001-11-01 There is perhaps no other more lively area for study in medieval history than medieval military history with its attendant and complementary field the history of medieval military technology In the past twenty years it seems that more major scholarly inroads have been made in this field than in any other historical genre of medieval studies or chronological period of military history What this has meant is that it is now more difficult to

keep up with all of the trends and sources in the field than ever before Hence the need for a reference work which covers what has previously been written and which in turn can assist the scholar both the more experienced academic and the beginner to improve his or her work in medieval military history or the history of medieval military technology Utilizing library catalogues bibliographies and footnotes this bibliography has compiled the most complete list of secondary references to works in medieval military history and the history of military technology It keeps fairly strictly to a geography which centers on conventional medieval boundaries Europe Byzantium and the Middle East However the chronology does differ from the conventional medieval dates Because of its influence on the early Middle Ages references to Late Antiquity especially to the military history and technology of the third and fourth century Roman Empire have been included For the opposite reason the influence of the Middle Ages on the sixteenth and early seventeenth centuries references to military history and technology up to 1648 have been included as well This is especially important in the study of the Ottoman Turkish Wars and Arms and Armor where the end of the fifteenth century as a chronological terminus makes little sense

Serçe Limanı George Fletcher Bass, Sheila Matthews, J. Richard Steffy, 2004 For almost a millennium a modest wooden ship lay underwater off the coast of Ser e Limani Turkey filled with evidence of trade and objects of daily life The ship now excavated by the Institute of Nautical Archaeology at Texas A M University trafficked in both the Byzantine and Islamic worlds of its time The ship is known as the Glass Wreck because its cargo included three metric tons of glass cullet including broken Islamic vessels and eighty pieces of intact glassware In addition it held glazed Islamic bowls red ware cooking vessels copper cauldrons and buckets wine amphoras weapons tools jewelry fishing gear remnants of meals coins scales and weights and more This first volume of the complete site report introduces the discovery the methods of its excavation and the conservation of its artifacts Chapters cover the details of the ship its contents the probable personal possessions of the crew and the picture of daily shipboard life that can be drawn from the discoveries The Horsemen of Israel Deborah O'Daniel Cantrell, 2011-06-30 Almost every book in the Hebrew Bible mentions horses and chariots in some manner usually in a military context However the importance of horses chariots and equestrians in ancient Israel is typically mentioned only in passing if at all by historians hippologists and biblical scholars When it is mentioned the topic engenders a great deal of confusion Notwithstanding the substantial textual and archaeological evidence of the horse s historic presence recent scholars seem to be led by a general belief that there were very few horses in Iron Age Israel and that Israel s chariotry was insignificant The reason for this current sentiment is tied primarily to the academic controversy of the past 50 years over whether the 17 tripartite pillared buildings excavated at Megiddo in the early 20th century were in fact stables Although the original excavators archaeologists from the University of Chicago designated these buildings as stables a number of scholars and a few archaeologists later challenged this view and adopted alternative interpretations After they reassessed the Megiddo stables as storehouses marketplaces or barracks the idea developed that there was no place for the horses to be

kept and therefore there must have been few horses in Israel The lack of stables when added to the suggestion that Iron Age Israel could not have afforded to buy expensive horses and maintain an even more expensive chariotry led to a dearth of horses in ancient Israel or so the logic goes that has permeated the literature Cantrell s book attempts to dispel this notion Too often today scholars ignore or diminish the role of the horse in battle It is important to remember that ancient historians took for granted knowledge about horses that modern scholars have now forgotten or never knew Cantrell s involvement with horses as a rider competitor trainer breeder and importer includes equine experience ranging from competitive barrel racing to jumping and for the past 25 years dressage The Horsemen of Israel relies on the author s knowledge of and experience with horses as well as her expertise in the field of ancient Near Eastern languages literature and archaeology

Military Revolution and the Thirty Years War 1618-1648 Olli Bäckström, 2023-11-08 Military Revolution and the Thirty Years War 1618 1648 investigates change and decline in military institutions during a period of protracted and destructive European warfare Conceptual background is provided by the Military Revolution thesis which argues that changes in military technology and tactics drove revolutionary transformation in the way states organised and waged war in the early modern era This transformation of military institutions became evident during the long and destructive Thirty Years War in 1618 1648 The outcome of the Military Revolution was the centralised fiscal military state that possessed a strong claim to the monopoly of violence within its territorial boundaries The book examines how the Thirty Years War accelerated and even initiated transformation in four military institutions that defined land warfare feudal cavalry services militias regular armies and war commissariats The regional scope of the investigation covers the Holy Roman Empire France Spain Portugal Sweden Denmark and the Dutch Republic The book combines military historical inquiry with ancillary sciences of sociology and economics It argues that the Military Revolution of the Thirty Years War stimulated institutions capable of increased complexification and specialisation while curtailing those that were locked in stasis and immutability The institutional legacy of the Thirty Years War was the emergence of complex military organisations that are characteristic to the modern society and its self renewing social subsystems Previous scholarship on the Military Revolution has concentrated on military technicalities and the wider process of early modern state formation This book proposes an alternative way of viewing early modern military transformations from the perspectives of institutions and systems System analytical survey of change and decline in the military institutions of the Thirty Years War introduces qualifications to the Military Revolution theory and offers a novel way of conceptualising early modern military history

Soldiers' Lives through History - The Ancient World Richard A. Gabriel, 2006-11-30 Once warfare became established in ancient civilizations it s hard to find any other social institution that developed as quickly In less than a thousand years humans brought forth the sword sling dagger mace bronze and copper weapons and fortified towns The next thousand years saw the emergence of iron weapons the chariot the standing professional army military academies general staffs military training permanent arms industries written

texts on tactics military procurement logistics systems conscription and military pay By 2 000 B C E war was an important institution in almost all major cultures of the world This book shows readers how soldiers were recruited outfitted how they fought and how they were cared for when injured or when they died It covers soldiers in major civilizations from about 4000 B C E to about 450 C E Topics are discussed cross culturally drawing examples from several of the cultures armies and time periods within each chapter in order to provide the reader with as comprehensive an understanding as possible and to avoid the usual Western centric perspective too common in analyses of ancient warfare Roman Warfare Adrian Goldsworthy,2019-05-07 From an award winning historian of ancient Rome a concise and comprehensive history of the fighting forces that created the Roman Empire Roman warfare was relentless in its pursuit of victory A ruthless approach to combat played a major part in Rome s history creating an empire that eventually included much of Europe the Near East and North Africa What distinguished the Roman army from its opponents was the uncompromising and total destruction of its enemies Yet this ferocity was combined with a genius for absorbing conquered peoples creating one of the most enduring empires ever known In Roman Warfare celebrated historian Adrian Goldsworthy traces the history of Roman warfare from 753 BC the traditional date of the founding of Rome by Romulus to the eventual decline and fall of Roman Empire and attempts to recover Rome and Italy from the barbarians in the sixth century AD It is the indispensable history of the most professional fighting force in ancient history an army that created an Empire and changed the world Logistics of Warfare in the Age of the Crusades John H. Pryor,2016-12-05 How were the Crusades made possible There have been studies of ancient medieval and early modern warfare as well as work on the finances and planning of Crusades but this volume is the first specifically to address the logistics of Crusading Building on previous work it brings together experts from the fields of medieval Western Byzantine and Middle Eastern studies to examine how the marches and voyages were actually made Questions of manpower types and means of transportation by land and sea supplies financial resources roads and natural land routes sea lanes and natural sailing routes all these topics and more are covered here Of particular importance is the attention given to the horses and other animals on which transport of supplies and the movement of armies depended A Companion to the Environmental History of Byzantium ,2024-03-04 How did humans and the environment impact each other in the medieval Eastern Mediterranean How did global climatic fluctuations affect the Byzantine Empire over the course of a millennium And how did the transmission of pathogens across long distances affect humans and animals during this period This book tackles these and other questions about the intersection of human and natural history in a systematic way Bringing together analyses of historical archaeological and natural scientific evidence specialists from across these fields have contributed to this volume to outline the new discipline of Byzantine environmental history Contributors are Johan Bakker Henriette Baron Chryssa Bourbou James Crow Michael J Decker Warren J Eastwood Dominik Fleitmann John Haldon Adam Izdebski Eva Kaptijn J rg Luterbacher Henry Maguire Mischa Meier Lee Mordechai Jeroen Poblome Johannes Preiser

Kapeller Abigail Sargent Peter Talloen Costas Tsiamis Ralf Vandam Myrto Veikou Sam White and Elena Xoplaki **The Liminal Horse** Rena Maguire, Anastasija Ropa, 2021-12-31 The historical horse is at once material and abstract as is the notion of the border Borders and frontiers are not only markers delineating geographical spaces but also mental constructs there are borders between order and disorder between what is permitted and what is prohibited Boundaries and liminal spaces also exist in the material economic political moral legal and religious spheres In this volume the contributing authors explore the theme of the liminality of the horse in all of these historical arenas asking how does one reconcile the very different roles played by the horse in human history Flavius Josephus: Translation and Commentary, Volume 1B: Judean War 2 Steve Mason, 2008-10-16 Volume 1b in Brill's Josephus Project contains Book 2 of Josephus Judean War translation and commentary This book deals with a period of enormous consequence from King Herod's death 4 BCE to the first phase of the war against Rome 66 CE It covers the succession struggle the governments of Herod's sons Judea's incorporation as a Roman province some notable governors including Pilate Kings Agrippa I and II the Judean philosophical schools featuring the Essenes various rebel movements and the Sicarii tensions between Judeans and their neighbors events leading up to the revolt the failed intervention of the Syrian legate Cestius Gallus and preparations for war in Judea and Galilee The commentary aims at a balance between historical and literary issues *The Druid's Son* G. R. Grove, 2012-10-01 The Roman armies are conquering Britain they have destroyed the Druid sanctuaries and savagely crushed Boudicca's revolt In these desperate days knowing his own death is imminent the last Archdruid of Ynys Mon engenders a son The boy's mission to defeat the Roman invaders and preserve his father's heritage But can he possibly survive long enough to achieve his goal *The Eurasian Way of War* David A. Graff, 2016-03-10 This book is a comparative study of military practice in Sui Tang China and the Byzantine Empire between approximately 600 and 700 CE It covers all aspects of the military art from weapons and battlefield tactics to logistics campaign organization military institutions and the grand strategy of empire Whilst not neglecting the many differences between the Chinese and Byzantines this book highlights the striking similarities in their organizational structures tactical deployments and above all their extremely cautious approach to warfare It shows that contrary to the conventional wisdom positing a straightforward Western way of war and an Oriental approach characterized by evasion and trickery the specifics of Byzantine military practice in the seventh century differed very little from what was known in Tang China It argues that these similarities cannot be explained by diffusion or shared cultural influences which were limited but instead by the need to deal with common problems and confront common enemies in particular the nomadic peoples of the Eurasian steppes Overall this book provides compelling evidence that pragmatic needs may have more influence than deep cultural imperatives in determining a society's way of war **King Arthur** Nicholas J. Higham, 2018-11-20 A leading medievalist takes a clear-eyed look at the evidence for the existence of the legendary Arthur The Sunday Times Best Paperbacks of 2021 According to legend King Arthur saved Britain from the Saxons and reigned over

it gloriously sometime around A D 500 Whether or not there was a real King Arthur has all too often been neglected by scholars most period specialists today declare themselves agnostic on this important matter In this erudite volume Nick Higham sets out to solve the puzzle drawing on his original research and expertise to determine precisely when and why the legend began Higham surveys all the major attempts to prove the origins of Arthur weighing up and debunking hitherto claimed connections with classical Greece Roman Dalmatia Sarmatia and the Caucasus He then explores Arthur s emergence in Wales up to his rise to fame at the hands of Geoffrey of Monmouth Certain to arouse heated debate among those committed to defending any particular Arthur Higham s book is an essential study for anyone seeking to understand how Arthur s story began Likely to be the definitive text on the legendary warrior for the foreseeable future With his profound knowledge of the rules of historical narrative and patient but forensic analysis of the evidence Higham s riveting book brings the historical Arthur to what may be his last decisive battle Max Adams author of *The First Kingdom* Fascinating authoritative analysis P D Smith *The Guardian* Intelligent and eminently readable For fans of a fascinating story that is wonderfully well told this is the perfect book to take you back to King Arthur s time All About History

Yeah, reviewing a books **Roman Cavalry From The First To The Third Century A D** could amass your near contacts listings. This is just one of the solutions for you to be successful. As understood, execution does not suggest that you have fabulous points.

Comprehending as capably as covenant even more than further will offer each success. next-door to, the declaration as with ease as perception of this Roman Cavalry From The First To The Third Century A D can be taken as capably as picked to act.

Roman Cavalry From The First To The Third Century A D Introduction

In today's digital age, the availability of Roman Cavalry From The First To The Third Century A D books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Roman Cavalry From The First To The Third Century A D books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Roman Cavalry From The First To The Third Century A D books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Roman Cavalry From The First To The Third Century A D versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Roman Cavalry From The First To The Third Century A D books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Roman Cavalry From The First To The Third Century A D books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Roman Cavalry From The First To The Third Century A D books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited

period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Roman Cavalry From The First To The Third Century A D books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Roman Cavalry From The First To The Third Century A D books and manuals for download and embark on your journey of knowledge?

FAQs About Roman Cavalry From The First To The Third Century A D Books

What is a Roman Cavalry From The First To The Third Century A D PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Roman Cavalry From The First To The Third Century A D PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Roman Cavalry From The First To The Third Century A D PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Roman Cavalry From The First To The Third Century A D PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Roman Cavalry From The First To The Third Century A D PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are

there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
