Revival: Roman Life and Manners Under the Early Empire (1913) Ludwig Henrich Friedländer, A. B. Gough, 2018-01-24. Every attempted delineation of the manners and customs of Imperial Rome must necessarily include a survey as exhaustive as may be of the spectacles as the best measure of her grandeur and as indicative in many ways of her moral and intellectual condition. Originally for the most part religious celebrations, they became even in the later Republic the best means of purchasing popular favour and under the Empire of keeping the populace contented. Augustus the tale runs, once reproached Pylades the Pantomime for his jealousy of a rival and Pylades replied, "It is to your advantage, Caesar, that the people concerns itself about us. But these spectacles effected more even than the diversion of popular interest: their magnificence was a gauge of the popularity of the sovereign. The emperors like Louis

XIV knew how admiration aids absolute autocracy like Napoleon that the imagination of the people must be excited splendid festivals were one of their most indispensable and most constant devices Even Caligula according to Josephus was honoured and beloved by the folly of the populace the women and the youth did not desire his death distributions of meat the games and the gladiatorial combats had won their hearts for such were the delights of the mob the lavishing of these gifts was nominally due to consideration for the populace though the gladiatorial combats were only intended to sate the monarch's lust of blood
